Dear Sam:

Not having had the temerity to send this invitation to the President, you may wish to think about the potential for his honoring his chief of law enforcement by attending. I am not informing any press of this little event, but you may wish to do so if the President finds it in his interest to attend. I leave this entirely in your ballpark as just an amateur's suggestion. We would, however, love to see you and Honey.

WASHINGTON, D.C.

THE HOUSE REPUBLICAN LEADER

June 3, 1992

The Honorable Samuel K. Skinner
Chief of Staff
The White House
Washington, D. C. 20500

Dear Sam:

As the Leader of our beleaguered forces in the House of Representatives, I have to do everything I possibly can to help our challengers raise money to unseat incumbent Democrats and increase our numbers in the House.

We're holding a fund-raising reception for The Leader's Fund on Thursday, June 25, 5:30 PM - 7:30, at the Capitol Hill Club and would certainly appreciate it if you could stop by to lend your support to the effort.

There's no doubt about it, we're going to have the biggest Freshman class this coming year since the early days of the 1930's and obviously we want most of them, or preferably all, to be Republicans. We have an opportunity to really make significant gains and conceivably win the House for the first time in thirty-eight years.

I hope you'll circle the date and make a special effort to stop by for whatever period of time you can spend with us.

Sincerely yours,
