THE WHITE HOUSE

WASHINGTON

August 20, 1990

Dear Mrs. DeLeon,

Thank you for your recent letter to the White House regarding Special Assistant to the President Doug Wead.

Over the years Doug has been a valuable member of the President's team and has served him faithfully. For several months, however, Doug has been discussing with a variety of people, and specifically with me, his decision to leave his White House position to pursue other avenues. During that period of time, several options were presented to Doug and discussed.

A short time ago, a mutual decision was made that Doug would end his tenure here as of September 1. Both Doug and others here recognize that there have been rumors and innuendos regarding his decision to leave. None of these have any basis in truth.

The President has named Ms. Lee Ann Metzger as Special Assistant to the President for Public Liaison. Lee Ann shares your values and concerns. You will find that she brings a wealth of experience to the job and will be a valuable addition to our team.

Thank you again for taking the time to write and share your thoughts with us.

Sincerely,

Andrew H. Card, Jr.

Dear Mr. President

I want to express my disappointment in your firing of Doug Weed who has stood for the Christian values that this country was founded on.

Also I would like to say that you're giving way too much recognition to homosexuals. Please don't even recognize them.

Thank you for your time.

Dear Mr. President,

I am writing to strongly protest the firing of Doug Wead. He was one of the few that was able to represent the concerns of millions of conservative voters in this country on issues such as abortion, homosexuals, and traditional family values.

Mr. President, with all due respect sir, I believe that you are not well served by those who advise you to go against the broad base of conservatives who had the confidence in you to put you in office. Pandering to the homosexuals by inviting their leaders to White House functions, bowing to those who are pro-abortion among Republicans, and caving in to liberal calls for more taxes can only lead to one certain outcome-- the Republican party from coast to coast will be a sinking ship because conservative Americans will cease to believe that anyone really represents them and the liberals to whom you bow will not vote for you and never will.

Wake up Mr. President -- be the standard bearer of basic American values -- not the dupe of the liberal Benedict Arnolds who betray America.

Sincerely,
Glenn Wise

Dear President Bush -

I've just read that you allowed Doug Wead to be fired. I can't believe it!

If, incredibly, this note got through your staff to you, I'd want to tell you that here is one constituent that's grieved over this matter. You should replace Kilberg with Wead. To trash such a loyal servant as Doug Wead in favor of Kilberg seriously undermines my confidence in you and your staff. Please reverse this decision.

DEAR MR. PRESIDENT:

RE: DOUG WEED'S DISMISSAL:

I JUST WANTED YOUR OFFICE TO KNOW OF
MY DISAPPROVAL OF THE DISMISSAL OF DOUG WEED.
PLEASE DONT SEND ME A FORM LETTER STATING
THAT HE QUIT AND WAS NOT FIRED. IT IS
RATHER APPARENT THAT HE IS GONE DUE TO
PRESSURE ... PRESSURE AS A RESULT OF HIS
STAND AGAINST HOMOSEXUALITY. IT'S TOO BAD MOST
LEADERS DO NOT HAVE THE GUTS TO SPEAK OUT AGAINST
HOMOSEXUALITY, A PERVENSE AND WICKED BEHAVIOR
(WHILE LOVING THE PERSON AS CHRIST DID).

"FOR THE WAGES OF SIN IS DEATH, BUT THE FREE GIFT OF
GOD IS ETERNAL LIFE IN CHRIST JESUS OUR LORD."

(ROMANS 6:23)

MAY GOD BE WITH YOU DURING THIS IRAQ
CRISIS AND GUIDE YOU IN EVERY DECISION. MAY
HE ALSO GUIDE YOU IN DOMESTIC ISSUES SUCH AS
ABORTION, HOMOSEXUALITY, AND PORNOGRAPHY.

IN HIS NAME,

Ron Henson, O. D.

P.S. WHEN YOU MEET OUR MAKER, HE WILL NOT ASK
WHAT KIND OF PRESIDENT YOU'VE BEEN, BUT WHAT
KIND OF CHRISTIAN YOU'VE BEEN.

A sinner's prayer:

Dear Lord,

I thank you for the freedom I have in this country, but I confess my heart is still in bondage.

I ask forgiveness for my sin, my rebellion against You and Your Word.

Please come into my heart and life, set me free, and make me the person You created me to be. Be my Savior and my Lord. Amen.

FREEDOM!

God bless America!

These words are on the lips of millions of Americans as the Statue of Liberty is rededicated in a celebration sure to catch the breath of an entire nation.

And God has blessed America.

Despite this country's drift from her Judeo-Christian beginnings, America still enjoys great blessing and freedom.

And the statue is her symbol - her symbol of liberty!

But there is another symbol of liberty.

This symbol reaches far beyond the shores of this nation. Its influence reaches into countries and cultures throughout the world.

It is the cross. And it is at the cross of Jesus Christ where untold numbers of people - black, white, red, yellow, male, female, poor, wealthy, young and old - have come for two thousand years, to be set free!

Free from the power of sin. **Free** from frustration and despair. **Free** to be truly and fully human. **Free** to worship the living God in spirit and in truth!

As America gathers at the site of a giant lady to celebrate her freedom, why not accept this invitation to come to the cross of Jesus Christ and the empty tomb, to receive real freedom and certain peace? Real freedom exists only in a personal relationship with Jesus Christ, the Savior and Lord, of the Bible.

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in Him, should not perish, but have everlasting life."

John 3:16

"Jesus saith unto him, I am the way, the truth, and the life; no man cometh unto the Father, but by me."

John 14:6

"If the Son, therefore, shall make you free, ye shall be free indeed."

John 8:36

has eternal life" (John 3:36).

That rich young man sensed his need, but he was unwilling to renounce the gods of possessions, pride, and position, and turn to the Savior.

Please don't be like him. No amount of money or success can substitute for eternal life. It's impossible to get to heaven through the eye of a needle. But it is possible through believing in Jesus Christ who is the only way.

Jesus plainly said, "I am the way and the truth and the life. No one comes to the Father except through Me" (John 14:6).

Be sure you don't miss out!

HOW HARD IT IS FOR THOSE WHO TRUST IN RICHES TO ENTER THE
IT IS EASIER FOR A CAMEL TO GO THROUGH THE EYE OF A NEEDLE THAN
THEN WHO IN THE WORLD CAN BE SAVED? WITHOUT GOD IT IS UTTERLY

KINGDOM OF GOD.
FOR A RICH MAN TO ENTER THE KINGDOM OF GOD...
IMPOSSIBLE, BUT WITH GOD EVERYTHING IS POSSIBLE.
FROM MARK 10:24-27

Through
the Eye of
A Needle

e was young. Probably early twenties. The majority of his life lay ahead of him.

He was wealthy, extremely so. Unlike most who spend years accumulating wealth, he already had his.

He was influential. Already he sat with the governing body of his people.

He was moral. Not many could say that they had kept the commandments all their lives. He said he did.

But deep down this rich young leader knew he lacked the greatest treasure anyone could have—eternal life. Recognizing in Jesus a supreme goodness he himself did not possess, this young man asked the Lord what he had to do to gain eternal life (Matthew 19:16-26).

When Jesus told him to keep the commandments, he replied that he had. But Jesus knew that this was not completely true, for the man had failed to keep the commandment to love his neighbor as himself.

Proof? He had not been generous with all that wealth. Money meant more to him than eternal life, earthly treasure more than heavenly treasure.

So, unwilling to admit his self-centeredness, he turned and walked away.

From a heart filled with disappointment and love, Jesus remarked to His disciples how difficult it is for wealthy people to enter the kingdom of God (v. 23).

How difficult, Lord? As difficult as a camel going through the eye of a needle.

A camel? The largest animal in Palestine in those days, humps sticking up and neck lifted high and haughty above the crowd.

A sewing needle? Small, very small. The eye of that needle. Even smaller.

How ludicrous. A camel trying to squeeze through the eye of a needle. That's how difficult it is for those who trust in money even to think about eternal life.

Why so, Lord? Because possessions make us comfortable. Money focuses our eyes on this world, not on the one to come. Being able to have what we want deceives us into thinking that we have no needs, especially spiritual ones. Success appears to mean God is smiling on us now; so surely He won't keep us out of heaven later.

Is there any hope, Lord? Yes, He says loud and clear. What is impossible for humans to do—gain eternal life on their own—is entirely possible for God to do for us (v. 26).

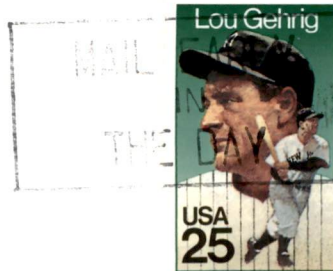

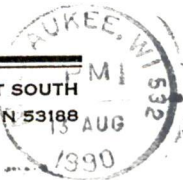

How? By giving His Son to die for our self-centeredness and all our other faults. By paying with the death of Christ the penalty sin requires. By offering to anyone who will receive it the gift of eternal life.

The Bible says, "Christ died for sins once for all, the righteous for the unrighteous, to bring you to God" (1 Peter 3:18).

The result? "Whoever believes in the Son

Dear President Bush,

I am writing about the Firing of R. Douglas Weed.
(on Doug Weed).

This was a very wrong doing in my opinion. He was just stating an opinion that most Americans across the lands also agree with.

How can he be fired, but the Congressman or Senator in Massachusetts gets caught with a Boy Porno ring out of his Town home & he is a Known Homosexual & all he gets is a slap on the wrist!

Where is the Justice here?

Everyone is talking & the Bill is trying to be past for Equal Rights, well, to equally settle this matter the Massachusetts person Barry Frank needs to have the same thing happen to him.

I know that Doug Weed will & is in the Cards hands, but don't you think that he needs an apology.

my best regards to you & Mrs Bush. also you are in our prayers.

My dear Mr. President:

I have just read of the firing of Doug Weed, your advisor. I am at a loss to understand what is going on in the White House. I voted for you because of your fine Christian character, and your outspoken stand for righteous government.

Recently you invited a group of homosexuals to the White House to witness the signing of a Bill that would certainly be in their favor. Nothing good for this nation will come from this. Isn't sodomy against the laws of this great land?

Please, Mr. President, I hope you will do all in your power to reinstate Mr. Weed a fine Christian man. You certainly need his kind of advice. I do not know him personally, but know of his character and ability to steer you right in your many decisions.

Dear President Bush:

My husband and I have just learned from the radio that you have fired Doug Wead from his liason position. We are very disappointed in this decision you made.

We realize that you are under great pressure from many groups- especially those groups who favor homosexuality and lesbian rights.

Our family has had the opportunity to meet and listen to Doug Wead's teachings on more than one occassion. The question that occurs to us is would you rather have Doug Wead teaching and influencing people of all races, religions or a homosexual who is living a life style that is cursed in the BIBLE and definitely outside God's moral plan for us?

Your decision to fire Doug Wead, an evangelical, leads us to wonder what other concessions you will feel pressured to make.

Please do not ask for any further monetary help as we will not be there for you. We have supported you in the past but we feel that because of this situation we can no longer send you our hard earned money.

Sincerely,

Dear President Bush,

I know you were placed in office by election of the people, but I also know + feel it was an election of a Higher call than the people.

I was delighted to learn a few weeks back that you had such a man as Doug Mears at your right hand. I felt, we as Christians, had an entrance + voice by this God placed man.

I was devastated to learn yesterday that He had been fired. Mr. President what is this coming to & do we not play a roll

at all in our Country? Our government? Our first voice I felt good about, and we are kicked & I know it is principalities + powers in high places that is ruling + they should be brought down -

I ask you to take a look at this situation + attack the enemy & Doug should be restored to his rightful position.

May the Lord overshadow in all your undertakings & giving you wisdom, guidance, direction + protection in this hour. You are always in my prayers.

Love + Prayers to you

Dear President Bush:-

I have been very pleased with the decisions and appointments you have made in your term of office, and with your commitment to the Christian principles upon which our nation was founded. Dear President Bush,

Due to the recent event that has taken place (the firing of Doug Wead) is the reason that I am writing to you.

Doug Wead seems to have been a loyal friend and servant of yours for many years. He was instrumental, in my opinion, of gathering and encouraging the evangelical christians, an estimated 50 million, to vote for you in the 1988 election. In fact if it wasn't for people like Doug Wead I personally would not have voted for you even though I grew up and still live in your old Congressional District in Houston.

It was very discouraging to hear that you had fired Doug Wead because of his vocal opinion about the red carpet treatment that a certain special interest group received at the White House. If I am not mistaken this same group, an estimated 1 million, would like nothing better than to see you out of office and will work hard to see your defeat in 1992.

My prayers are with you,

Dear Mr. Bush,

I strongly protest your firing of Mr. Doug Weed. To fire this man because he did not support the administration's overtures toward the homosexual community is disgusting!

Mr. President, we elected you because you said you stood for traditional family values, because you said you were a follower of Jesus and would uphold Godly behavior.

Please, rehire Mr. Weed. Please stop courting the left-wing liberals. Please, please stop bow-towing to the 1% of the U.S. that is homosexual. Take a stand for truth + righteousness! Stop abortion, control the N.E.A., don't sign any ABC type bill. Homosexuals + AIDS people aren't minorities!

Dear Mr. President,

I am both shocked and disgusted by your recent firing of Doug Weed. I voted for the former president and you because you implied you supported pro family issues and Evangelical Christian values. However by firing Doug Weed you have given the ~~the~~ Evangelical Christian Community a slap in the face. We (the conservative evangelical community) are the ones who made the difference in getting you elected. We as a community will remember your latest anti family and anti Christian decisions regarding giving legitimacy to the homosexual community when election time comes around.

I strongly urge you to reconsider the firing of Doug Weed and reinstate him to his former position and influence.

Please realize and consider - and tell your fellow Republicans - that the largest voting block in America (the conservative Christian Evangelical community) is keeping records / tabs on your pro family and pro morality decisions and it will show at the voting booths!
