THE WHITE HOUSE

Office of the Press Secretary

BIOGRAPHY OF
PRESIDENT GEORGE BUSH

On January 20, 1989, George Herbert Walker Bush was sworn in as the 41st President of the United States.

Mr. Bush was born in Milton, Massachusetts, on June 12, 1924. He graduated from Phillips Academy, Andover, Massachusetts, in June 1942, and on his 18th birthday, he enlisted in the U.S. Navy Reserve as a Seaman 2nd Class. Receiving his wings and commission while still 18, Mr. Bush became the youngest pilot in the U.S. Navy at the time.

On active duty from August 1942 to September 1945, he flew torpedo bombers off the USS San Jacinto, fighting in the Pacific Theater. He was awarded the Distinguished Flying Cross and three Air Medals.

When the war ended, he entered Yale University, completed his economics degree in 1948, graduated Phi Beta Kappa, and captained the varsity baseball team.

After graduation, Mr. Bush moved to Texas, where he worked as a trainee and then as a supply salesman for Dresser Industries in West Texas and California from 1948 to 1950. He co-founded a small royalty firm, Bush-Overby Oil Development Company, in 1951. In 1953, he co-founded Zapata Petroleum Corporation, and one year later, Mr. Bush became president and co-founder of a third firm, Zapata Off-Shore Company. The fledgling firm pioneered in experimental offshore drilling equipment.

He was elected to the U.S. House of Representatives in 1966 from Texas' 7th District. One of the few freshman members of Congress ever elected to serve on the Ways and Means Committee, Mr. Bush was re-elected to the House without opposition two years later.

From 1971 to 1973, he served as the United States Ambassador to the United Nations, and as Chairman of the Republican National Committee from January 1973 to September 1974. In October 1974, Mr. Bush traveled to Peking and served for more than a year as Chief of the U.S. Liaison Office in the People's Republic of China.

more

In 1976, Mr. Bush served as Director of Central Intelligence. He is given credit for helping restore the morale of the CIA and for strengthening the Intelligence Community, as well as helping write the Executive Order that guaranteed the protection of civil rights of U.S. citizens.

In July 1980, Mr. Bush was selected by Ronald Reagan to be his running mate at the 1980 Republican Convention; on November 4, was elected Vice President-designate of the United States; and on January 20, 1981, was sworn in as the 43rd Vice President of the United States. On January 20, 1985, he was sworn in to a second term. As Vice President, he served as President of the Senate and as a close advisor to President Ronald Reagan.

In June 1985, Mr. Bush was named to coordinate the Reagan Administration's activities to combat international terrorism. He headed similar efforts on the Presidential Task Force on Regulatory Relief and The National Narcotics Border Interdiction System (NNBIS). At President Reagan's direction, he traveled to 74 foreign countries to consult with world leaders on matter of bilateral and international concern.

He is married to the former Barbara Pierce of Rye, New York. They are the parents of five children: George, Jeb, Neil, Marvin, and Dorothy Bush LeBlond. The Bushes have ten grandchildren. His father, the late Prescott Bush, served as a U.S. Senator (R-CT) from 1952 through 1962.

The President and Mrs. Bush are residents of Houston, Texas, and are members of St. Martin's Episcopal Church, where he is a former vestryman. When in Washington, the Bushes attend St. John's Episcopal Church. He has served on the vestry of St. Ann's Episcopal Church Foundation, Kennebunkport, Maine, and is on the board of the Episcopal Church Foundation.

#

Biography of Barbara Bush

Barbara Bush, wife of President George Bush and the 38th First Lady, has lived a life which reflects her husband's varied career in business and public service, her involvement as the mother of five children, and her own energy and commitment to a wide variety of community projects.

Barbara Pierce Bush was born on June 8, 1925, grew up in Rye, New York, and married George Bush on January 6, 1945. They have five children: George, Jr.; Jeb; Neil; Marvin; and Dorothy; four daughters-in-law, one son-in-law, and 11 grandchildren. By virtue of George Bush's service as a Member of Congress, U.S. Representative to the United Nations, Chairman of the Republican National Committee, Chief of the United States Liaison Office in the People's Republic of China, Director of the Central Intelligence Agency, and the Vice President of the United States, the Bushes have lived in 17 cities and 29 homes since their marriage.

Mrs. Bush has chosen reading and the eradication of illiteracy as her special areas of focus. She serves on the national board of Reading Is Fundamental; she is a sponsor of Laubach Literacy International, a world-wide program committed to eradicating illiteracy; she is an honorary member of the board of the Kingsbury Center in Washington, D.C., an organization for children with learning disabilities; she is Honorary Chairperson of the National Advisory Council of Literacy Volunteers of America, Inc., a national volunteer tutorial organization; and she is a member of the Board of Directors of the Business Council for Effective Literacy, a foundation established by Harold McGraw, Jr., to encourage business support for efforts to combat illiteracy. All of the proceeds of a book by Mrs. Bush, *C. Fred's Story* (Doubleday, 1984), a collection of anecdotes about the Bushes' late cocker spaniel, were donated to two major national literacy organizations, Laubach Literacy Action and Literacy Volunteers of America, Inc.

Reflecting her own years as an active volunteer, Mrs. Bush also encourages volunteerism and the giving by people of their time and energies for the betterment of others and their communities. She is a member of the Board of Trustees of Morehouse School of Medicine in Atlanta and is an honorary member of the boards of The Washington Home and the Children's Oncology Services of Washington, D.C., Inc. She has served as Honorary Chairman of the Washington Parent Group Fund, and she is the National Honorary Chairperson for the Leukemia Society of America, the Hispanic American Family of the Year Awards Program, and the National School Association of Partners in Education.

The Bushes' home is in Houston, Texas. She is an exercise enthusiast and enjoys reading, needlepoint, and being with her family.

April 1989

Rev: January 31, 1989

Block:

Press the Alt + F4 or F12 key to turn blocking on then, using the arrow keys, highlight the block of text. The Block feature is used to define portions of text for use with other features, including: Bold, Center, Delete, Flush Right, Font, Format, Macro, Mark Text, Move, Print, Replace, Save, Search, Shell, Sort, Spell, Style, Switch, Text In/Out and Underline.

Bold:

Press the F6 key to turn on the Bold feature. After typing the text Press F6 again to turn Bold off. To bold existing text, place the cursor at the beginning of the text you want Bold and press Alt + F4 or F12 to turn Block On and highlight the text with your cursor key. Press F6 to bold the highlighted text.

Cancel:

Pressing the F1 key, cancels you out of any feature that displays a message on the status line. It is also used to restore deleted text. See Undelete.

Case Conversion:

In order to switch from Uppercase to Lowercase or Lowercase to Uppercase you must turn block on by pressing the Alt + F4 or F12 key and highlight the block of text to be converted. Once you have highlighted the block of text, press Shift + F3 key and select 1) Uppercase or 2) Lowercase.

NOTE: If you select to switch to lowercase, WP will keep the first letter of the sentence, after a period (.), in Uppercase.

Center:

To center text between margins move the cursor to the left margin and press Shift + F6 to move the cursor to the center of the line and type. Press Enter to end centering. To center an existing line of text move the cursor to the beginning of the text, press Shift F6, then press the Down Arrow key.

To center a page top to bottom on a page press Format and select 2) for Page. Select 1) for Center Page. Your cursor must be at the top of the page, to the left of all text and codes.

Copy:

Press the Ctrl + F4 key to display the MOVE menu. Select Move Sentence (1), Move Paragraph (2), or Move Page (3). WP highlights the data based on your selection. Then select Copy (2). Move the cursor to where you want the text copied and press Enter.

To copy other than a sentence, paragraph or page, use block to highlight the text. Press Ctrl + F4 and select (1) Block. Then select Copy (2). Move the cursor to where you want the text copied and press Enter.

Cursor Movement Keys

Left Edge of Screen	Home, Left Arrow
Right Edge of Screen	Home, Right Arrow
Top of Screen	Home, Up Arrow
Bottom of Screen	Home, Down Arrow
Beginning of Document	Home, Home, Up Arrow
End of Document	Home, Home, Down Arrow
Top of Next Page	Page Down
Down "N" number of lines	Esc (number) Down Arrow
Up "N" number of lines	Esc (number) Up Arrow
Movement By Word	Hold down CTRL and press the correct arrow key.)

Date:

The Date feature automatically inserts the current date or the date and time into your document as text or as a function code. The function code is automatically updated each time the document is revised. Placing the cursor where you want the date inserted, press Shift + F5 key to display the Date/Outline menu. Select Date Text (1) to insert the data at the cursor position. To have the date inserted as a code Select Date Code (2).

Delete: (see also Undelete to retrieve deleted text)

From Cursor Forward: The Del key works rather rapidly deleting from the cursor forward. Or you can block the text, press the Delete key and respond Y when asked Delete Block?.

From Cursor Backward: The Backspace key deletes text to the left of the cursor. It can also be used with Block like the Del key, see above.

Block of Text: Highlight the text using block. Press Ctrl + F4. Select (1) Block, then (3) Delete.

Document: Press F5 to list files. Select file that you wish deleted and press (2) Delete. Then press y to delete the file.

Hard Page break: To delete a page break place the cursor before the equal signs and press the Del key if the cursor is above the equal signs or press the Backspace key if the cursor is below them. Note that Soft Page Breaks, those created by automatic pagination cannot be deleted. They move with editing and can be overridden with

move with editing and can be overridden with Hard Breaks, Block Protects and Conditional End of Page.

To End of Line: CTRL-End will delete from the current cursor position to the end of the line.

To End of Page: CTRL-PgDn will offer the chance to delete from the cursor to the end of the page.

Word: To delete a word place the cursor either on the word or on the space after the word and press the CTRL + Backspace key.

Exit:

The Exit feature (F7) allows you to exit WordPerfect after saving the current document or clears your screen to work on a new document. Press F7. You will be asked if you want to save current document. If you say yes you are asked either to enter a name or, if it is a document that already has a name, verifies you want to use the same name. Then you are asked if you want to replace old document. Type "Y" if you want to replace the old version with the copy on your screen. Change the name of the document if you do not wish to lose the old version. After saving you are asked if you would like to exit Word Perfect. Type "N" to clear your screen. Type "Y" to exit the program.

Format:

To change a format setting move the cursor to the place in your document where you want to change the settings and press Shift + F8 key to display the Format menu. Select Line (1), Page (2), Document (3), or Other (4) to display a list of format options. Select the desired format option and enter the change on the next menu screen. Then press Exit (F7) to return to the document.

Go To:

To go to a specific page in a document press CTRL + Home and type the page number you want to view.

Help:

When typing or editing a document, you can press the F3 key to display information about a Word Perfect feature. Type a letter from (A-Z) to see a list of all features beginning with that letter. Then select what you need according to the directions.

Indent:

Pressing the F4 key indents the current line and all subsequent lines to the next tab stop, until Enter is pressed.

List Files:

List files (F5) lets you display the names of the documents in a directory. You can perform such tasks as retrieving, deleting, renaming, printing, or copying a file. It can also be used to change directories.

Move:

Pressing the Ctrl + F4 key to display the Move menu. Select Move Sentence (1), Move Paragraph (2), or Move Page (3). WP highlights the data based on your selection. Then select (1) Move. Move the cursor to where you want the text moved and press Enter.

To move other than a sentence, paragraph or page, use block to highlight the text. Press Ctrl + F4 and select (1) Block. Then select (1) Move. Move the cursor to where you want the text moved and press Enter.

Page Breaks:

To insert a Hard Page Break, move the cursor to the where you want the page to start, then press Ctrl + Enter.

Page Numbering:

To create page numbers with dashes or other text use a Header or a Footer. Move cursor to the beginning of the document or page. Press Shift + F8. Select (2) Page, then select 3) for a Header or 4) for a Footer. Position the cursor where the text and number should be printed on the line, type the text and press CTRL B to insert the automatic page number. Press twice F7 to exit.

To insert a plain page, move cursor to the beginning of the document or page. Press Shift + F8. Select (2) Page, then select (7) Select Page Numbering to display the Page Number Position menu and select an option for location of the page number. Press F7 to exit.

To use other than the system page number press Shift + F8. Select (2) Page, then select (6) New Page Number. Enter the number you want to appear. Press F7 to exit.

To turn page numbering off for one page, press Shift F8, select 2) for page and 9) to suppress for the current page. On the suppress menu, select the item to be suppressed and type "Y". Press Enter and then F7 to return to your document.

Print:

To print a document from the screen or from disk press the Shift + F7 key and select (1) full document, (2) page or (3) document on disk.

Replace:

Pressing the Alt + F2 key performs a Global/Search and Replace on a word, phrase, or Word Perfect code with another word, phrase or WordPerfect code in a document or block of text. You must type y to confirm each replacement or type n to have WordPerfect replace every occurrence without stopping to confirm. Pressing the Up Arrow key searches backward from the cursor position and pressing the Down Arrow key replaces forward from the cursor position.

NOTE: lowercase letters will be matched with either upper or lowercase characters, but uppercase will only match uppercase.

Retrieve:

Press Shift + F10 and enter the file name of the document you want to retrieve.

Or, press List Files F5, Enter. Move your cursor to highlight the name of the document to be retrieved and type 1 to retrieve the document.

Reveal Codes:

Pressing the F11 key or Alt F3 displays the control codes or special symbols that are inserted into your text. To leave Reveal Codes, press F11 or Alt F3 again.

Save:

Pressing the F10 key saves your document, either using a new or the current name without exiting the document.

Search Forward or Backwards:

Pressing the F2 Function key performs a Search from the cursor forward or pressing Shift + F2 searches from the cursor backwards. Type the characters and/or codes you want to find and press Enter. Press F2 followed by Enter continues the same search.

NOTE: Lowercase letters will be matched with either upper or lowercase characters but uppercase will only match uppercase.

Shell:

Pressing the Ctrl + F1 key returns you to DOS, within Wordperfect, to enter a DOS command. Type exit to return to WordPerfect.

Space (Required):

To keep two words together, press Home, then Space Bar (instead of the space bar) to create a space.

Spell:

It's best to save your document before beginning the spelling check. (Use the F10 Save to keep your document on the screen.) Pressing the Ctrl + F2 key displays the Speller menu. Select Word (1) or Page (2) to check the word or page on which the cursor is located, or select Document (3) to check the entire document. When the Speller stops and highlights a word, use the menu in the lower-half of the screen to make any corrections.

Thesaurus:

When you press the Alt + F1 key when the cursor is on a word, displays several alternatives for that word. Once you have found the word in the Thesaurus that you want to substitute for the word in your document, use your arrow keys to move the Reference menu so that the letters are bolded in the correct column where the word is listed. Select (1) Replace Word and type the bolded letter next to the selected word.

Undelete:

WP saves your three most recent deletions. To restore, move the cursor to the place you want the deleted text inserted. Press Cancel (F1) to display the undelete menu. Select Restore (1) to restore the most recently deleted text, which will be highlighted. If this is not the text you want restored, select (2) Previous deletion until the correct text is displayed, then press (1) Restore.

Underline:

To underline text press the F8 key and type the text you want to underline. After typing the last character of what you want underlined press the F8 key again to turn it off. To underline existing text, place the cursor at the beginning of the text you want underlined and press Alt + F4 or F12 to turn Block On and highlight the text. Then press the F8 key.

THE WHITE HOUSE

WASHINGTON

September 17, 1990

MEMORANDUM FOR ALL WHITE HOUSE STAFF

FROM: ROSE ZAMARIA ✓✓
SPECIAL ASSISTANT TO THE PRESIDENT
AND DIRECTOR OF WHITE HOUSE OPERATIONS

SUBJECT: Change in Dialing Procedures for Metropolitan
Washington

Effective October 1, 1990, the area code must be dialed with the telephone number when making a local call that crosses area code boundaries (see attached). Also, the area code for the Pentagon will change from (202) to (703).

To avoid unnecessary problems or delays, you should reprogram all instruments using speed dialing or automatic dialers, particularly those in FAX machines.

Attachment

NEW LOCAL CALL DIALING INSTRUCTIONS EFFECTIVE OCT. 1, 1990

For Washington Metropolitan Area Customers in:
Maryland -- Area Code 301
Virginia -- Area Code 703
Washington, D.C. -- Area Code 202

How you make SOME of your local (no toll) calls is changing BUT there will be NO CHANGE in C&P rates and charges and NO CHANGE in how you make your toll calls.

STARTING OCT. 1, 1990

- When calling a local (no toll) number in the **SAME** area code
Dial the 7-digit phone number LIKE YOU DO NOW
- When calling a local (no toll) number in **ANOTHER** area code
Dial the area code and the 7-digit number

Maryland customers

- When in Maryland and calling another local Maryland number:

Dial the 7-digit number

- When in Washington or Virginia and calling a local Maryland number:

Dial 301 + the 7-digit number

- When in Maryland or Virginia and calling a local Washington number:

Dial 202 + the 7-digit number

Virginia customers

- When in Virginia and calling another local Virginia number:

Dial the 7-digit number

- When in Washington or Maryland and calling a local Virginia number:

Dial 703 + the 7-digit number

- When in Virginia or Maryland and calling a local Washington number:

Dial 202 + the 7-digit number

Washington customers

- When in Washington and calling another local Washington number:

Dial the 7-digit number

- When in Maryland or Virginia and calling a local Washington number:

Dial 202 + the 7-digit number

- When in Washington or Virginia and calling a local Maryland number:

Dial 301 + the 7-digit number

REMEMBER: There is no change in how you dial toll calls. Continue to dial as you do today when calling outside of your local calling area.

THE WHITE HOUSE

WASHINGTON

September 13, 1990

MEMORANDUM FOR THE WHITE HOUSE STAFF

FROM: C. BOYDEN GRAY *cm*
COUNSEL TO THE PRESIDENT

SUBJECT: Summary of Applicable Laws of D.C.,
Virginia, and Maryland regarding:

1. Income and Property Taxes;
2. Motor Vehicle Registration, Inspection,
and Operating Licenses;
3. Voter registration

The Counsel's Office would like to provide you with some general information with respect to local laws that may affect you. This memorandum highlights the applicable tax laws as well as motor vehicle and voter registration laws and provides sources from which further information may be obtained. Please note that this guidance is very general in nature and that state and local requirements are subject to change; if you have specific questions, please seek additional information from the appropriate state and local officials.

I. DISTRICT OF COLUMBIA

A. Taxes

Real property taxes in the District of Columbia are imposed based upon assessed valuation. Information regarding these taxes and amounts due is mailed directly to the property owner or to the company or financial institution which holds a mortgage on the property.

Income tax forms must be filed with the District of Columbia by any individual who resides in D.C. on the last day of the taxable year, or who maintains a place of abode within the District for 183 days per year, regardless of their legal domicile. The "D-40" form is used whether the individual is claiming full year, part year or non-resident status. Copies are generally made available each year in the corridor outside the OEOB cafeteria. They may also be obtained at any time at the District Building, 14th and E Streets, N.W. or by telephoning 727-6170.

An exemption from D.C. income tax is provided for officers of the Executive Branch of the Federal government who are --

1. appointed by the President by and with the advice and consent of the Senate; and
2. serving at the pleasure of the President; and
3. not legally domiciled in the District at any time during the taxable year.

D.C. Code § 47-1801.4(17)

The exemption, by its terms, does not apply to Presidential appointees who have not been confirmed by the Senate.

B. Motor Vehicles

Presidential appointees who qualify for exemption under the D.C. income tax provisions are also exempt from D.C. motor vehicle registration, inspection and licensing purposes. D.C. Code § 40-303(c)(4). All others must comply if residing in the District.

1. Registration

Within 30 days of becoming a resident of D.C., an individual must register his motor vehicle and obtain D.C. registration tags. The registration office, Room 1157, 301 C Street, N.W., is open Monday through Friday, 8:15 a.m. to 4:00 p.m. For further information, call 727-2490.

In addition to vehicle registration, one who lives in a residentially zoned parking area (so marked on road signs) should obtain a parking permit for such area. These may be obtained in the same registration office. A fee of \$5.00 is required and title, registration, insurance and proof of residence must be shown. (A signed lease or utility bills made out in the individual's name will be accepted for this purpose.) For further information, call 727-2486.

2. Inspection

The District requires annual inspection of motor vehicles, in the anniversary month of the first inspection. A valid D.C. registration must be shown prior to inspection. There are two inspection stations: (1) Mt. Olivet Road and West

Virginia Avenue, N.W., phone 576-6392; and (2) Half and M Streets, S.W., phone 727-6816.

These stations are open Monday through Friday, between 6:00 am and 2:00 pm. Further information may be obtained by calling an inspection station.

3. Operator's Licensing

Within 30 days of becoming a D.C. resident, a D.C. operator's permit is required. One holding a valid permit from another jurisdiction may obtain a D.C. permit by merely completing a written and visual examination and presenting a valid permit from another jurisdiction and a social security card. The D.C. operator's permit, valid for four years, is available at Rm. 1157, 301 C St., N.W. The fee is \$15.00.

A first time driver, or one whose prior license has lapsed, must pass a driving test as well as the written and visual examinations and must present a birth certificate and a social security card.

4. Automobile Insurance

The District requires that all registered automobiles have general liability insurance, but does not set minimum coverage levels. For further information, call 727-5986.

C. Voter Registration

One who wishes to change his voter registration to the District of Columbia, or one who has never previously registered to vote, may obtain a mail registration form at any D.C. Public Library, police station or fire house, or register in person at Room 2, District Building, 14th and E Streets, N.W. between 8:30 am and 4:45 pm, Monday through Friday. A registration form may also be received through the mail by calling 727-2525. When registering in a new jurisdiction, of course, prior registration at a former residence should be cancelled.

II. VIRGINIA

A. Taxes

Individuals residing in Virginia in excess of 183 days, but less than a full year, are required to file the income tax Standard Form 760-PY (part year). Those residing in Virginia for less than 183 days may file a non-resident return, Form 763. Virginia residents file the Standard Form 760. All filers must pay income taxes to Virginia unless the State from which they come has a reciprocity agreement with Virginia. Virginia tax forms may be obtained at county courthouses or by calling the Northern Virginia District Field Office, Virginia Department of Taxation, 534-5791. Some Virginia tax forms are also available after the first of the year in the corridor opposite the OEOB cafeteria.

Anyone owning personal property in Virginia during any portion of the year must pay property taxes. The relevant county assesses and bills, for the entire year or on a pro rata basis. Reciprocity agreements apply only if the reciprocal state provides for the collection of personal property taxes. If not, the property is taxable by Virginia. The rates vary according to county, and specific information may be obtained from the following offices:

Arlington, Commissioner of Revenue	358-3055
Alexandria, Director of Finance	838-4755
Fairfax, Superintendent of Assessment	246-2661
Falls Church, Treasurer	241-5045

Real property is assessed according to the deed filed with the Recorder's office. Assessment rates and billing dates vary according to county. For further information contact:

Arlington	358-3300
Alexandria	838-4646
Falls Church	241-5107
Fairfax	691-2371

B. Motor Vehicles

1. Registration

All residents must register their cars within 30 days of moving into the state. To register, the title of the car must be presented to the

Department of Motor Vehicles in the county of residence. The fee for registration and license tags is \$26.00. City and/or county stickers may also be required in some locations. For further information call 761-4655.

2. Inspection

A vehicle must be inspected upon registration and annually thereafter; emissions inspection is required every two years. Inspection can be made at most gas stations in Virginia. The fee for inspection and emissions testing is \$12.00; the fee for safety inspection only is \$6.00.

3. Operation

A Virginia driver's license must be obtained within 30 days of moving to the State. A visual examination is required for those presenting a valid permit from another jurisdiction. The fee ranges from \$7 to \$16. The licenses are issued at the appropriate county Department of Motor Vehicles and are valid for four years.

4. Insurance

Virginia requires motorists to have insurance. Minimum coverage is \$25,000 personal injury; \$50,000 minimum per occurrence. Minimum coverage for property damage is \$20,000.

C. Voter Registration

Virginia requires registration in person in the county of residence. No proof of residence, other than taking an oath, is required. Registration is available at most local courthouses and libraries. For further information, call 838-4050.

III. MARYLAND

A. Taxes

Real property taxes are assessed through individual counties on the basis of evaluation. Information on these taxes is mailed to the property owner and the mortgage company or financial institution holding a mortgage on the premises. Real property owners are billed, based on State records, by the County Assessment and Taxation Division in July of each year. For more detailed information, call (301) 279-1355.

Income tax is levied on any individual residing in Maryland for longer than six months. An individual not residing in Maryland less than six months is not taxed if he is domiciled in a state with which Maryland has a reciprocity agreement. In the absence of such an agreement, the individual is taxed as a nonresident for that period.

Individuals who have resided in the state for the entire year must file Maryland Tax Form 503. All others must file the longer Form 502. Both forms are generally available after the first of the year in the corridor opposite the OEOB cafeteria. In addition, forms may be obtained from the Maryland Tax Division in:

Landover 459-2710
Wheaton 949-6030

Free tax assistance is provided at both of the above offices from 8:30 a.m. to 4:30 p.m., Monday through Friday. From February through April 15, the offices are open Saturdays as well.

County income taxes are collected by the State and are included with Forms 502 and 503.

B. Motor Vehicles

Questions concerning registration, inspection, operation, and insurance may be answered by calling 950-1682.

1. Registration

Within 30 days of moving to Maryland, an individual must register his car at one of the State Motor Vehicle Administration Offices. To register a car, the owner must produce proof of inspection, proof of insurance, and a valid Maryland driver's license.

2. Inspection

Maryland does not require periodic inspection of vehicles; however, a car purchased out-of-state or a car being purchased second-hand must be inspected prior to registration. Maryland does not honor out-of-state inspection certificates. Approximately seventy-five percent of the gas stations in Maryland are Certified Inspection Stations. Title to the vehicle must be exhibited prior to inspection.

3. Operation

An individual must obtain a driver's license within 30 days of moving to Maryland. Requirements for obtaining a driver's license include the title, Maryland insurance, and Maryland state safety inspection. If you are twenty-five years of age or under, an individual must also bring a government-issued birth certificate. Written and visual examinations, as well as road tests for new drivers, are administered at Gaithersburg, Upper Marlboro, Annapolis, and Glen Burnie. The license fee is \$20.00 and is valid for four years.

3. Insurance

Maryland requires all motor vehicles to be insured with minimum coverage complying with Maryland law. Minimum coverage is \$20,000/\$40,000 for personal insurance and \$10,000 for property insurance. Auto insurance companies licensed in the State of Maryland are familiar with the insurance requirement and should be contacted for specific information. Proof of coverage should be obtained from the insurance company prior to registering

THE WHITE HOUSE

WASHINGTON

April 27, 1990

MEMORANDUM FOR WHITE HOUSE STAFF

FROM: SHIRLEY M. GREEN *smg*
SPECIAL ASSISTANT TO THE PRESIDENT
FOR PRESIDENTIAL MESSAGES AND CORRESPONDENCE

SUBJECT: Guidelines for Staff Requests for
Presidential Acknowledgment Letters

The guidelines for accepting STAFF REQUESTS for Presidential Acknowledgment Letters (as opposed to Greetings Cards, which are sent to the general public) are as follows:

1. Presidential Acknowledgment Letters are generally restricted to close friends of the President or Mrs. Bush or friends and relatives of White House staff members. Do not use these forms for requests from the general public. *Public requests should be sent, in writing, directly to the Greetings Office, Room 39, The White House, Washington, D.C. 20500.

* Additional Correspondence contacts may be found on the attached list.
2. All requests must be in writing, using the attached revised form. (Please destroy all previous forms.) No requests will be accepted over the telephone. TWO WEEKS advance notice is necessary to assure your greeting arrives in time for the event. Several offices are involved in the processing of a Presidential letter, so please do not expect requests to be honored on shorter notice. If we cannot get the letter there by the date of the event, we will send a belated letter.
3. Please note: This criteria is for staff requests only. Birthday letters are sent only at the birth of a baby and to persons 50 years or older. Wedding anniversaries are sent to persons celebrating 20 years or more of marriage.

The Greetings Office (x7639) has cards that can be sent to persons not meeting this criteria. For the general public to receive Greetings Cards, individuals must be 80 years or older or celebrating 50 or more years of marriage.

4. Wedding letters may be dispatched in three ways:
 - a. If the letter will be hand-carried by a member of the White House Staff personally, it can be addressed to "Mr. and Mrs." and dated the day of the ceremony (providing Presidential dating is available for that day).
 - b. If the letter is to be mailed, a letter addressed to "Mr. and Mrs." will be dated ASAP after the wedding and the wedding date will be mentioned.
 - c. If the letter is desired prior to the wedding, it will be addressed to Miss Jane Doe and Mr. John Smith.
 - * Please provide first names of bride and groom and date of wedding in all three cases.
5. The inside address appears on the letter itself. The mailing address appears on the mailing label. These addresses will differ if you want the letter mailed to someone other than the honoree. Please supply complete addresses including zip codes for each address.
6. It is White House policy not to include autographed photographs with Presidential letters.
7. Questions about Presidential Acknowledgment Letters should be directed to Ellen Strichartz or Tammy Bloom, Room 93 (x2276).

MEMORANDUM FOR WHITE HOUSE AND EOP STAFF

FROM: Rose Zamaria *RZ*
Special Assistant to the President and
Director of Operations

SUBJECT: Policy for Use of EOP Conference Rooms

In order to facilitate the organization of events associated with the White House and EOP, the following is a clarification of policies and procedures for use of the EOP Conference Rooms.

POLICIES

- o The use of Executive Office of the President (EOP) Conference Rooms (see Attachment A) is limited to official functions. The Conference Rooms are not available for use by private citizens or organizations. For an activity to be considered "official" it must accomplish an official purpose, be completely subject to government control and be a proper subject for the expenditure of appropriated funds. Questions as to whether an event is official in nature will be directed to the White House Counsel's Office. Official events scheduled by an EOP agency must be attended by a senior staff member from that agency.
- o No outside organization may pay for food or refreshments at official events within the EOP complex.
- o Use of the EOP Conference Rooms are available to all agencies within the Executive Office of the President. However, the White House staff has precedence in using these rooms.
- o No Saturday events in the OEOP will be scheduled as the Preservation Office has scheduled tours of the Old Executive Office Building on this day.

PROCEDURES

- o The White House Administrative Office has responsibility for approval, reservation, and coordination of set-up and occupancy of the conference rooms.
- o In order to tentatively schedule a conference room, call x2500 with the appropriate information such as conference room required, date, time, purpose of event, and staff person responsible for event.
- o The Administrative Office, after tentatively scheduling the event, will forward a "Conference Room Reservation Request" form (Attachment B) to the appropriate office for completion. This form must be returned to the Administrative Office 48 hours prior to the event in order to confirm the reservation.
- o The Administrative Office will coordinate with General Services Administration for the set-up of conference rooms.
- o Requirements for slide projectors and screens should be coordinated through the OA Supply Office, x 2622. Other audio-visual requirements may be obtained by calling the White House Communications Agency, x 4040.

GENERAL INFORMATION

NOTE: Sometimes, the machine may go into a "logic lockup;" it might not allow a job to be discontinued or changed, or it might exhibit some other erratic symptoms. If this happens, try to clear the problem with P 73 <START>, or, if that fails, turn the machine off, and turn it back on. The copier has a memory, and requires specific actions to be taken before it is satisfied that a jam or other problem has been properly cleared. These actions **MUST BE TAKEN**, or the machine will not allow you to continue. Also, the copier will not allow you to stop in the middle of one type of job and run another type without using the "job interrupt" or the 'C' (clear) buttons ["clear all" button on the 1090].

Here is a list of some copier components, and their functions:

- Area 1. This is the vertical transport; it carries paper from the paper trays to the registration transport.
- Area 2. This is the registration transport; it "squares up" the paper so the image on the copy will not be crooked (skewed), and times the paper to hit the photoreceptor at the correct instant, so that the copy image will be centered on the paper from left-to-right. Area 2 includes the turn baffle, which directs the paper toward the photoreceptor.
- Area 3. This is the prefuser or vacuum transport, which carries the paper to the fuser, where the image of the original is melted onto the copy.
- Area 4. This is the fuser. Here, the ink forming the image of the original is melted onto the copy. CAUTION: The fuser is HOT; 340°F on a 1075, and 360°F on a 1090.
- Area 5. This includes the decurler, the inverter, and the "in" side of the output transport. The decurler removes longitudinal curl from the copy after it passes through the fuser. The inverter "flips" the copy in the two-sided copy mode so the second side can be copied. The output transport sends the copy to the top tray or to the bypass transport.
- Area 6. This includes the "out" side of the output transport and the bypass transport, which sends copies to the duplex (two sided copy) tray or to the finisher.

COPY QUALITY

Deletions: these are "blank" areas where text or graphics should be on a copy. The three major causes are damaged paper, moisture-laden paper, or a copier problem. Before calling Service, try running fresh paper; if the problem disappears, it was the old paper causing the deletions.

Spots: If the spot is in the same place on every copy, check the original; if not on the original, check the document glass, and clean it if necessary. If the spot(s) is on every fifth copy, then it is caused by the photoreceptor; call for Service. If the spot(s) vary from copy to copy, some internal component has become contaminated; call for Service.

Please remember that the more information you can provide for your technician, the more he can help you. Often, his having a good idea of the specific problem will enable him to help you "fix the machine over the phone," saving both of you time, and keeping you operational. At other times, the technician will be able to bring the proper parts with him when he responds to your need for service, again reducing downtime: he will not have to first locate the trouble, and then go for parts—he will already have them with him.

HOW TO GET A JAM CODE FROM A 1075 OR 1090

Run the copier in a mode that is reported to cause jams or faults. When the jam or fault occurs, wait for the machine to quit running, at which time it will display a message telling you which actions to take to get the copier running again. Ignore the message. Instead, press the <STOP> button. A code will be displayed; write this code down, and press the <STOP> button again. If another code is given, write it down, too. Do this until you begin to see the codes repeat (Note: THE FIRST CODE IS ALWAYS THE MOST IMPORTANT ONE). After you have gotten the code(s) follow the copier instructions to clear the jam(s). Some common codes follow:

CODE WHAT IT MEANS, AND ACTION TO BE TAKEN

- C103 Tray 1 or 2 elevator is not raising the paper into a feed
or position. Pull out the appropriate paper tray and "rock" the feed
C104 head from left to right several times. Push the paper tray back
in and close the copier doors. If the code persists, enter P 73
and press the <START> button. If this fails, turn the machine
off, and turn it back on again. If neither of these two actions
will clear the code, call for Service. You should still be able
to run copies from the other tray.
- E091 These codes may occur singly or in groups; they are "processor jam
E092 codes," and they mean there is an obstruction in the paper path
E094 or a failed component. Be sure to thoroughly check all the areas
E095 indicated on the copier screen when you get one of these codes;
E096 sometimes the paper or object causing the jam is very hard to see
E097 and if you cannot find the cause, see if the jam condition occurs from
E098 both trays; if it does, then you won't be able to use the copier.
E099 However, it may be that you can run jobs from the other tray than
E100 the one you were using until Service can respond. **MAKE SURE
THE FUSER AREA IS PROPERLY LATCHED**
- E117 This is another "processor code." If you get this code, it is
important note whether single-sided or two-sided copies are being
made. If it happens only on two-sided jobs, then use the copier
for single-sided jobs until Service can respond.
- E131 There is no toner, or the toner supply is low. Add a toner
or cartridge to the machine. Turn the machine off, then turn it
E134 back on. **DO NOT CALL SERVICE.**
- H031 These codes indicate fuser faults. H031 means the fuser has gone
or over-temperature; H033 is a switching fault. In either case,
H033 check for paper wrapped around the heat roller (orange roller) in
the area. Turn the machine off. Wait for 15 minutes. Remove any
repaper, and turn the machine back on. "Fuser wraps" most often
occur when copying small documents with the cover raised, or
documents that have black borders, or large areas of black in
the center. Use "copy lighter" when copying the latter two. If these
occasions fix the problem, there is no need to call Service.
Use "copy lighter" when copying the
- H133 The "toner control patch" is too light. This code can occur if
the machine runs out of dry ink (toner). Check to see if there is
ink in the cartridge. If not, then replace the empty cartridge
with a full one, turn the machine off, then back on. When the
copier is run again, it will at first give an "ADJUSTING COPY
QUALITY" message. If the H133 recurs, call for Service.
