Dear John:

I'm writing to put in a good word for Marshall L. Matz, who is being seriously considered for a position on the Board of Directors of the Legal Services Corporation. Marshall is a neighbor of mine in McLean and someone with whom I worked with closely on nutrition issues in my capacity as Ranking Republican on the Nutrition Subcommittee.

Among the enclosed is a copy of a letter I sent to Chase Untermeyer regarding Marshall last month. As you can see, I think very highly of him, but if I can provide any further information on his behalf, please give me a call.

Sincerely,

Rudy Boschwitz

if enacted into law, would greatly endanger this voluntary sector by subjecting it to pervasive, intrusive and needless governmental control. Worse, H.R. 3 also denies parents who choose religious child care for their children equality of benefits with parents who choose secular child care.

In urging that you vote against the foregoing bills, we do not at all desire that you neglect parents who need child care services. Sound child care measures were placed before Congress in 1988. These measures (a) would afford effective help to parents and families, as opposed to bureaucracies, (b) would not impose massive centralized, Swedish-type governmental controls upon child care activities, and (c) would not deny religious and parental rights by penalizing parents who choose religious child care.

A bill that carries out these positive principles is the amendment offered by Rep. Stenholm. It would expand the earned income tax credit (EITC) and significantly increase new funding for child care services through Title XX. It meets all of the three criteria above mentioned.

We shall deeply appreciate your response to this letter, and the assurance that you will seek legislation meeting these criteria.

Very truly yours,

Rev. Virgil C. Blum, S.J.
President

Chairman

December 19, 1989

The Honorable John H. Sununu
Chief of Staff to the President
The White House
Washington, D.C. 20500

Dear Governor Sununu:

On November 1, I wrote to you on behalf of Mr. Gary Lavine, who was at that time a candidate for appointment by the President to the Council of the Administrative Conference of the United States.

Unfortunately, Gary did not receive that appointment. However, I am now informed that he is being considered for a position on the President's Commission on Executive Exchange.

As I mentioned in my previous correspondence, Gary is an outstanding individual who has been a key leader in the Republican Party in New York State.

I am pleased to recommend him for the appointment he currently seeks.

As always, Governor, thank you for your consideration. Best wishes for a happy holiday season to you and your family.

Warm regards,

J. Patrick Barrett

The Honorable John Sununu

Washington, D.C. 20500

Dear Mr. Sununu:

As per our conversation this morning, I am forwarding to you a copy of my letter to Attorney General Thornburgh regarding the vacancy on the Fourth Circuit United States Court of Appeals.

Since the Court composition includes only two Marylanders, it is very important to me personally that our representation not be cut to one member to increase another state to three when Judge Harrison Winter takes senior status on December 31.

We in Maryland worked very hard to carry our state for George Bush in 1988. The appointment of a Marylander to this prestigious post would send a strong message as we enter the 1990 election cycle and look down the road to the President's re-election in 1992: Support for George Bush and the Republican party and philosophy does not go unnoticed.

Thank you in advance for any assistance you may be able to render in this matter.

With best holiday wishes to you and your family, I remain

Sincerely,

Helen Delich Bentley

I happened to hear your Press Club address on Public Radio today. It was a masterful job and proves once again how correct President Bush was in his selection, and how generally incorrect the "static" from D.C. can be.

All the best wishes in the coming year. I pray it will be one of continued peace and good health for you and yours.

December 8, 1989

The Honorable John Sununu

Dear Governor Sununu:

Many of the business, agricultural, and humanitarian leaders of Iowa are interested in how they can become involved in assisting Eastern Europe. At this point, I felt that it was inappropriate to send an official delegation from Iowa. However, I have asked one of Iowa's top agricultural experts, Varel Bailey, to lead a private sector delegation to explore the possibility of building humanitarian and commercial ties.

On January 4, 1990, we will be conducting a briefing in Des Moines for the members of the delegation and other interested parties. Up-to-date information is essential to the success of this initiative. I need your help to arrange for an Assistant, or Deputy Assistant Secretary on East European Affairs from the State Department to provide a presentation during this briefing.

Your assistance will be greatly appreciated and will help ensure the success of this initiative. Please have your staff contact Phillip Stanhope of my staff to follow up.

Sincerely,

Dear Governor Sununu:

The aviation community and the traveling public lost a true friend and accomplished colleague when National Transportation Safety Board Member Joe Nall was killed in an aircraft accident several weeks ago. We at AOPA were deeply saddened by his death and will greatly miss his important contributions to aviation safety.

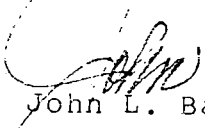

The loss of Joe leaves vacant his seat as an NTSB member, a particularly important position given the general malaise and disruption that the Board has suffered from over the past months. As such, we also think that it is imperative that a new member be appointed in a timely fashion to serve the remainder of Joe's term.

It is my understanding that Kenneth Peppard, Joe's able Special Assistant since 1986 and a highly qualified aviation expert, is interested in serving out Joe's term on the Board. Ken is extremely knowledgeable in aviation safety and transportation issues, and his diversity of experience at NTSB make him well-qualified for the position. Ken has an extensive background with the Federal Aviation Administration, and as a pilot and safety expert would be a welcome and needed addition to the Board.

I am enclosing a copy of his biography for your information and hope that you will give every consideration to nominating Ken to serve Joe's term at NTSB. It is essential that the Board be fully staffed, and with knowledgeable experts such as Ken. I hope the Administration will not delay in filling this important position.

As always, I appreciate your interest and support of aviation issues. I wish you and your family the best for this holiday season, and a happy and healthy New Year.

Sincerely,

John L. Baker

Dear Governor:

It was good to learn that you recently presided at a dinner for Judge Bork. I strove to have the judge receive a favorable vote at the hands of the Senate Judiciary Committee. That failure was due to Howard Baker and my testimony and stay work.

I call your attention to the letter that David Klimages wrote to Senator Arlen Specter (R-Pa.) supporting Judge Bork. It is a strong letter, and while Senator Specter voted against Judge Bork, the letter of David H. Klimages stands as a forthright appeal whose logic cannot be faulted.

Mr. Klimages, if nothing else proved he is a good Republican. On that basis, fair play would dictate that knowing of his desire to meet with the President, that you

You are aware of this request since Nov 22, 1988, a letter dated Nov 2, 1989, from David Klinger asking for a meeting, a Mailgram to Richard Breden whom you assigned to meet with David Klinger and several letters from me urging you and pleading with you to schedule a meeting with the President.

Dear Mr. Sinemus,

Enclosed is a candid shot I took of your wife at the close of the Lower Cape Cod Women's Republican Club luncheon last November at Bishop's Terrace Restaurant in W. Norwich, MA.

She had kindly substituted for Nancy Bush Ellis who was ill. Your wife was terrific and everyone enjoyed her speech so much!

Thank you for outstanding contributions you & your family do for our Republican party.

Mr. John H. Sununu
Chief of Staff
to the President
The White House
1600 Pennsylvania Ave., N.W.
Washington, D.C. 20500

Dear John,

Further to our conversation on lobster, I would make the following points respecting national treatment and the environment.

On national treatment, while a ban on so-called undersized lobsters would meet a theoretical national treatment test (since U.S. lobster fishermen are prohibited from marketing lobsters of the same size), this is exactly the kind of measure which provoked U.S. retaliation against the European Community. In this case, the EC imposed a ban on the production and sale of hormone-containing meat, thereby eliminating a profitable U.S. market. The ban meets the national treatment requirement since neither EC producers nor exporters to the EC can sell hormone-containing meat in the EC. Our position on lobster is identical to your position on meat. Simply meeting the letter of the national treatment test -- with no scientific justification -- does not entitle the United States to eliminate almost \$30 million of existing Canadian exports.

On the environment, the facts are that Canada maintains a highly effective conservation programme that sustains a steady supply for a growing industry. Canada employs a range of management tools, including controls on size, the number of traps and lobstermen and the length of seasons. I would note that the United States relies on just one tool, the size standard. Furthermore, Canadian catches of big or small lobsters do not affect U.S. lobster stocks in any way. It is not credible to argue that either Canadian lobster catches or sales in

the United States reduce the lobster harvest for U.S. fishermen.

As I mentioned to you on the phone, the heart of the problem is that there are too many lobsters chasing too few customers. It is not a problem of conservation.

Yours sincerely,

The purpose of this letter is to express our very strong support for the renomination of Dr. John Lauber for another term with the National Transportation Safety Board.

During his tenure, Dr. Lauber has provided the Board with an extremely high level of knowledge and expertise -- the much needed attributes to discharge the important duties of his office. In addition to fulfilling his professional responsibilities, he has communicated and related well with the general public, and the various constituencies that have a special interest in his work.

We encourage you to take the necessary steps to assist Dr. Lauber's renomination for another term with the National Transportation Safety Board. Please don't hesitate to contact us if there is anything further we can do to help facilitate the process.

Dear Mr. Sununu:

The Washington Workshops Congressional Seminar, now in its 22nd year, provides the nation's finest young people with a forum to meet leaders at the highest level of the Federal Government--those who in large part are responsible for shaping our future.

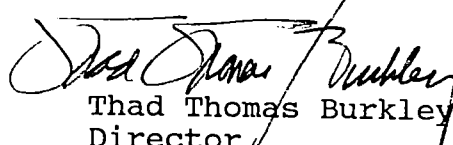

As the world stirs with the hope of new possibilities, it is more essential than ever that the youth of our country have the opportunity to talk with government leaders, and express their goals and aspirations for our nation. To this end, I would like to invite you to address a group of these students on an informal basis during our 1990 Congressional Seminars.

My colleague, Ms. Jane Knecht, will be happy to work with your appointments secretary in planning any details that are appropriate. For the convenience of your staff, our seminar sessions are as follows: January 21-27, March 4-10, April 1-7, April 22-28, June 17-23 and June 24-30.

Surely, many of our current government leaders can point to a moment in their early lives when through the words of another, they found the inspiration to serve our nation. I believe this is in part why President Bush has supported our efforts for the last eight years as a member of our National Advisory Council. I hope you will look upon this as a unique opportunity to communicate your ideas and inspire these future leaders.

Many thanks for considering this invitation. Our best wishes to you for continued success in the New Year.

Sincerely,

Thad Thomas Burkley
Director
Congressional Seminar

Dear John:

I hope the upcoming holidays find you, Nancy and all the Sununu's in great spirit and Nina and I send you Best Wishes for the Holidays.

John, I am writing as a follow up to a letter you received from Ambassador Henry L. Kimelman on the consideration of William Lamimer Mellon, Jr. as a candidate for the Medal of Freedom.

While there is a family connection here, Mr. Mellon was Nina's great uncle, I would like to ask that he be given every consideration as I truly believe he was an outstanding citizen and a fine example of what this country of ours is all about.

Through the years my work in the Foundation has put me in contact with his work at Deschanelles and the Haitian people. Coming from his background and deciding what to do with his life at midlife and then accomplishing so much is truly remarkable. His legacy will continue, but I believe his nation should single him out as he really was a great American!

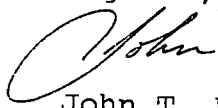

I know you have received background material already so I will close hoping you will see that Mr. Mellon's credentials are investigated fully.

I am taking this opportunity to write to you concerning the Department of Justice's nominee to the United States Court of Appeals, Eighth Circuit. As you know, the Department is presently considering possible nominees to the Appeals Court.

I would like to recommend Mr. James B. Loken, Esq. of Minneapolis, Minnesota, for this position. I have attached a copy of his resume for your review. You will note that he has served as a law clerk for the Honorable J. Edward Lumbard, then Chief Judge for the United States Court of Appeals for the Second Circuit. On the heels of that experience, he served as a law clerk to the Honorable Byron R. White, Associate Justice for the United States Supreme Court. For the last 17 years, he has been a practicing lawyer, and partner, in the law firm of Faegre and Benson serving in the business litigation group.

It is my feeling that Mr. Loken would bring to the Eighth United States Circuit Court of Appeals the appropriate blend of practical litigation experience as well as an academic judicial background. In addition, Mr. Loken is active in his community and the development of public policy.

I urge you to consider Mr. Loken for this position.

Very truly yours,

Duane Benson

AMERICAN LIBRARY ASSOCIATION

50 EAST HURON STREET • CHICAGO, ILLINOIS 60611 • (312) 944-6780

November 29, 1989

Mr. John Sununu
Chief of Staff to the President
The White House
1600 Pennsylvania Avenue, N.W.
Washington, D.C. 20500

Dear Mr. Sununu:

The American Library Association is deeply concerned about the implications of a proposed executive order, requested by Senator Armstrong, banning the sale of Playboy magazine and other items of so-called pornography from military exchange facilities and from all federal government controlled stores and "outlets." The latter definition is so broad that it appears it could be applied to libraries. A similar request to President Reagan was properly rejected a year ago on constitutional grounds.

The American Library Association becomes gravely concerned when the federal government is tempted to utilize its power to illegally restrict the free flow of constitutionally protected speech in any public forum. Playboy has never been found legally obscene in any jurisdiction, and the American Library Association supported legal action brought by the American Council of the Blind to prohibit the exclusion of the braille edition of Playboy from the Library of Congress' Talking Books program.

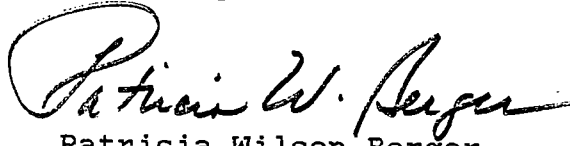

To suggest that limiting the access of service men and women to a popular, widely accepted magazine is necessary to "protect minors" distorts the function and use of military exchange facilities. Armed forces personnel are not children and there are less burdensome and constitutional means available for members of the military to guide and control their own children's choices in the marketplace than those contemplated here.

The proposed executive order, however, would not only encroach on the constitutional rights of millions of Americans, it also would set a truly frightening precedent of federal content-based restrictions on protected speech. Prior attempts

on the part of over-zealous politicians and federal officials to target this magazine have been repeatedly and properly rebuffed by the courts. The language of Senator Armstrong's proposal suggests that his targets may be even broader than Playboy.

On behalf of the American Library Association, I urge that President Bush, like President Reagan before him, carefully consider this matter and reject the proposed executive order. It is unnecessary, unconstitutional, and unwise.

Sincerely,

A handwritten signature in cursive script, reading "Patricia W. Berger". The signature is written in dark ink and is positioned above the printed name and title.

Subject: Freedom and Unions

Sir

Is it true that no one can attend a press conference at the White House or in Congress UNLESS he/she is member of the right union?

Is it true that federal workers are protected from union pressures by the Hatch act? If so, why are there moves to reform it or repeal it?

Is it true that President Bush has nominated D. Rodgers, a labor lobbyist to the NLRB?

Is it true that assistance to Poland was substantially reduced by the AFL/CIO insisting on union labor?

Now, frankly, who is governing this country?

Respectfully Yours

Dear Mr. President:

Our Union represents over 50,000 postal employees and 500,000 federal associate members.

I am writing to you as National President of the National Postal Mail Handlers Union to ask your support of H.R. 3629, a bill that would "Extend the Authority of the Secretary of Commerce to Conduct the Quarterly Financial Report Program under Section 91 of Title 13, United States Code through September 30, 1993."

This legislation is important to the continued growth and financial stability of the U.S. Postal Service by increasing its borrowing authority over the next two fiscal years.

Without your support of H.R. 3629, the Postal Service cannot maintain a capital improvement program that would enable it to service the growing needs of the American public and provide a safe, efficient workplace for our membership.

Thank you for your consideration of this critical piece of legislation.

Dear Mr. Sumner,

In my capacity as a member of the Board of Directors of a not-for-profit hospital, a past president of the hospital auxiliary and Director of Volunteers for the hospital, I urge you to resist any further attempts to cut Medicare payments to the hospitals.

The hospitals have done their share in containing costs with real growth in hospital spending held to about 2% while salaries, food, fuel, utilities and supplies have risen twice as fast as Medicare payments increases.

In 1988 hospitals in New Hampshire experienced a \$60 million Medicare shortfall. Hospitals provided \$7.2 billion in uncompensated care in this country in 1987 and it is still climbing. Our patients are older, sicker and poorer requiring more care than ever before. These policies are short changing the very people Medicare was set up to protect. There comes a point when we can no longer supply the care expected and deserved by the community. Who will take care of these people?

As a business man you surely know that no business can survive under these circumstances.

I urge you to use your influence to see that the government keeps its promise to provide quality health care for the nation's elderly and disabled. Please work to ensure that Medicare is adequately funded.

Yours truly,
Oren Blum

Dear Governor Sununu:

In a November 17, 1989, meeting with a number of Administration officials, I was told that the President's Clean Air Act Amendment did not include any further sulfur dioxide emission controls on industrial boilers and processes for the following reasons:

1. Emission reductions from these sources would not be cost-effective. Some reductions would cost as much as \$2,000 to \$3,000 per ton of SO₂ reduction. Cost-effectiveness is a primary goal of the President's acid rain control measure.

2. Further regulations on these sources would be administratively problematic. The sources are extremely varied and the inventory data is unreliable making a confident estimate of reductions impossible.

3. These sources will "do their fair share for clean air" by complying with the nonattainment and the air toxics provisions. It was also acknowledged that these industrial sources will shoulder the bulk of the electric rate increases caused by electric utility compliance with the acid rain control measure.

As you are aware, a number of draft proposals to amend the President's acid rain title are being discussed. Some of these proposals include SO₂ emission controls on industrial boilers and processes. It was indicated at this meeting that the Administration would apply the same reasoning and oppose any attempt to include further controls on industrial sources.

I feel that it would be very helpful to the negotiating process for the Members to receive a clarification of the Administration's views on this issue. Though Congress is officially in recess until January 23, 1990, meetings and discussions will be held throughout the interim period.

The Honorable John H. Sununu

Receipt of the Administration's views at the earliest date
would facilitate meaningful progress towards agreement on an
acid rain control measure for which can all be proud.

Dear Mr. *John* Sununu:

I am writing to express deep disappointment that the Administration did not oppose the trade restriction on the import of live lobsters contained in bill HR 1668, passed by Congress on November 20. This provision, which cannot be justified on conservation grounds, is a violation of the United States' FTA and GATT obligations.

As you recall, President Bush raised U.S. concerns on lobsters with Prime Minister Mulroney during their meeting at Kennebunkport. The action by Congress ignores the commitment the Prime Minister made to the President to work for a cooperative solution. When the bill was introduced into Congress, the Canadian objections were set out in a diplomatic note, dated October 6, delivered to the Department of State. No reply has been received. On November 17, consultations at the level of officials took place in Washington, under the auspices of the FTA, and no indication that the Administration would oppose the bill was forthcoming. In 1988, the Administration firmly opposed attempts to impose a similar trade restriction as part of the FTA Implementation Act. We had every reasonable expectation that the Administration would do the same on this occasion.

I can only underline that the adoption of such a trade-restrictive measure in the first year of implementation of the FTA would be economically and politically damaging in both countries. As you know, we are currently at an impasse in our efforts to resolve the salmon and herring dispute. The action by Congress on

lobsters can only exacerbate this already highly-charged situation on fisheries with potentially grave consequences for the FTA. The lobster issue, however, can and should be managed. I would urge that the HR 1668 be vetoed and that we cooperate to this end.

Yours sincerely,

Dear Mr. Sununu:

Nothing is more important than the health of the citizens of our nation.

However, because of Medicare short falls many of our nation's hospitals have failed and closed their doors, and many more are being threatened with closure.

Medicare projections for 1990 and 1991 are potentially disastrous.

Adequate Medicare funding has to have a number one priority in our budget.

I am a Trustee of the Exeter Hospital. I am gravely concerned.

I hope you will do everything you can to assure that full Medicare funding is provided in the budget.

On another note, I congratulate you on the terrific job you are doing as Chief of Staff.

Very truly yours,

UNITED STATES
FEDERAL SERVICE IMPASSES PANEL

500 C STREET SW.
WASHINGTON, DC 20424

Office of the Chairman

November 1, 1989

The Honorable John Sununu.
Chief of Staff to the President
The White House
Washington, D. C.

My dear Mr. Sununu:

I am in receipt of a copy of the letter, sent to you on October 25th of this year by Mr. Tom Ellis, in which he recommends to you the reappointment of Mr. Thomas Farr as a member of the Federal Service Impasses Panel of which I am the Chairman.

I wanted you to know that I heartily endorse this recommendation by Mr. Ellis. Tom is a fine young man and has done an excellent job as a member of the panel these past five years.

I would also like to recommend to you the reappointment of Ms Jean McKelvey, whose term expires at the same time as Mr. Farr's term. I have communicated my position to the staff member of the Office of Presidential Personnel. Ms McKelvey is the former Dean of the School of Industrial Relations at Cornell University and is a person of nationwide prestige in the area of industrial dispute resolution. Her presence on the Panel has been most helpful in getting acceptance of our decisions and our guidance to parties who come to the Panel for assistance.

The manner in which this agency functions can have a considerable bearing on the manner in which the bureaucracy functions in the handling of the responsibilities and duties of government. I took the position of Chairman at the request of President Reagan at the time that John Herrington was Director of the Office of White House Personnel. Bonnie Newman handled much

of the detail and is familiar with our objectives at the time. I was not available for a full time position, because of my family obligations would not permit me to move to Washington.

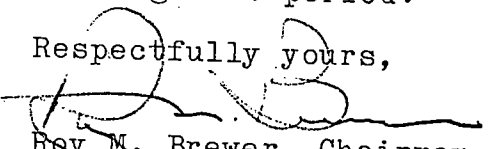

The Panel members are not full time employees. They are paid on a daily basis when they actually sit on the Panel meetings or when they are doing other duties connected with their membership on the panel. In recent months we have assigned Panel members to cases in their geographical areas to hold informal conferences in an effort to effect a voluntary agreement and upon occasion to serve as fact finders and in some cases as arbiters. It has been very effective as we have been increased the number of settlements by agreement, thereby avoiding the necessity of issuing a formal Decision and Order.

Page #2

The present Panel has worked very well together and I think we have succeeded to a considerable extent in stabilizing the collective bargaining process in the Federal Sector. I would like to keep present Panel intact for the remainder of my term if possible. My term will expire on Jan 10, 1993.

I would like very much to discuss with you the function of the Panel and the problems inherent in the entire collective bargain system as I see them. I am aware of the tremendous demands upon your time but if you could grant me a few minutes at our mutual availability I think it would be fruitful. I will be in Washington on the late after noon of Dec 5th and all day on Dec 6th if you might be available during that period.

Respectfully yours,

Roy M. Brewer, Chairmam
Federal Services Impasses Panel

Dear John,

One politically savvy friend read my memo on our Constitution. He said that it would be discredited on the basis that it promotes a Presidential Dictatorship. I am sure that he is right and that this would be read into it. So I rewrote the end of the memo. It now points out that worrying about a Presidential Dictatorship is "barking up the wrong tree". We already have a Dictatorship. It is lodged in the hands of the entrenched majority of Democrats in Congress. It will take popular education to spread this fact and a strong President to correct this.

President Bush is being criticized for the mishandling of the Panama "coup". I wonder if this demerit could be turned into an asset. This could be done by pointing out that this is the unavoidable result of the Congressional encroachment on the Presidential powers and by having the President demanding and taking control over the executive functions.

With my best regards,

Dear John,

The last time we talked was the evening of your first election victory to the Governor's Office, November, 1982. Regretfully, I could not participate in your second campaign as in July, 1983 I was sworn in as an FBI Special Agent.

I am writing to you on behalf of the FBI Agents Association. Briefly, HR 215 addresses an overtime pay issue which would assist all FBI agents but more specifically, would help retain the senior Grade 13 Agents who are now receiving overtime at a Grade 10 level.

This may be the least of significant issues facing President Bush and yourself however, I am told that HR 215 is in danger of "stalling in Committee" and that the Administration's support for this bill may provide the necessary "momentum" that is needed to pass this legislation in the House.

The Senate version was passed in Senator Dole's Drug Bill.

Ed Bethune, former Republican Representative from Arkansas, and former FBI Agent, has discussed the issue in depth with Bobbie Kilberg and Constance Newman.

I appreciate any and all support and assistance that you and the President can provide.

Sincerely,

CHARLES E. BEAUDOIN

MEMORANDUM FOR JOHN SUNUNU

FROM: LARRY BATHGATE *CEB*
SUBJECT: PRESIDENTIAL GALA LEADERSHIP MEETINGS

Per our conversation, I'd like to outline our requests for a "phone day" meeting with the President in January, and a White House pre-event reception on the day of the Gala (January 29, 1990).

January phone day

Our leadership group consists of 25 top Republican leaders, many of whom you know, who have agreed to take 2 days out of their schedules to come to Washington to phone for prospects. Clearly, a meeting with the President at each day will provide motivation for these men and women to attend these working sessions, and a meeting with the President will also let them know that he will be aware of their efforts to help the national party.

Gala Reception, White House

We have already received confirmation for the first phone day of December 12 at 3:45 p.m. and would like confirmation of a second date in the first or second week of January.

Secondly, we would like to have a White House reception in the late morning (11:00 - 12:00) on January 29 to reward those members of the leadership committee who performed well. We would also like to include the stars who will perform for President and Mrs. Bush that evening as a thank you for donating their time to the Gala. This event is important as it will incorporate many committee members who may not have participated in the phone day but who rose to the occasion and raised substantial amounts for the RNC.

Many thanks, John for looking into this.

Dear Governor Sununu:

Enclosed please find a letter of invitation to the President inviting him to attend the 100th Anniversary Dinner/Dance of Plumbers Local Union No. 5. on the evening of April 7, 1990.

We hope that the President may be able to attend this event because of its rich historical significance to the union officers and our 1,200 union members in the Washington area.

Like everyone else, we are aware of the extremely heavy demands on the President, both because of his office and his popularity. With this realization, we suggest that if the President is not able to attend for the evening, we would be happy to clear time for him if he is able to drop in for a few minutes and say a few words to the union officers and the members of Plumbers Local Union No. 5.

Thank you for your consideration in connection with this historical event. We look forward to hearing from you.

Sincerely,

Dear Mr. Sununu:

Jeff Vogt, who has been our White House liaison in helping us to plan White House participation in our December 4-5 Annual Meeting and 20th Anniversary, has advised that he is inviting you on our behalf to give the "keynote challenge" to our international membership -- our corporate and government officials.

More precisely, our hope and invitation is for you to present the "challenge for the 1990s" as the concluding remarks at 4:30 p.m., Tuesday afternoon, December 5 in the State Department -- as we envision the kind of global economic community we can hope to build by the year 2000.

Jeff has also arranged discussions Monday afternoon, December 4, in the White House OEOB which will include the Vice President -- as was the case when both you and the Vice President met our Corporate and Government Associates during our OEOB meeting March 13, 1989.

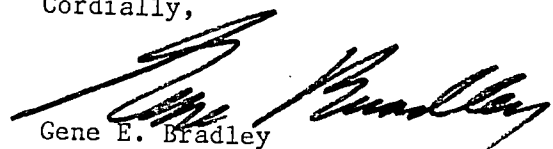

I will be calling you to provide details. But I will give this preliminary point: Without question, this promises to be the most significant event since IMDI was founded 20 years ago. Illustrative of the caliber of participants who will hear your message is the enclosed partial roster of corporate leaders at the CEO/Managing Board level from the two sides of the Atlantic. This participation is by design: We are emphasizing the new Atlantic partnership as we approach "Europe 1992" and work with our Western European allies to maintain a solid economic foundation for working with Eastern Europe (and indeed) the global economic community.

A number of our discussions with the leadership of the Bush Administration, the Congress, and the Federal Reserve Board are conducted in the form of an interview -- a format which we might use on December 5 -- if this would serve your own purposes.

I look forward to our talking on the telephone.

With all best wishes.

Cordially,

Gene E. Bradley
Chairman

Dear Mr. Sununu:

On behalf of the lumber and building material industry in New York and New England, I would like to extend an invitation to yourself or President Bush to be a principal speaker at the 96th Annual Convention of the Northeastern Retail Lumber Association.

This meeting which attracts between ten and twelve thousand people to the Hynes Convention Center in Boston each year, will be held January 12-14, 1990. Specifically, we would like you to be our luncheon speaker on Friday, January 12, 1990 at 12:15 p.m. in the mail ballroom of the Hynes Center.

Our annual convention acts as a bellwether for the building materials and housing industry as to business conditions for the coming year and is recognized by our industry nationwide as one of the most significant meetings of its kind in the country.

Prior speakers at our convention were former Presidents Gerald Ford and Jimmy Carter, former Secretary of State Henry Kissinger, anchor newsmen Peter Jennings and Tom Brokaw and many other prominent leaders in industry and government.

Already speaking at our convention is Mr. Dan Rather on Friday morning, and Mr. Bryant Gumbel on Sunday afternoon.

If you are able to accept our invitation on behalf of yourself or the President, I will be delighted to discuss time schedules and adjust accordingly if possible.

We appreciate your consideration of this request. Our Association represents over 1600 businesses and 50,000 employees including many in New Hampshire.

The Honorable John H. Sununu

The Honorable John H. Sununu
Chief of Staff
The White House
Washington, D.C. 20500

Dear John:

Hospital Corporation of America (HCA) is a well-respected company, which, through wholly owned subsidiary, owns and operates a hospital in Panama. In recent months it has become increasingly difficult for HCA to comply with the regulations implementing our sanctions against the Noreiga regime and they have asked for my assistance in obtaining an exemption from certain provisions of those regulations.

The hospital not only provides a humanitarian service to the Panamanian people, it is also the most sophisticated health care available in Panama to American citizens, military personnel and dependents. Ironically, the hospital's compliance with the regulations has resulted in an economic benefit to the regime. It has also placed the hospital in jeopardy of being taken over by the government, which would not only work an even greater economic benefit to the government but also jeopardize the health care to those Americans remaining in Panama.

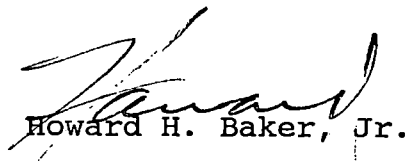

Attached is the application we filed with the Office of Foreign Assets Control seeking the exemption. Although I find the case compelling on the merits, as I hope you do, I am of course aware of the politically sensitive questions involved and that Treasury will seek the views of the White House.

The Honorable John H. Sununu

I would be most grateful for your favorable consideration
of this application.

With very best wishes,

Sincerely,

Howard H. Baker, Jr.

Dear John:

Many conservatives believe it is imperative President Bush raise Nicaragua as a top priority item during his upcoming talks with Mikhail Gorbachey. Though recent events in Europe are certainly encouraging, the continuing flow of hundreds of millions of dollars in military supplies to the Sandinistas is cause for deep concern.

Can I recommend that, in advance of the non-summit, the President convene a delegation of conservatives to confirm his intention to do so? It would mobilize conservative support for his policies in this area. Moreover, it would provide the administration with an excellent forum in which to frame the debate.

If you are in agreement, and would like our assistance, I'd be happy to help.

Sincerely,

Dear John:

Under separate cover, I have mailed you an invitation to join Alice and me for a reception to commemorate the Independence of Lebanon on Wednesday, November 22, 1989 at our Woodfield Country Club in Boca.

We would be honored if you could be there, as your presence would be an inspiration. Besides, you could visit with Mom and Dad, as we are hoping they will also be able to attend.

I would appreciate it greatly if you would ask President Bush to send a message of encouragement that I could read to the more than two hundred Lebanese friends that will be attending.

I look forward to seeing you. With warmest personal regards,

Sincerely,

George E. Barbar

The Honorable John H. Sununu
Chief of Staff to the President

Dear sir:

As a small investor I have been increasingly concerned with the gyrations of the stock market.

In everything I have read or heard about the causes for these dramatic market aberrations there seems to be one major factor at the bottom of the problem. The existence of computer program trading appears to exaggerate market moves upwards or downwards. Most of the time these moves are unrelated to market fundamentals or any other logical reason. They are certainly not good for small investors who can only sit on the sidelines powerless while the large investors manipulate the market.

It is a healthy sign that many large corporations and investment institutions have decided on their own against further use of program trading as part of their investment technique. I hope the investment community as a whole will take a firm and thorough position to eliminate this onerous practice. Hopefully, the voluntary route will be taken by all involved. However, it is important that the federal government leadership and all appropriate agencies take a leadership role in encouraging the dropping of program trading.

Sincerely,

Rodman R. Black
