United States Senate

WASHINGTON, DC 20510

May 1, 1989

The Honorable John Sununu
Chief of Staff
The White House
Washington, D.C. 20500

Dear John:

Thanks for your phone call at home last week indicating I would have a letter in my office later today indicating the President will veto an attempt to codify the Fairness Doctrine.

I guarantee we have enough votes to sustain the veto. See the last letter that I sent to Fred McClure on this subject specifying which Senators will be with us, which ones are shaky and which ones we'll lose. With the President's letter available now firmly signaling a veto, my guess is that if the bill was brought up at all to codify the Fairness Doctrine we'll have 35 to 40 votes against, assuming there are 100 votes present.

Sincerely,

BOB PACKWOOD

PS - Wrote this Monday A.M., May 1.
It did not go out till May 2. The
promised letter had not yet arrived.
Hope there is no problem.

Dear John:

After I returned from Washington last week, I had a call from Ralph Marlatt, President of the Insurance Federation of Minnesota. I used to work closely with Ralph when I was in the State Senate and, since then, he and his members have always been very supportive of political efforts that I have been involved with.

Ralph has annually led a trip to Washington of his Executive Committee and is scheduled to do so again this year in late June. On March 1st, he wrote Bobbi Kilberg about the trip and asked if an economic briefing for his group could be arranged in the White House on the morning of the 22nd, with the possibility that the President could greet them.

He has yet to hear from Bobbi. So I am writing now only to encourage an affirmative response because, as I have mentioned to you on several occasions, we need all the help that the Bush administration can give us in Minnesota if we are to elect a Republican governor and/or a majority in the Legislature in 1990.

For your convenience, I am enclosing a copy of Ralph's letter to Ms Kilberg, along with the members of the Executive Committee. I know a number of them very well and they have been very good supporters of both the President and Independent-Republican candidates in Minnesota for many years. Thus, anything that you can do to strengthen their commitment to our Republican efforts in Washington or Minnesota will be greatly appreciated.

Dear Governor:

On behalf of the Exchange Board and our European and Japan Advisory Committees, thank you again for your valuable contribution to the success of our Washington meeting. Many of our members came a great distance for this occasion, and your participation at our dinner certainly made those efforts worthwhile.

Your overview of Administration policy initiatives gave our members a valuable and timely perspective to take back to their own respective constituencies. I should add that the candor of your message to our trading partners about the President's resolve on free but fair trade will be especially remembered.

We are all fortunate to have someone of your considerable talents in such a key role, and I hope you will call on the Exchange whenever you feel we may be helpful. Joyce and I particularly enjoyed our time together with you, and we would look forward to an opportunity to have you and Mrs. Sununu as our guests at the Exchange.

Warm regards,

P.S. - I enjoyed chatting with you very much and know what it is like to be busy and deeply appreciate your taking the time to be with us. - JJP

Dear Governor Sununu:

A few weeks ago in Union, New Jersey you were good enough to take a teacher's camera and photograph several students with the President. Enclosed is a copy of your handiwork for your interest.

It was gracious of the President to allow the photograph to be taken, especially when he was pressed for time. It was equally nice of you to take the camera and shoot the picture.

Please know that you made a number of students and teachers very happy. You also gave the caterer a welcome memorabilia (the guy in the red tie, far left).

Dear Governor Sununu:

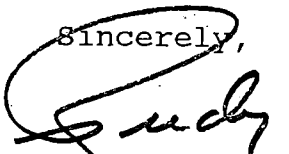

Thank you very much for your invitation to attend the Rose Garden Ceremony for the National Teacher of the Year. Both Lola and I enjoyed it very much. It was a beautiful day to enjoy the garden atmosphere of the White House.

In addition, I especially want to commend two members of your staff, Lanny Griffith and Steve Gibson, who made my trip to the White House one of the most enjoyable I've ever had in all the years I've served as Governor. I appreciated their attention to all details of the visit. I was so pleased with their help that I wanted to let you know and to thank them for their good work.

Also, I appreciate your taking the time to meet with members of the Alliance Board on the issue of acid rain. I enjoyed our conversation on prospects on passing an acid rain bill this year. Again, I and other members of the Alliance Board are ready to work with you and the President on getting a strong bill through the Congress. If we can be of any help to you in this effort, please do not hesitate to call on us.

Again, it was a pleasure to talk with you and to see you are doing so well.

Sincerely,

Honorable John Sununu

The White House
Washington DC 20500

Dear Mr. Sununu:

I would like to express my strongest support for Susan Fertig-Dykes as a candidate for any of several positions at the deputy assistant secretary or equivalent level for which she is being considered in the Bush Administration. It is my understanding that she is interviewing with Department of Labor (for Deputy Undersecretary for Labor Management Relations and Cooperative Programs), with USAID (for Deputy Assistant Administrator for External Affairs or for Director of Women in Development), with Department of Veterans Affairs (for Deputy Assistant Secretary for Planning and Management Analysis), with USIA (for any of the Director positions open to political appointment. She is also interested in the Peace Corps but has not interviewed there.

Susan is a loyal conservative who has worked hard both at the national level, for George Bush, and at the local level, for George Bush, for me, and for other Virginia Republicans. She is on record as a George Bush supporter since 1979 when he first announced for the Presidency.

During the recent campaign she traveled twice by bus to New Hampshire to help with the primary, in addition to committing herself as a max donor.

Susan has been an active volunteer with The Conservative Network for several years, attends C-PAC, was a state chairman for Citizens for America until 1987, and contributes to a number of conservative causes. I recommend Susan Fertig-Dykes without reservation, and I ask for your enthusiastic support and personal attention to this matter.

Sincerely,

Stan Parris
Member of Congress

My dear Governor Sununu:

For sometime all of the Fabian Socialists in our midst have been accusing our great President of wanting to "take care of the rich" while "ignoring the poor."

On April 19, Senate Majority Leader George Mitchell made the incredible comment that "the President ought to show as much concern for the poor as he does for the rich," this remark following the President's very proper and sound renewed belief that reduction in capital gains taxes would result in stimulation of the economy.

Anyone knowing anything about the world of business and economics in general would accept completely the President's statement and sound posture.

What is incredible to me, Governor Sununu, is that no one in the Administration has assigned an individual or a group to make a study of stock ownership in the United States. It does not take a rocket scientist to find out that all those owners of AT&T stock are not millionaires. They are little people, by and large, as are the shareholders of Standard of Indiana, Tribune Company, Procter & Gamble and most other firms.

It seems to me it would not take a great deal of work for someone at the Department of the Treasury to check into this matter and come forth with some statistics which would not only answer the demagoguery on Capitol Hill but enlighten the general public as well.

Los Angeles, California 213/277-9399

The Honorable John H. Sununu
April 24, 1989

I attended on Tuesday, April 18, the Annual Meeting of Tribune Company, Chicago, a firm with which I have been affiliated for the past forty-eight years. Let me assure you, Governor, that most of those in attendance were "little people," financially speaking. Scores of them were our own people, many of them union members, and they are just as interested in what President Bush is proposing as is somebody from the Rockefeller family.

Governor, I feel if we tell our story better, with research at our command, this is a victory we can record.

Warmest wishes, and please know how grateful I am for and comforted by your presence at the side of our great President.

Respectfully yours,

Dear Mr. Sununu:

I am writing to let you know how outraged I am at the recent capricious and arbitrary decision made by EPA Administrator William Reilly regarding the Two Forks permit. That a person could overlook the dedicated work of scores of public officials, the meticulous work of hundreds of scientists and technicians and nearly \$40 million dollars is indeed outrageous.

Two Forks is needed to ensure Denver and Colorado's growth. If Two Forks is not built Denver cannot continue to provide sufficient water to the suburbs, and has already threatened to cut off water for future growth.

Loyal Colorado Republican activists and donors who worked hard and dug deep into their pocketbooks to elect President Bush feel betrayed by his EPA Administrator. If Reilly is successful in killing this project these activists and donors will be much less willing to help win our open U.S. Senate seat in 1990. Although Colorado Republicans worked hard for President Bush, EPA Administrator William Reilly is undercutting that Republican base.

I hope that something be done to stop this hysterical decision-maker before this Colorado project comes to an unfortunate conclusion.

Sincerely,

The Honorable John Sununu
Chief of Staff
The White House

Dear John Sununu:

You as a former elected official and I as a current elected official both know how important it is to prove to people the crucial difference that having Republicans in office can make. Unfortunately, the newly appointed head of the Environmental Protection Agency, William Reilly, is taking major steps to prove to the people of Colorado that it makes no difference whether a Democrat or Republican is in the White House. His ill informed, biased, unlawful decision to cheat the people of Colorado out of \$40 million and due process proceedings has struck a devastating blow not only to the environment of Colorado, but also to Republican philosophy in this state.

Less than a month ago, he ordered his regional administrator to veto the Two Forks water project permit. This project was not a federal project. It was a project that would be paid for by funds of the people of Colorado to provide themselves water utility supplies. He ignored the pleas of Republican opinion leaders and Republican elected representatives in making this decision. Instead, he listened to Democrats and environmentalists who have never voted for Republicans in this state.

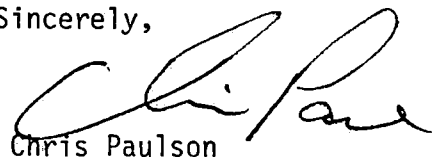

Just as the Seabrook plant in your home state was bankrupted by unwarranted federal interference, the Two Forks permit decision threatens to bankrupt Colorado's environment for the sake of political expediency. Every environmental requirement was met by the people of metropolitan Denver in order to preserve the environment should the project go ahead. Rather, it is a fundamental principal of state and local authority verses an intrusive federal bureaucracy. Unfortunately, we in Colorado are convinced that a Dukakis administration could have moved no quicker than Mr. Reilly to block a project misunderstood in the East as some kind of federal water project.

The Honorable John Sununu
Page Two
April 20, 1989

It is time to have the Republican administration quit listening to the Democrats and the people who would focus all power in Washington. This country cannot progress with every utility decision made for the entire country in an office in Washington. I urge you to fulfill your campaign pledge to let local levels of government do their job and not to interfere from Washington with local decisions. If Mr. Reilly chooses to focus on the environmental facts, this permit will issue. I urge you to order the EPA to focus on environmental facts rather than intrusive, dogmatic policies focused by Democrats.

The time is short and Colorado needs a fair hearing. If this project is vetoed or postponed, then more environmental damage will occur, not less. Thank you for your prompt attention to this matter.

Sincerely,

Dear Mr. Sununu:

The issue of Two Forks for Colorado is an issue of economic development and growth. I strongly believe decisions affecting the future of our state should be decided locally.

The mitigation for any environmental impact is tremendous - about \$90 million, and in addition, \$40 million has already been spent on EIS studies. This financial commitment cannot be ignored, and in fact, leaves these communities unable to afford further statements or plans.

Two Forks is supported by our Governor, the Army Corps of Engineers, Colorado Division of Wildlife, Colorado Health Department, U. S. Fish and Wildlife, and Nebraska Game and Parks Department.

Though my district is not in the Denver-Metro area, the people of Colorado Springs will be affected by the impact to growth, the damage to agriculture in Colorado and the loss of economic expansion.

This is a political issue, Mr. Sununu. We feel President Bush should not separate himself from this decision, but should respond to those who supported him in Colorado. Have him remember those who worked for his election. It is Senator Tim Wirth, Representative Pat Schroeder, Representative David Skaggs, and Representative Ben Campbell who are cheering William Reilly's decision.

We need your voice to help us change this decision.

Sincerely,

Honorable John Sununu
Chief of Staff for the President
THE WHITE HOUSE
20500 Washington, D.C.

April 12, 1989

Dear Mr. Sununu;

we were told by our mutual friend, Frank Stella, that President George Bush will be visiting Rome towards the end of the month of May. The entire Franciscan world would be most happy should the President decide to visit Assisi during this trip and we, the Franciscan friars of Assisi, would be most happy to host him here.

A visit to Assisi by President Bush would undoubtedly have great relevance on all work being done in the name of peace since the city of St. Francis is known throughout the world as "city of peace". In fact, all major world-wide religious leaders came to Assisi with Pope John Paul II (October 27, 1986) to pray God for peace and be at the same time a living sign of peace and promise.

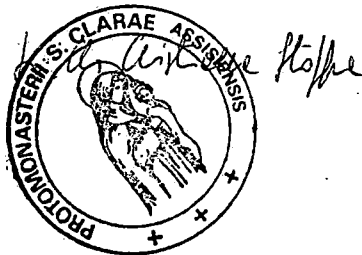

The Franciscans would like to deliver their peace message to the President in the edification of a society-of-peace based on reciprocal respect and trust.

We are faithful that your answer will be affirmative, especially after having considered the necessity (and validity for the image of the United States and of its President) of such a visit and point of contact with the Franciscan friars.

If for any reason the President cannot come to Assisi, the we would appreciate it if he could receive the delegates that have signed this letter, during his stay in Rome.

The Honorable John Sununu
Chief of Staff
The White House
Washington, D.C.

Dear Mr. Sununu,

Inasmuch as I supported your three gubernatorial campaigns here in the Granite State, perhaps you might enlighten me as to the President's current thinking on the gun issue. It seems to me, that he has done a complete reversal from his previous convictions.

"Federal licensing, gun registration, background checks, **or a ban on firearms** to name a few, would only restrict the rights of the law-abiding, leaving criminals free to commit crimes with illegal weapons . . . Every law-abiding American has, according to the Constitution, a right to own a firearm . . . men and women proud to stand on their own two feet and never willing to sell their freedom to a self-indulgent bureaucracy . . . **that's why I have' always opposed federal gun registration and licensing of gun owners.**" Bush campaign letter dtd September 2, 1988.

As of late, the President is giving Howard Metzenbaum, Sara Brady, Ted Kennedy and all the other gun control advocates, all the ammunition they need. If I had wanted some sort of gun control, I certainly would have voted for Stanley (Dukakis).

"... the right of the people to keep and bear Arms, shall not be infringed."

ENOUGH IS ENOUGH !

... leave our Second Amendment rights alone !

We here back home are extremely proud to have you sitting beside the President, don't let those Beltway insiders get to you. Thank you for your consideration of my concerns on this issue, and may I please hear from you at your earliest convenience.

Sincerely,

James A. Powers

REQUEST : Mr. Robert Klingebiel, son-in-law of Sophia and Pat Patsalis, be selected by the Social Security Administration as an Administrative Law Judge and assigned to Manchester, NH.

REASONS : The Manchester office has 4 judge positions -- one judge retires in July 1989 and another judge is 81 years old and is planning to leave this year.

The Social Security Administration plans to hire 25 to 50 new judges this summer.

Mr. Klingebiel is a highly qualified candidate to become one of those judges and has been the senior attorney in the Manchester office since 1975. He has an excellent record of service.

Mr. Klingebiel and his wife (Marcia Patsalis) and both of their families have lived in the Manchester area for many years. It would be a personal loss and hardship for them to be assigned outside Manchester.

The judges, other professionals and non-professional support staff in Manchester work very well with Mr. Klingebiel and support his assignment to Manchester.

The White House

Dear John:

I am writing to ask you a very personal favor; but, a favor in behalf of a most worthy and merciful cause. On Tuesday, June 27, 1989, at the J. W. Marriott Hotel in Washington, D.C., I will serve as Dinner Chairman for a dinner in behalf of the new Afghan Children's Hospital to be opened next year in Jalalabad, Afghanistan, to treat the many children who have been injured, even maimed in the tragic fighting in that wartorn country.

It is my great hope that you will serve as an Honorary Co-Chairman of this event. We would like to enlist a distinguished cadre of Honorary Co-Chairmen to underscore the importance of this effort and the compassion we all feel for these little ones.

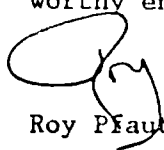

Many of us have known Miss Russty Rawding during her service in the Reagan/Bush Administration. She was at White House Personnel and then a key member of John Herrington's team. Russty will be leaving Washington to serve as Managing Director of the new hospital working with Medical Director Dr. Paktiss. In talking with leaders in our own Agency for International Development, I find they share in my feeling of happiness that Russty is taking on this dimension of human service.

Obviously, it takes more than good wishes to bring such a project to fruition. Accordingly, we hope to realize at least \$100,000 clear from the Benefit on June 27. I am happy to report that the expenses for the evening have been underwritten by a generous grant from the American Medical Association through the interest of their Executive Vice President, James H. Sammons, M. D. I am equally happy to report to you that a number of friends have matched my own financial commitment so that we are over halfway towards our goal before even starting our dinner invitations!

To make the evening a resounding success and emphasize reaching out to these children in the name of America's traditional concern and love, I hope we will have your participation on the Committee. The only involvement from you is that, if at all possible, you join us for the Benefit Dinner on June 27. The evening will include a brief "musical production."

and Nancy

Again, I hope you will join with me as an Honorary Co-Chairman of this effort in which, from our many points of view and politics, we join together in the spirit of what the Washington political community can do when our hearts are in support of a worthy endeavor. Thank you for your consideration!

Dear John:

The President must receive thousands of letters like the one attached, but on the other hand, I do know that he has always had a very good staff that does respond to them very appropriately. So because I was asked by a good friend and supporter of the President's, John Driscoll, for a reply, I am writing you now.

Of further interest, Gardner White, who never escaped from the President's plane, was actually the gunnery officer on the carrier and just riding on this particular mission for the experience in place of the rear gunner.

Further, the President on his return from that tour, immediately did call on the White family and has always received very strong support from Gardner's sister, Barbara Bemis.

I give you the above information so possibly, as the father of this young boy asks, the letter can be found in the mail-bag and appropriately acknowledged.

Sally and I are coming to the Eagles meeting on April 10th. Hopefully, we will see you then. In the meantime, very best wishes.

Sincerely,

Dear President Bush:

I am a senior at St. Paul Academy and Summit School in St. Paul, Minnesota. I will be graduating this June.

One of the alumni of my school was Lt. (J.G.) William Gardner White, USNR, Class of 1936. As you know, he died in the Pacific in the plane crash which you survived.

All of our alumni and my class would be pleased if you would honor the memory of Lt. (J.G.) White by speaking at our commencement exercises at 5:00 P.M. on June 8, 1989.

I know you have a busy schedule, but I hope you can take time from it to give our commencement address.

I look forward to your reply.

Dear Mr. Sununu:

We are writing as a follow-up to discussions already commenced between our office and yours requesting a meeting which we would like to have with you and Chase Untermeyer as soon as it can be scheduled.

Our purpose in requesting this meeting is to learn the status and also reconvey our support for the more than 30 candidates we have endorsed and forwarded for positions in the Bush Administration. We are proud of the quality of those who have applied. We believe an important role for us as a national advocacy group for Italian Americans is to provide these candidates with a progress report. We also expect to forward additional candidates for other positions throughout the Bush Administration.

We would like to add our full support for those appointments which have been made to the Administration involving Americans of Italian descent. We hope for the ability to continue our dialogue with this meeting.

With every best wish, we remain

Sincerely,

Dear Mr. Sununu:

I was pleased to hear from Skip Kendall that he had delivered our letter of February 20, 1989, asking you to consider being the Featured Speaker at our Annual Convention on November 6, 1989, in Boston.

Your participation at this convention would be very well received by our member agents and would add considerably to the quality of the meeting. The rest of the convention program is now in order and it promises to be one of the most exciting ones we've ever had. We are quite sure that our attendance will exceed 2,000.

I am very much aware of the demands of your schedule, and I realize how difficult it is to make plans far in advance; however, I would appreciate your consideration of our invitation as soon as is convenient.

My dear Governor Sununu:

It was very kind of you, indeed, to have received me in your offices on Monday morning.

May I submit to you the following matter, for your consideration, which concerns me personally:

President Reagan appointed me a member of the Christopher Columbus Quincentenary Jubilee Commission, to serve at the President's pleasure. I have only been appointed as of April 12, 1988 and already I am Vice Chairman of the Foreign Relations Committee of the Commission, about to be placed on the Executive Committee, and I have just organized the Advisory Committee provided by this law, which we call the Columbus Jubilee Council. This Advisory Committee is meant to help us tremendously in the fund raising efforts, as well as general promotion of the purposes for which the Commission was created. As this Commission is not of a permanent nature, but just to coordinate the celebrations of the Quincentenary, I think it is very important to have continuity in what we have started. As far as I am concerned, I would be very grateful to my new country, the United States of America, if I were allowed to continue serving it in my present capacity, until our work has been completed by 1992 or so. If it is at all possible, I would be very much obliged to you if you could help me in this matter by renewing my membership in the Commission.

With warmest wishes and kindest personal regards,

Yours sincerely,

My dear Governor Sununu:

Following our brief meeting of last Monday morning, hereby* my thoughts about celebrating the 30th Anniversary of His Eminence Archbishop Iakovos: As you know, The Greek Orthodox Archbishop of North and South America is not only the spiritual leader of over 3 million Greeks in the Western hemisphere; due to historic reasons - the fall of Constantinople in 1453 and the Greek Patriarch of Constantinople becoming as of that moment, the ethnic leader of all Greeks in the Turkish Empire, which role, by delegation, was assumed by the Greek Archbishop in the Western hemisphere - it gives him a very particular position in this country. Additionally, he is now by far the senior prelate of any major faith in the United States - 30 years. In fact, it was primarily due to Archbishop Iakovos' personality that he became the President of the World Council of Churches decades ago and that he raised the profile of the Greek Orthodox Church in the Western hemisphere to its present role as a major faith. In view of the precedent of the 20th Anniversary celebration in 1979 I would respectfully submit for your consideration the following:

A. If it is possible, to hold an official dinner in the White House to honor His Eminence. In this connection kindly note that a group of Greek Orthodox would be glad to provide the financial means for such a dinner.

B. Similar to 1979, on another date a big reception could be held at the White House, where hundreds of Greek Americans could be invited from all over the country, to share thus in the honor bestowed upon their leader.

The Hon. John H. Sununu

- 2 -

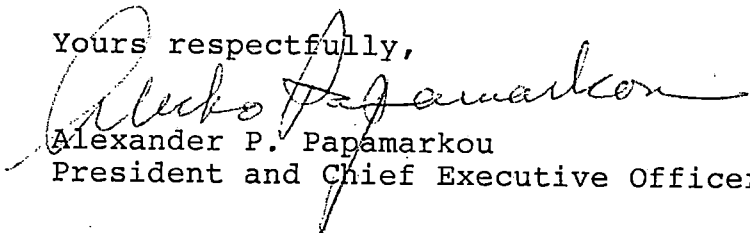

March 23, 1989

Incidentally, this is not a bad precedent for other ethnic groups, showing thereby the great concern of the Bush Administration for all Americans, regardless of ethnicity. As a registered Republican, who not only voted for and supported (within my financial capabilities) the President and having worked for and admired his uncle Herbie Walker (1963-1965), alongside Jonathan Bush, I feel it would be most salutary for the present Administration to appear to embrace the Greek American community, in view of the ethnic origin of the President's Democratic opponent last year.

The dates applicable are, at the President's convenience, any time between the 3rd of April 1989 and the 31st of March 1990.

Looking very much forward to your thoughts on this and once more with my thanks for your warm reception and my best wishes for every success in your immense task,

Yours respectfully,

Alexander P. Papamarkou

The Honorable John Sununu
Chief of Staff
The White House
1600 Pennsylvania Avenue N. W.
Washington, D. C. 20500

Dear Governor Sununu,

I guess I should have given up hope by now that I would receive any response from my letters, but this experience has raised my curiosity as to how many times a citizen would have to write to get someone's attention in the White House.

It may be that my original purpose for writing is no longer of any consequence, but just in case I'll repeat my request.

I was attempting to get President Bush (or someone who writes for him) to send a personal greetings to the ancestors of Ruth Wilkerson Parish who will be gathering in Fort Worth, Texas on the weekend of April 21-23 to celebrate the 100th anniversary of her birth. There will be about 70 direct descendants and their spouses at the family reunion.

I acknowledge that this is a small and personal affair and in the minds of some people unworthy of presidential attention. I had hoped to persuade you to take care of it as a "friend of a friend." As I explained in my original letter, a copy of which is enclosed, I had the opportunity to meet you on several occasions during the eight years that I served as press secretary to Gov. Lamar Alexander.

I also felt that my years of loyal service to the Republican Party may count for something. Apparently, I was wrong on that assumption, too.

This is the fourth letter I have addressed to you on this subject. The first three have failed to produce any response, and that may be the fate of this one. But I can assure you that I'll continue to write until someone responds.

Your silence not only is a personal disappointment for my admittedly selfish though simple request, but it concerns me that after more than two months into a new administration the White House is either not equipped to handle correspondence or deliberately chooses to ignore a family that is typical of the voters who gave President Bush and his people a chance to lead this nation.

I care too deeply about the future of this country to let my personal peeves drive me into the Democrat Party. I'll continue to work for and support good Republican candidates. But I would be less than honest if I did not tell you that this has affected my feelings about the Bush Administration.

I await your reply.

Respectfully

John M. Parish

Dear Governor Sununu:

I am at least glad Manhattan, inc. published my letter in their April edition.

Did you ever get a chance to read my book, Civilian Control Versus Military Rule? (See Forbes magazine review attached.) You might recall that we discussed it during inaugural week at the Washington Hilton.

If I am right, then there is nothing more important than to get the Goldwater-Nichols Bill changed.

All the best.

Sincerely,

Robert Previdi

Dear John:

After writing the enclosed letter, I realized that I may never have acknowledged and thanked you for your letter of December 30th about a position for Dave Jennings. Now, in case you have not been brought up-to-date, let me briefly report what has happened in our state.

First, the State Chairman, Tony Trimble, quit, publicly blaming me for his departure, although it was actually our two U S Senators who had urged him not to run for re-election next June. Then again our U S Senators, State Chairwoman, and a number of major contributors persuaded Dave to accept the Chairmanship here in Minnesota. The good news is that he did, was elected unanimously, and presided over the annual Century Club dinner where Vice President Quayle spoke. It was a standing room only affair, the bank debt was paid off and there is a unity of effort among the Republican leaders in Minnesota that I have not seen for years.

So thanks again for your willingness to help Dave find a position in Washington, but hopefully, Dave will not be looking for another job until after the 1990 elections.

Again with all best wishes.

Sincerely,

March 23, 1989

The Honorable John Sununu
The White House
Washington, D.C. 20500

Dear Mr. Sununu:

I would like to sit down with you to discuss the current situation with firearms.

Gun Owners of America has a distinctive point of view that you should consider before the Administration takes any additional initiatives regarding gun control. We think that innovative initiatives to work with the people in aiding the police are overdue.

I am enclosing a precis of my views which ran recently in USA Today.

Please let me hear from you about when I can meet with you.

Sincerely,

Lawrence D. Pratt
