American Welding Society®
NEW MEXICO SECTION

Please join us for the November AWS NM Section meeting being held at

San Juan College
4601 College BLVD
Farmington, NM 87402

Thursday, November 19, 2026

All are welcome (both Members & Non-members)

Technical Presentation to be given on Education Opportunities for Welding Careers

Bill Stellwag is a Principal Welding Engineer at Los Alamos National Lab currently working as the Design Authority for NASA product. He has over 25 years as a Welding Engineer working for Edison Welding Institute, National Security Complex-Kansas City and Los Alamos National Lab.

He will be talking about welding education opportunities in NM and around the country, AWS Scholarships and how to apply for them, AWS student memberships and how to get one, and a little about his career in the welding industry.

Agenda:
5:30 - 6:00 PM Social
6:00 - 6:30 PM Dinner
6:30 - 7:00 PM AWS Business
7:00 - 8:00 PM Education opportunities presentation by Bill Stellwag
8:00 - 8:30 PM Tour of San Juan's Welding Dept.

Saggio's Pizza will be provided by Bauman Industrial

Please RSVP by Tuesday, November 17, 2026 to:
Pat Bauman (505) 250-6328 or
pat@baumanindustrial.com
