Office of The President
269-7135

January 2, 1990

The Honorable John H. Sununu
Chief of Staff to the President
The White House
Washington, DC 20500

Dear Mr. Sununu:

I am writing to ask you to lend your distinguished name to the Honorary Committee of a very special event, Providence Hospital's spring gala, "Flights of Fancy". The benefit evening will take place Saturday, March 31, 1990, at the Hyatt Regency on Capitol Hill in Washington, D.C.

Mrs. Louis Boland and Mrs. Bernard Ficarra have graciously agreed to serve as General Co-Chairs for the gala, which will benefit the elderly through renovation of Providence Hospital's 7th floor geriatric care unit. The needs of the elderly are increasing as the population of persons over the age of 60 continues to grow. It is a well-documented fact that the elderly recover faster and better in a pleasant atmosphere which encourages them to move about and to socialize.

As a hospital owned and operated by the Daughters of Charity for 128 years, Providence has a historical and on-going mission to provide the highest quality care to all people, regardless of their ability to pay. In order to ensure that Providence can continue to provide the most up-to-date care for the elderly, we have established a goal of raising \$150,000 through the gala.

Your involvement as a member of the Honorary Committee will be a special testimony of your support for quality care of the elderly and will encourage the strong public support needed to ensure the success of the event. I would appreciate your response by January 10, 1990. Please indicate your acceptance by returning the enclosed card.

Thank you in advance for your support of Providence Hospital.

Sincerely,

Sister Carol Keehan
President

Dear Governor Sununu,

Don Reed, Jay Chiat and I would like to express our deepest thanks for the time you spent with us at the White House on December 12. We have a small idea of the severe time constraints your responsibilities dictate and truly appreciate your consideration for us and your interest in FIRST.

Since our meeting, FIRST has received more corporate support and is continuing to evolve. I will keep you informed of our progress as it occurs. Again, our deepest thanks.

HUMAN RIGHTS IN YUGOSLAVIA

Marija Ann Levic
Executive Director

February 23, 1990

Mr. John Sununu
Chief of Staff
The White House Office
1600 Pennsylvania Avenue, NW
Washington, DC 20050

Dear Mr. Sununu:

We have sent you several letters detailing numerous and proven instances of discrimination, civil rights violations, bias and unprofessionalism at the [redacted] section of the Voice of America. All our recent complaints have been summarized [redacted] by VOA's director Richard Carlson who, as we understand, made specific commitments to Honorable Congressman Dymally several months ago.

We do not know what response Messrs. Richard Carlson and William Hill gave to Honorable Congressman Dymally—if any. However, in light of the summary rejection of even the most obvious discrimination and bias, e.g., the total dominance of Serbians in the section for many decades, the importation recently of two more Serbians directly from Yugoslavia, the recent open support for the civil war in Yugoslavia in VOA's broadcasts, we are very concerned.

Recently an ad was placed in *The Washington Times* by the Croatian National Congress (copy enclosed). The response by VOA's William Hill (who speaks the Serbian language and is infatuated with Serbian ultranationalism) was to give an interview to the Yugoslav press agency, Tanjug (under the direct control of Serbian Stalinist dictator Milosevic; recently out of 47 new hires 46 were Serbians; other republics are considering not participating in financing the Tanjug agency). The interview was published in *NIN*, Milosevic's weekly political bulletin. In it he once again rejects all charges of bias, discrimination and unprofessionalism at the Voice of America and gives full comfort to Serbian ultranationalism in Yugoslavia. This support goes so far that the Voice of America gave support for Milosevic's "March on Democracy" by conducting street interviews with nationalist mob in Beograd. This is an open and direct invitation to and support of the civil war in Yugoslavia.

Mr. Hill's behavior is one of the latest outrages at the Voice of America. At the time that Serbian security forces once again are massacring Kosovo Albanians (estimates are more than 80 demonstrators killed in early February of this year alone), using even the illegal "dum-dum" bullets against a population chanting "Democracy." The dimensions of Serbian ultranationalist terror on Kosovo Albanians are difficult to grasp. A prominent French judge, Mr. Antoine Garapon, member of the oldest human rights organization, International Federation for Human Rights (founded as a result of the Dreyfus Affair), said

ary 23, 1990
Page Two

on return from Yugoslavia and Kosovo province: " There (in Kosovo) the police threatened, for the first time in my career, my life. In such missions I have been in fifteen countries, even in countries where there was civil war, such as Guatemala. In none of them was the situation as horrible as in Kosovo province." There are hundreds of similar accounts (see an eyewitness report by *Unita's* (Italian Communist newspaper) reporter of murders in cold blood of Albanians by Serbian police—completely unprovoked executions in the middle of the day (and streets).

Any discrimination and civil rights violations should be repulsive, especially in institutions of our government, like the Voice of America. However, the problem is far more serious. Yugoslavia, next to Albania, is the last Communist police state in Europe. In Yugoslavia there is a mortal struggle between pluralism and democracy versus Stalinism and bolshevism led by Serbian Stalinist dictator Milosevic. This Yugoslavian Ceausescu conducted massacres of unarmed Kosovo Albanians, who demonstrated against annexation by Serbia in early 1989—a long time before the massacres in China and Romania (more than 300 killed, thousands sentenced, tens of thousands purged). Using ultranationalist demagoguery, dictator Milosevic has threatened Yugoslavia's "unity" to its foundation, has already attacked Yugoslavia's territorial integrity by illegally and forcibly annexing several provinces and by trying to expel the republic of Slovenia from Yugoslavia in order to more easily create that elusive dream, Greater Serbia, in the ruins of federal Yugoslavia. Serbian ultranationalism is rampant. Yet—no change in the behavior of the management at the Voice of America. Its director Carlson brazenly rejects all complaints about the Serbo-Croatian section's open support for Milosevic, it rejects them summarily. His right hand, William Hill, adores Serbia's ultranationalism.

The Yugoslav knot will resolve itself in 1990. It is urgent that the Voice of America immediately cease its support for the Ceausescu-like Serbian dictator—to avoid the large-scale suffering of Yugoslavia's population for several more generations. Its current policy is nothing short of an outrage—even putting aside the obvious case of discrimination against Croats and American Croats.

We urge you to help us—immediately and resolutely. Congress should show the independence and the initiative to prevent this outrage and to minimize the serious prospects for civil war and a bloodbath in Yugoslavia. The brazen support of Stalinism in Yugoslavia by the Voice of America in this critical moment is inexcusable, contrary to U.S. interests and dangerous to the well-being of the population there. Without an immediate and fundamental change at the Serbo-Croatian section it is far better to abolish the section than to allow continuation of its support of Stalinism in Serbia.

Sincerely,

Marija Ann Buić

Honorable John H. Sununu
Chief of Staff

Washington, D.C. 20500

Dear Governor:

Please forgive my presumptive action in sending a copy of this letter to your home, but it is the only way I can be sure it will reach your eyes promptly!

By way of re-introduction, the first time our paths crossed was at a meeting of the Kingston Group at the Free Congress Foundation. At the time, I was operating the American Business Media Council for Mike Valerio - Papa Gino! The next opportunity was at a meeting of the Council for National Policy.

More recently, I have had the pleasure to greet you and your wife at Saint Mark's in Vienna, in my capacity as an usher and a Eucharistic Minister. As one of its founding families 25 years ago, we welcome you to the parish community.

Shortly after taking up your present duties, you were gracious to transmit a letter on my behalf to Chase Untermeyer. Since that time, the term of the Head of this agency expired last April and the recess-appointee Acting Chairman left in November. With five years of on-the-job training, I was able to provide the necessary continuity until the Senate cast its confirmation vote on March 1, 1990 for Edwin G. Foulke, Jr., as a Commissioner. President Bush has designated him to be the new Chairman of the Review Commission.

As with the White House, a new leader here means new members of the "team." Effective the end of this month, I will no longer be on staff at OSHRC. I thank the good Lord for these past five and a half years! While I have given much, I have received much more invaluable experience in public service.

This brings me to the point of this letter. I respectfully request that you read over the enclosed one page resume and determine if I can be of continued service to President Bush, his programs or his staff. His demonstrated leadership has convinced me more than ever that I should continue to use my God given talents in public service, at any reasonable salary level. Your personal assistance would be most appreciated.

Best regards,

Paul M. Lyons

Dear Governor Sununu:

I am writing on behalf of the New Hampshire Association of REALTORS' Convention Committee to extend an invitation to you to be one of our featured speakers at the annual State Convention to be held at Waterville Valley in Campton, New Hampshire, from October 4 through October 7, 1990.

Over the past several years we have scheduled political luncheons at our annual convention, and invited key state and national leaders to address our members. This gives our members an opportunity to more fully understand our political and governmental processes.

In the past we have heard from Congressman Bob Smith, former Congressman and now HUD Secretary Jack Kemp, Kitty Dukakis and Senate Minority Leader Bob Dole. This year we would be honored to have you share your thoughts and observations with us at this important function.

The luncheon at which we would like you to speak will be held on Saturday, October 6, from 12 noon to 1:30 p.m., and we expect that you will have up to forty-five minutes for your presentation and for questions and answers, if you agree to that format.

New Hampshire Senate President Bill Bartlett will also be speaking to our membership on Saturday morning and will be attending the luncheon. We hope you will be able to attend and encourage you to bring Mrs. Sununu and, if possible, to spend the night as our guests.

I look forward to your positive response to our invitation and will be pleased to make whatever arrangements that may be necessary to bring you back home, if only for the weekend.

Sincerely,

Jeannine Lord
President-Elect

Dear John:

Just a note to follow up on our recent conversation about the need for national uniformity in food warnings.

Although I strongly believe in the principles of federalism, in certain matters--and assuring the efficient and predictable marketing of goods in interstate commerce would certainly be one of those--the federal government has the constitutional province to establish national policy. Because the Administration is favorably disposed toward uniform nutrition and health claims information, I would urge you to examine the need to establish uniformity in the third area of food labeling: food warnings. Without such uniformity, states will be free to impose warnings on foods which the federal Food and Drug Administration has determined to be safe. Such an approach would not conflict with state-mandated open-dating, shelf labeling, or kosher food labeling laws, and really should be considered.

I appreciate your interest in this issue.

Sincerely,

Jerry Lewis

Governor John Sununu
Chief of staff to the President

Dear Sir,

It has been a great honor for me to conceive and prepare the menu that was offered to you at the Canadian Ambassador's residence on Wednesday February 21st.

I certainly hope that you did enjoy it.

It would be a special honor for me if you would be so kind to dedicate a photograph and the enclosed menu card.

Thanking you in advance for considering this letter.

I remain,
Respectfully yours,

Dear John:

Seeing you last night on the Brokaw show reminded me of your friendship with Dick Fidler going back to the early 80's and the days of MX/Peacekeeper at GTE and Norden Systems in Nashua. My wife and I have been close friends of Dick and Kate for many years and I thought you would want to know that Dick is gravely ill, having been diagnosed about three weeks ago with cancer of the pancreas which has spread throughout the abdomen. He is at Brigham and Women's Hospital in Boston but is expecting to go home by the end of this week. Although his permanent residence is now in Andover, New Hampshire, he will be at his place at 468 Harvard Road, Stow, Massachusetts 01775, phone (508)-897-2593.

Washington, D.C. 20015

Dear Governor Sununu:

I am writing on behalf of the New Hampshire Association of REALTORS' Convention Committee to extend an invitation to you to be one of our featured speakers at the annual State Convention to be held at Waterville Valley in Campton, New Hampshire, from October 4 through October 7, 1990.

Over the past several years we have scheduled political luncheons at our annual convention, and invited key state and national leaders to address our members. This gives our members an opportunity to more fully understand our political and governmental processes.

In the past we have heard from Congressman Bob Smith, former Congressman and now HUD Secretary Jack Kemp, Kitty Dukakis and Senate Minority Leader Bob Dole. This year we would be honored to have you share your thoughts and observations with us at this important function.

The luncheon at which we would like you to speak will be held on Saturday, October 6, from 12 noon to 1:30 p.m., and we expect that you will have up to forty-five minutes for your presentation and for questions and answers, if you agree to that format.

New Hampshire Senate President Bill ^{Bartlett} ~~Bartlett~~ will also be speaking to our membership on Saturday morning and will be attending the luncheon. We hope you will be able to attend and encourage you to bring Mrs. Sununu and, if possible, to spend the night as our guests.

I look forward to your positive response to our invitation and will be pleased to make whatever arrangements that may be necessary to bring you back home, if only for the weekend.

Sincerely,

Jeannine Lord
President-Elect

Dear John:

During my tenure in Congress I have established a Congressional Conference that I host for my friends and supporters. The Conference consists of a series of briefings given by national leaders to afford my guests the opportunity to meet and exchange ideas on current issues.

I would like to request your participation as an honored guest speaker for the Conference. Your acceptance will ensure the success of the Conference, while affording my guests a very special and informative briefing. Should your schedule permit, I would like you to address the group for approximately half an hour, allowing a few minutes for questions and answers.

Briefings will be scheduled on the afternoon of Thursday, April 26 and on Friday, April 27 between 10:00 and 3:45 p.m. If you are able to participate, please have your office contact Kathy Mee at 225-5792 to schedule the time most convenient for you.

Thank you for your consideration of this request. I sincerely hope you will be able to join me and I look forward to hearing from you!

Sincerely,

Tue, Feb 27, 1990

Dear Governor Sununu:

I hope you have been well. No doubt, recent months have kept you busy. I must tell you that in all of my years with ABC News I have never seen such a current of change in such a short amount of time.

As requested, I am writing to update you on our progress and to respond to your offer of assistance.

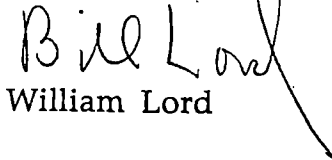

Along with the The '88 Vote, we now have published two other interactive videodiscs along with their allied Macintosh programs; In the Holy Land, an historical and contemporary discussion between Israelis and Palestinians, and Martin Luther King Jr., the civil rights movement in America. In short order we will have finished our disc on AIDS, the first of our new health series. And this week we released our first overseas disc in Japan, Mission: The Moon, which includes highlights from every Mercury, Gemini, and Apollo mission.

We are also in the midst of producing the first of three videodiscs on The Federal System and the Separation of Powers. The Powers of the President will be followed by The Powers of Congress and the Powers of the Supreme Court.

It would be my great pleasure to show you our latest efforts. It would be my hope that the President might have a few moments to view those efforts as well. I would also wish to discuss with you the possibility of enlisting the President's participation in The Powers of the President. In general, we would want his thoughts on presidential power, its source and its limits.

Thank you for your consideration. I will follow this letter with a call to your office next week.

Sincerely,

A handwritten signature in cursive script that reads "Bill Lord". The signature is written in dark ink and is positioned to the right of the typed name "William Lord".

Washington D.C. 20500

Dear Mr. Sununu:

I respectfully write to you as a representative of the more than 600,000 members of Concerned Women for America. We ask that this administration and the Senate halt the practice of submitting the names of potential judicial nominees and information about them to the American Bar Association for evaluation.

The American Bar Association's recent votes endorsing abortion on demand and homosexual rights strip away any lingering facade that the ABA is a neutral professional association of lawyers that can give unbiased evaluations of potential judicial nominees.

The ABA's support of abortion and homosexual rights demonstrates that it is merely a liberal advocacy group with a specific liberal agenda to push through any opportunities it receives. It serves no purpose for Americans nor the federal judiciary for the ABA to scrutinize a potential judge according to the ABA's left-leaning precepts. The judicial nomination process should not be tainted by having potential nominees run the liberal gauntlet of the ABA.

Sincerely yours,

Dear Mr. Sununu:

The National Cattlemen's Association (NCA) will host its Spring Board of Directors Meeting in Washington, D.C. April 25-27, 1990. We are scheduling breakfast speakers for Wednesday, April 25 and Thursday, April 26.

On behalf of NCA, I want to extend an invitation for you to address our 200 member board at one of these meetings. Issues of concern include the farm bill, tax/trade issues, and ethics reform.

I hope this fits your schedule. We look forward to you joining us. Please call Burton Eller or Alan Sobba in our Washington, D.C. office if you have any questions or need further information.

Sincerely,

*John W. Lacey*

Dear Governor:

It has been two years since I last saw you and Nancy in San Jose. It has been great seeing you as the Chief of Staff. I remember when you were introduced by Pete McClosky at the NAAA banquet at the Sunnyvale Hilton; he said, "Can you imagine George Bush becoming President and John Sununu being our Secretary of State?" At that time I thought to myself, "Wouldn't that be beautiful". Now looking at it, Chief of Staff is where the action is.

My family and I are thinking of visiting the Washington D.C. area this summer after school is out. I was wondering if it would be possible to see you in the White House and possibly take a peek into the Oval Office. Please let me know if this would be convenient, and at what time, so that I can schedule it accordingly.

Hope to see you soon.

Very truly yours,

Dear Governor Sununu:

Thank you for championing the concerns of conservative pro-family groups on the child care issue during your recent meeting with Republican House leaders involved in current negotiations. It is my understanding that you articulated a keen knowledge of the need to provide a level playing field in the tax code for all families as well as to ensure that any new grants guarantee the right to vouchers and adequate protection for religious providers. These stipulations are necessary to make good the President's promises not to discriminate against traditional families and to make sure parents maintain the right to choose the child care option that best suits their needs.

In this letter, I would like to reiterate the necessity for adequate protection for religious care in any new Title XX grants for day care. Remaining silent on the religious question will not be enough. Any new grant must not only guarantee the right for parents to choose truly religious care, but also protect these sectarian providers from any burdensome new regulation. Clear language will be needed to undercut liberal efforts in the courts to prohibit even indirect federal assistance to low-income families currently using religious care. Further, silence on this question will leave federal bureaucrats with the option of writing anti-religious regulations in determining grant approval. Finally, if there was ever a time to set an important precedent for a later move toward choice in education through vouchers, that time is now.

Once again, your efforts in support of our values on the child care issue are greatly appreciated. Please let us know when we can be of assistance to you.

Sincerely,

  
Beverly LaHaye

The Honorable John Sununu:  
Chief of Staff  
The White House  
1600 Pennsylvania Avenue  
Washington, D.C.

Dear Mr. Sununu:

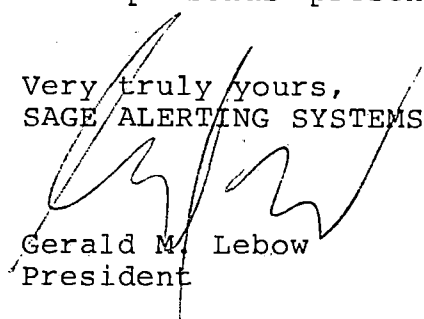

During your term as Governor of New Hampshire, I met you at a presentation regarding the licensing of Seabrook Nuclear Power Station. The presentation dealt with the ARI emergency alerting system.

The technology of the ARI alerting system has been significantly refined since you saw it, and is now fully operational in West Germany, Singapore, Hong Kong and Israel. We are now proposing a similar system called "DART" in the United States for comprehensive emergency alerting, warning and notification to supplement or replace the 40 year old EBS system. We have had numerous discussions and positive interest from FEMA and the FCC regarding this technology as well.

President Bush has been asked to speak at the 1990 National Association of Broadcasters (NAB) Convention Atlanta, GA, March 30 through April 3. If you join President Bush at the convention, we would very much like to show you an on-air demonstration of this revolutionary alerting technology called "DART" which would have a significant impact on protecting, alerting and assisting the U.S. population for national emergencies such as earthquakes, torandos, floods and manmade hazards like nuclear power plants and process chemical facilities.

Please let me know if you will be in Atlanta during the show, so I can arrange a private personal presentation of this very significant technology.

Very truly yours,  
SAGE ALERTING SYSTEMS, INC.

Gerald M. Lebow  
President

/mc

P.S. I am enclosing some material on the DART system, for your reference. The DART system is immediately compatible with every home and car radio and TV receiver in use in the United States today.

February 13, 1990

The Honorable John Sununu  
Chief of Staff to the President  
The White House  
Washington, D.C.

Dear Mr. Sununu,

Senator Kennedy has introduced two bills concerning the reauthorization of Title X (S.110), and the Adolescent Family Life Act or Title XX (S.120). These bills are another attempt by the Senator to promote his family planning philosophy.

Our concerns with S. 110 involve the amending of current Title X language to permit federal funds for abortion counseling, abortifacient research, and the implementation of school-based clinics.

As you know, the Reagan Administration issued regulations in 1988 in an effort to clarify the rules governing Title X funding. The regulations declared that Title X funding must be limited to those programs which do not include abortion as a method of family planning. Abortion counseling and referral are also prohibited. Separate lawsuits have been filed in the District Courts in Denver, Boston and New York challenging the statutory and constitutional basis of the regulations. (The judge dismissed the ACLU lawsuits in New York, but we are awaiting decisions in the other two courts.) We are concerned that S.110 would preempt the findings of the courts.

The Adolescent Family Life Act (AFLA) was enacted to fund programs which promote value-based education. AFLA programs serve a valuable purpose in that they encourage parent-teen communication and emphasize abstaining from sexual involvement as the most effective way of avoiding pregnancy. However, S.120 would merge AFLA under the guiding principles of Title X, and virtually negate the purpose of the program.

We consider these bills to be yet another attempt to promote abortion as a method of family planning, while at the same time enlarging the federal government's financial role. Please urge the President to send a strong veto message on S.110 and S.120 to the Senate. We greatly appreciate his unwavering commitment to protecting the unborn. Thank you for your assistance in this matter.

Sincerely yours,

  
Beverly LaHaye

# 2ND ANNUAL HEARTS OVER WASHINGTON GALA FOR ABUSED CHILDREN

5225 WISCONSIN AVENUE, N.W. • SUITE 603 • WASHINGTON, DC 20015 • (202) 537-5193 or (202) 337-7546

February 12, 1989

*Honorary National Chairman*

Mrs. George Herbert Walker Bush **The Honorable John Sununu  
Chief of Staff to the President**

*Honorary Gala Chairmen*

Hon. William Donald Schaefer **The White House  
1600 Pennsylvania Avenue, NW  
Governor of Maryland Washington, DC 20500**

Hon. Lawrence Douglas Wilder  
Governor of Virginia

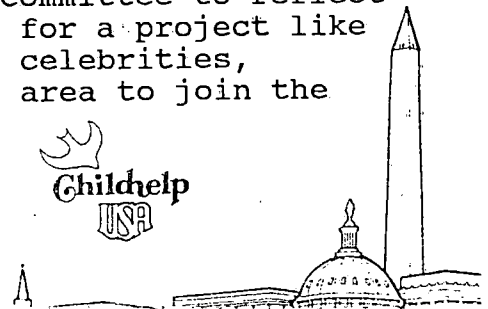

Hon. Walter E. Fauntroy  
Delegate, District of Columbia

**Dear Gov. Sununu:**

On behalf of Childhelp USA, we are pleased to invite you to join the Honorary Gala Committee for the second annual "Hearts Over Washington Gala" on April 18th at the Omni-Shoreham Hotel. Governor Schaefer, Governor Wilder, and Congressman Fauntroy are the Honorary Chairmen of the event, and several Members of Congress and Cabinet Officials have already accepted our invitation to join the Honorary Committee. Committee members' names will be listed on the invitation for the Gala, and we would be honored to list your name as well. This will not involve any obligation on your part, yet will add considerable prestige and credibility to our efforts. Naturally, you will be welcome at the Gala and the VIP reception as our special guest.

Childhelp USA is the oldest and largest organization dedicated to fighting the ravages of child abuse. It operates a well-known national child abuse hotline, conducts educational programs renowned by professionals in the field of fighting child abuse, provides many direct services to the children who have been abused, and has, in its over 30 years of existence, built an impressive reputation for effective advocacy and personal caring.

This year's gala brings particularly important news: Childhelp USA plans to open a "Childhelp Village" right here in our region. Eighty children live in the original village, located in Beaumont, California. A program of homelike residences, multidisciplinary support and plenty of tender, loving care has produced tremendous results there. We are excited at the opportunity to create such resources for our local children -- and ours will be only the second such Village in the country. We want the Honorary Gala Committee to reflect the broad spectrum of support in our region for a project like this. We have invited sports heroes, media celebrities, entertainers, and business leaders from the area to join the committee.

Page two

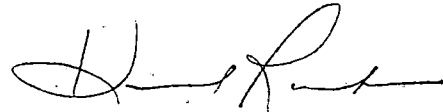

Last year's event was a terrific success -- a lot of fun and truly entertaining. An even bigger event is planned for this year, including Hollywood and local celebrities, two full days of activities with a VIP and sponsor reception on April 17th, and continuing on the 18th with a fabulous dinner and dancing, and even a show (featuring the kids who were the hit of last year's Presidential inaugural celebrations, Kentucky Country).

We do hope that you will join the Honorary Gala Committee, and if your schedule permits, join us on April 17th and/or 18th. It will mean a great deal to us and to the children Childhelp USA serves.

Sincerely,

Sophia Lee

East Coast Region

Honorable John Sununu  
Chief of Staff  
The White House  
Washington, D.C. 20500

Dear John:

It was a pleasure seeing you at the White House prior to the State of the Union. The year ahead promises to be full . . . and most interesting!

With less than four months to the filing date in Florida, it is time to begin focusing my attention on the election and my announced opposition. In preparation for my reelection effort, my finance committee has organized a tentative schedule of fundraising events within my district in south Florida.

They have suggested the necessity of one major fundraising effort in Palm Beach County and are considering either Saturday, April 21, or Sunday, April 22. Having a person of your stature as host would enhance our fundraising effort and certainly contribute to our high dollar goal. The details of time and type of event can be resolved or, alternatives suggested, once we have some indication as to your preference and time constraints.

In addition, I would be happy to accomodate you and your family in any of the many recreational activities Florida has to offer if you could extend your stay.

In my absence, Mary Jane Rose is the contact person and is available to assist in coordinatng the details for this event. She can be reached in Washington at 225-5792.

I would appreciate your personal consideration of this request. It would be an honor and a privilege to be your host in the 12th Congressional District.

Sincerely,

Tom Lewis  
Member of Congress

THE SECRETARY OF THE INTERIOR  
WASHINGTON

February 6, 1990

The Honorable John Sununu  
Chief of Staff  
The White House  
Washington, D.C. 20500

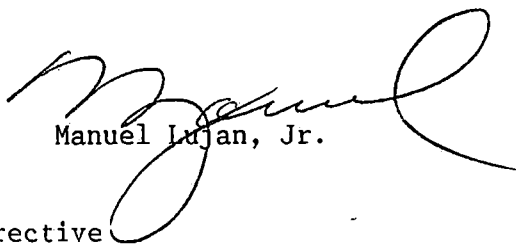

Dear Governor Sununu:

As you suggested during our telephone conversation of Monday, February 5, 1990, this memo will serve to update you on my request concerning INS and The Census.

Several Congressional delegations (among them, New Mexico, Texas and California) have raised concerns that continued high-profile activity by the INS and Border Patrol will destroy census outreach efforts and erode the trust of the Hispanic community. They have suggested that a Presidential directive, or lacking that, an Attorney General directive, such as the one issued in 1980, would be helpful.

Let me know if you need additional information.

Sincerely,

Manuel Lujan, Jr.

CARDINAL'S RESIDENCE

February 5, 1990

Governor John Sununu  
Chief of Staff  
The White House  
1600 Pennsylvania Avenue  
Washington, D.C. 20500

Dear Governor:

Over the past few years, in response to requests presented in the form of lists of names by the United States Catholic Conference, Cardinal O'Connor and myself, the government of Cuba has released some hundreds of political prisoners.

During my last visit and in the context of a discussion about the release of prisoners, President Castro asked assistance concerning the case of two Cuban nationals who are in U.S. Federal Prison for air piracy involving the highjacking of a Delta Airlines flight on September 17, 1980. The names of the prisoners are:

Crescencio Perez Perez  
and Juan Oldeja Fresnedo.

The request was not for their release, but for their transfer to a Cuban prison so that their sentences can be fulfilled in the vicinity of their families.

I seek your assistance in determining whether this might be possible and how I might proceed in obtaining a hearing for the request. It has been suggested to me that since the Cuban government is interested in the repatriation of these two convicts, it might be possible to add their names to those considered under the Mariel Returnee Agreement.

This would, of course, be dependent on a prudent judgement concerning any other factors which may be involved with the two prisoners, and on their own willingness to serve time in a Cuban jail.

As you know, I intend to pay a visit to the Bishops of Cuba on February 18-20, 1990. I would be most appreciative if I could bring some word concerning the case of these prisoners with me at that time.

Ever grateful for your kind assistance, I am,

Sincerely yours in Christ,

CARDINAL'S RESIDENCE  
2101 COMMONWEALTH AVENUE  
BRIGHTON, MASSACHUSETTS 02135

February 5, 1990

Governor John Sununu  
Chief of Staff  
The White House  
Washington, D.C.

Dear Governor Sununu:

As you know, I will be leaving on February 18 to Cuba to visit with Archbishop Ortega and to meet with the Conference of Bishops of Cuba. It had been my hopes to be able to lead a pilgrimage to the Shrine of Our Lady near Santiago, but, as you know, this proved to be an impossibility because of the failure to receive necessary permission from the U.S. Government.

During my visit, it is likely that I will meet with Dr. Carneado, Chief of Religious Affairs of the Central Committee of the Communist Party.

Dr. Carneado has been the contact person for the bishops of Cuba concerning their relationship with the government. On my previous visits to Cuba I have had occasion to meet with him.

I would like to be able to extend to him a personal invitation to visit me within the next six months. It seems to me that it would be very helpful if he could have a sense of the role of the Church in the United States in providing for the common good through a variety of social services, education, and health facilities. Since we have been able to establish a reasonable rapport, I think it would be possible on a very informal and personal way to give him an opportunity to be helpful in enlarging the Church's role in Boston. I would like to say, I do not want to extend to him an invitation, and then find that he would not be able to visit Boston. I believe it would be helpful to get him out of the New York orbit, where I presume he would be free to travel, and to see something that is more typical of the Church.

I present this to you, Governor, in the hopes that you might expedite whatever permission is necessary should Dr. Carneado accept my invitation. I do not want to be in the position of extending an invitation which later must be rescinded because of the failure to receive the necessary authorization to travel.

Hoping that you can be of help to me on this simple request, and with warm personal regards, I am

Sincerely yours in Christ,

Archbishop of Boston

February 6, 1990

Honorable John Sununu, Chief of Staff  
The White House  
Washington, D. C. 20500

Dear Governor:

Wanted to express my sincere thanks to both you and your wife for your continuing support of my quest for a relocation to the D. C. area. Although this has been one of the most frustrating periods of my entire life, it has been made much easier by your support and confidence in my ability to make a contribution to our Administration.

I received a note from Mr. Andy Card 1/3/90 noting that you had forwarded my last letter to him. In his note he indicated that he would do what he could and asked that I keep in touch with any new developments. I responded immediately indicating that I have been active in making application for those vacancies I knew I would be very highly qualified for, however the chances of being selected from a small field office, in a small state located 500 miles from any of the Departmental Headquarters is remote at best.

On January 26, 1990 I received a note from Ron Kaufman indicating that Mr. Card had sent along my letter. He also indicated that he tends to be pessimistic about chances however indicated he is doing what he can to further my cause.

The Executive Office sent me a Vacancy Announcement for the Office of National Drug Control Policy as a Public and Special Interest Groups Specialist which is one of my strengths, however I have never heard anything since filing my application.

I have also received a number of telephone calls from Mr. Jack Basso, OMB in the OEOP, indicating he was interested in my selection and would be contacting me soon however this has been ongoing since August, 1989 and appears to be a matter of when.

In addition, I have applied for three vacancies announced at the Bureau of Indian Affairs based upon my high level of qualifications for each and my status as a member of the Huronne-Wendat Indian Nation. The positions are Housing Program Specialist, Supervisory Management Analyst, and Program Analyst.

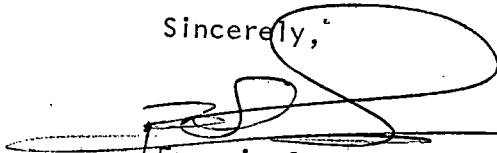

As you can see, I have been doing everything I can to gain a reassignment through the career ladder of the federal service. As for an appointment, I have no knowledge of openings or opportunities therefore cannot pursue any of them.

In my own Department of HUD I have been most fortunate to have received once again this year an Outstanding Performance Rating and Merit Pay Bonus for the 15th time in my HUD career. Although much appreciated it has had little to do in assisting me to obtain a reassignment in my own Department. I have been a leading candidate for a number of positions in the past 12 months only to have a candidate already in Headquarters selected to the position. Knowing the federal system as I do over my federal career I know a reassignment can occur anywhere in the country through a stroke of one pen and I know I can make a contribution to any office I am placed in. In fact, I would look forward to management responsibilities in the worst office in HUD and take it as a challenge to demonstrate my ability to achieve excellence through innovative and creative management initiatives. Hopefully I am not too bold in asking that perhaps your contact with our Secretary may be just the key to opening a reassignment/relocation opportunity with HUD for me.

Enclosed is a copy of a piece I wrote for use by the Office of Personnel Management in their Celebration of Public Service this year. It is sincere and a real expression of just how I feel about our federal service.

Governor Sununu, I know I have mentioned it before, but I just can't believe I have been unable to achieve a reassignment with the strong support and assistance I have received from you, your wife, Andy Card, Ron Kaufman, and others. One day I may look back upon this whole last year as just another step in the process, but I do continue to look forward to positive news in the year 1990 and thank you in advance for your help in bringing it about.

Sincerely,

Francis Gros Louis

Dear John:

Not too often do we have a chance to help out, but here is one where we did, and I am proud of it.

I was able to give your former colleague, Kay Orr, a chance to nominate the first woman State Director of Selective Service. She held a press conference on this a few days before her birthday announcement about running for reelection. The appointment was well received in Nebraska, and she was pleased. See enclosed. Lanny Griffith was very helpful on the coordination.

I assume you will call if I may be of assistance. I regret not seeing more of you, but I know you are extremely busy. Be assured, however, that I keep Brent Scowcroft apprised of any key issues. I am making good progress in my efforts to reform and modernize this institution.

May 1990 be even greater than 1989!

Sincerely,

Samuel K. Lessey Jr.

Dear John:

I thank you for your hospitality last Thursday. It was quite an honor to be invited and I had the opportunity not only to listen to the President, but also to meet some interesting fellow publishers and then made it safely back to New Hampshire with the rain following all the way.

A pretty good case for modernizing the Manchester Airport is obvious after managing loading and unloading with a wheelchair. Of course, as usual, Washington was not working too well either. The elevator at Dulles Airport was not operating and I ended up going down the escalator, which is an adventure in itself.

In spite of all that, the day was well worth it, and I do appreciate your many courtesies. Mr. Becker also appreciated being included as well.

Sincerely,

STATE OF INDIANA

OFFICE OF THE COMMISSIONER

The Honorable John H. Sununu  
Chief, Staff to the President  
1600 Pennsylvania Avenue  
Washington, D.C. 20500

Dear Mr. Sununu:

The Indiana Department of Transportation (INDOT) has reviewed the Memorandum of Agreement (MOA) between the U.S. Army Corps of Engineers and the U.S. Environmental Protection Agency regarding wetlands, and would like to offer several comments. First we applaud the effort to arrive at a national policy for wetlands mitigation. INDOT intends to be an advocate for environmental issues while pursuing solutions to highway problems. In implementing highway projects that require wetlands mitigation, we want to meet with the intent of the standards, and not just the letter of the standards.

However, we do see some problems with the MOA in content and in the process used to arrive at the MOA. The nature of our business requires that we go through a multiple step process requiring several years to achieve a solution to a highway problem. It is important to proceed through these steps as quickly as possible so that the time requirements do not become more extensive. It is therefore important that standards for mitigation be very clear at the national and/or state level so that mitigation agreements can be achieved quickly and with a minimum of interpretation when applied to individual projects. We therefore encourage specific standards at the national level or the statement of minimum requirements with the intent that more specific standards would be achieved at the state level. This should allow us to reach a mitigation conclusion in a timely fashion and to proceed with other issues in solving highway problems.

Also, we believe that an environmental impact statement should be required so that affected agencies can have the opportunity for comment. The MOA is likely to have far reaching social, economic, and environmental consequences. The MOA indicates that the level of mitigation determined "appropriate" shall not be based upon characteristics of the proposed project such as need, societal value, or the nature of investment objectives of the project's sponsor. This appears to be single issue decision making. A more balanced approach is needed.

The MOA may also be premature in that the President's Domestic Council Policy Task Force has not completed deliberations. It is our understanding that the Office of Management and Budget has requested that no agency set policies on the no-net-loss issue prior to completion of these deliberations.

Mr. Sununu  
Page 2  
January 26, 1990

In summary, while INDOT is in favor of a national wetlands policy and supporting standards, we believe that the MOA is premature and that affected agencies have not been given appropriate opportunity for comment. We therefore ask that the MOA be declared void.

Sincerely,

Christine W. Letts  
Commissioner

Dear Governor Sununu:

Thank you for remaining such a stalwart for the pro-life and pro-family cause in the Administration. Concerned Women for America certainly appreciates the tough stands the President has taken and your wise counsel on these matters.

One issue of grave mutual concern to both the President and CWA is day-care legislation and the imminent battle on child care soon to come in the House of Representatives. CWA is grateful for the clear stand President Bush took on child care during the campaign, advocating that federal assistance: go directly to parents; not discriminate against traditional families; increase, not decrease, the range of choices available to parents; and be directed toward those most in need.

CWA believes that these goals still reflect the values of the majority of American families and urges the President to continue taking the high ground on the issue by publicly promoting these winning principles. Through his tax credit proposal, President Bush proved his understanding that what American families really need in order to freely make the tough choices about child care is real tax relief.

Should child care legislation reach his desk in the coming months, CWA recommends that, in keeping with his principles, President Bush veto any legislation that: 1) creates any new federal child care programs that would fund bureaucrats and not parents; 2) sets up or promotes day care in the public schools; 3) does not guarantee a voucher for parents qualifying for assistance under a grants component and the assurance that vouchers can be used for religious care; 4) does not contain clear protection for religious providers against regulations forcing these care-

givers to violate their moral tenants in hiring; and 5) furthers the discrimination in the tax code against traditional families that already exists through the dependent care tax credit.

Again, we appreciate the President's leadership on this issue of such import for our children and will be looking to him in the days ahead to reaffirm his commitment to nondiscriminatory tax relief for American families.

Sincerely,  
  
Beverly LaHaye

Dear Dr. Sununu:

Enclosed is a reprint of a paper I recently had published in the September 1989 issue of Chemical Engineering Progress dealing with the chemical process industries and their evolution.

As you know, the chemical industry has tended to get a bad image because of the somewhat exaggerated fears of toxic waste and assorted other safety problems. The truth is that it is being asked to clean up the mess of a century in a very short period of time, and I think the industry is doing a very good job in this regard.

More importantly, however, we all need to understand that this industry is one of the great contributors to economic growth and competitiveness of the American economy. In my view, the industry should not be defensive, but proud of its contributions and its great future throughout the world. I hope my paper will contribute to a more balanced view.

In association with my colleagues at Stanford I continue to do research in this area and will have further publications in due course. Any ideas you may have about where additional information can be obtained about chemical industries outside the United States will, of course, be welcomed, as would any comments you care to make.

However, no acknowledgment is necessary or expected.

Very sincerely,

*Ralph Landau*

Dear John:

I've been asked to extend an invitation to you to address a national leadership conference sponsored by The Simon Wiesenthal Center. The event will take place in Washington, D.C. on March 5-8.

The group will consist of approximately 200 leaders from the American Jewish Community. They would like you to provide a briefing at the White House or attend one of their breakfast sessions on March 6 or 7.

I am told that this would be a friendly audience who would very much appreciate your presense.

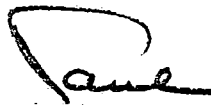

I should note that Mr. Wiesenthal will be in attendance even though he has been slowed by his advancing age.

John, I'd appreciate your giving this invitation serious consideration.

For additional information, may I suggest that your staff contact Fred Balitzer at 714-985-7377.

Thank you and best wishes.

Sincerely,

January 19, 1990

Mr. John Sununu  
Chief of Staff  
White House  
Washington, D. C. 20500

**SUBJECT:** Memorandum of Agreement between the U.S. Army, Corps of Engineers, and the U.S. Environmental Protection Agency Concerning the Determination of Mitigation under the Clean Water Act Section 404(b)(1) Guidelines

Dear Mr. Sununu:

We welcome your decision to undertake a review of the proposed Memorandum of Agreement (MOA) described above. The Minnesota Department of Transportation (Mn/DOT) is very concerned about this MOA. A large proportion of the actions proposed by Mn/DOT have some involvement with wetlands, and will therefore be subject to the conditions of the Memorandum of Agreement.

As we wrote to Mr. Reilly and General Hatch last week, we believe that this Memorandum of Agreement should not be implemented until a formal federal rule making process has been completed. This MOA was not subject to any sort of external review process. The U.S. Corps of Engineers and the U.S. Environmental Protection Agency undertook the formalization of the agreement without subjecting it to full public scrutiny. Affected agencies and the general public were not given a meaningful opportunity to provide input.

The exclusion of public review was an error. This may be allowable if the bilateral agreement genuinely affected only the two signatory agencies. However, this agreement will affect the decisions and actions of many public agencies. In Minnesota and elsewhere, virtually every unit and level of government will be affected, down to the level of the township. Actions of individuals will be regulated as well.

Mr. John Sununu  
Page Two  
January 19, 1990

The far reaching nature of the proposed MOA clearly calls for the two agencies to submit it to a formal rule making process. While we appreciate the provision of an additional 15 day review period, we do not feel this will insure the meaningful public review which would be provided through the rule making process, and which the MOA needs.

My staff has reviewed both the MOA signed November 14, 1989, and a later undated revision of it. We have a number of detailed comments regarding both which we would like the two agencies to consider during a more extended review period. We see no reason why the implementation of this MOA should not be deferred. The Minnesota Department of Transportation, in cooperation with the Corps of Engineers, the U. S. Fish and Wildlife Service, the State Department of Natural Resources, and others, has for years done an excellent job of protecting aquatic resources in the state. Suspending the MOA pending the review contemplated above will have no adverse effect on wetlands or other aquatic resources in Minnesota or elsewhere.

That wetlands are worthy of protection is beyond debate. The question is whether the recent decision of the EPA to become actively involved in the Section 404 permit program will add substantially to the protection of the nation's aquatic resources without creating unwarranted interorganizational strife.

Sincerely,

LEONARD W. LEVINE  
Commissioner

Dear Governor:

A friend of mine, Ken Perpard, is pursuing the vacancy on the National Transportation Safety Board created by the death of my very close and long time friend, Joe Nall.

Ken was Joe's Administrative Assistant during his entire tenure on the board and because of my personal relationship with Joe, Ken and I became friends, also. I know that Ken more than adequately meets the technical requirements of the position, both politically and from a technical knowledge standpoint. His long tenure with the Board has given him special knowledge of the workings of the Board and the responsibilities he would face.

I hope that you will closely examine his application and recommend him to the President.

With kindest regards, I am

Sincerely yours,

Dear John:

At our last conference on September 28, you had to cancel your appointment to travel with the President. While we were obviously disappointed that you couldn't be with us, we were all delighted that you were with the President. Since last September, an incredible amount has gone our way. Those days in the cold New Hampshire snow in preparation for the primary in 1988 really show--or is it the correct altitude that we share? Ah well!

We would love to have you speak at our next conference. I hope we can get you to say yes again. It will be on March 19 and 20 in Washington. It's our 27th Washington Conference. Attending will be approximately fifty of our clients, among whom are numbered chief financial officers, pension fund directors, and investment managers.

I will be calling your office in the next week to implore, beg, bend knee, and otherwise throw myself on your mercy, kindness, and friendship.

Seriously, I would be honored if you would agree to see us for roughly one hour at your convenience.

Warmest regards,

Art

CHAMBER OF COMMERCE
OF THE
UNITED STATES OF AMERICA

RICHARD L. LESHER
PRESIDENT

1615 H STREET, N. W.
WASHINGTON, D. C. 20062
202/463-5300

January 18, 1990

The Honorable John H. Sununu
Chief of Staff
The White House
Washington, D. C. 20500

Dear Governor Sununu:

I would like to further clarify our understanding of the two issues we discussed on the telephone last Friday.

We are pleased to have your reassurance about the Administration's continued opposition to all forms of mandated health benefits. This issue is of paramount importance to the Chamber and its members.

The "Action Alert" on mandated health care sent by our outside coalition of companies and organizations was sent after several attempts were made to get a clear and firm understanding of the Administration's position.

Mixed signals were received. This problem can be minimized in the future with closer and more continuous communications, hopefully at our own personal levels, as well as elsewhere on our respective staffs.

Contrary to popular belief, we have not yet endorsed Senator Moynihan's proposal to reduce social security taxes but we do support lower social security taxes and have done so for some time. Several years ago, our Board of Directors endorsed the 1986 White House Conference on Small Business recommendation to reduce these taxes. This position reflects the views of our membership -- 92% of our more than 180,000 members have less than 100 employees. At the same time, we continue to oppose any tax increase and would oppose Senator Moynihan if that is part of his proposal.

The Chamber develops its positions on public policy issues through a careful process involving volunteer members, committees and, ultimately, our Board of Directors. The positions evolve over time and may change, if the views of our membership change. The proposed Social Security tax rollback and its possible political and economic consequences will be brought before our Board on February 14.

I am sorry that you will be unable to address that meeting, but I will let you know of the Board's decision on this important issue.

In the meantime, we will continue to work with the Bush Administration on a wide variety of issues. Our many relationships are solid and, we believe, mutually beneficial.

Sincerely,

A handwritten signature in cursive script, appearing to read "Richard", enclosed within a circular flourish.

The Honorable John Sununu

The White House  
Washington, D.C. 20500:

Dear John:

I understand that Steve Dougherty is under consideration for Deputy Director of the Federal Emergency Management Agency. Steve is an energetic and capable person, and I believe he would be an asset to President Bush's Administration. He possesses initiative and imagination in approaching challenges--two qualities that would serve him well at FEMA.

While at the Customs Service, Steve successfully resolved a complicated--and politically sensitive--interagency dispute that affected my district. At Customs, Steve helped devise drug interdiction policy and, in addition, helped solve commercial tariff problems, which is to say he was responsible for a broad range of concerns, similar to the breadth of FEMA's operations.

In all, Steve would be an effective FEMA Deputy Director. Should this position not be available, Steve would be a good choice for another high-level position at FEMA.

Thank you for your consideration.

Sincerely,

Dear Mr. Sununu:

I'm writing to follow-up my earlier recommendation of Carolyn Leavens for appointment to the Overseas Private Investment Corporation Board of Directors.

I have known Carolyn since she worked on my first campaign for the California Senate in 1961. She has served on many Republican campaigns, including President Bush's National Agricultural Campaign Committee, and was part of the National Agricultural Advisory Committee during the 1988 transition period.

Carolyn has extensive experience in agriculture through administration of her family business, Leavens Ranches. She served on the California State Board of Food and Agriculture for four years; was President of California Women for Agriculture in 1981 and President of American Agri-Women from 1983 to 1985. She serves on the University of California Agricultural Advisory Council, and in 1985, she was named California Agriculturalist of the Year.

Carolyn is a woman of the highest personal integrity, intelligence and compassion, and I strongly recommend her without reservation for a position on the OPIC Board.

*Handwritten note:*  
The OPIC board is extremely important to me. Thanks

Sincerely,

Dear Professor,

This note raises two items I know you will be interested in: first, an update on the programs you (and others) brought me to D.C. to work on; and second, an exciting local Tufts event.

These last six months at Commerce's Technology Administration have been challenging to say the least. Learning about the importance of nuclear energy in your classroom, and even giving legal counsel to high-tech firms, was easier than developing a proper government role in technology policy.

The Mosbacher team has developed a strategy consistent with the President's commitment to using technology as part of a U.S. long-term economic competitiveness plan. The programs in my Office of Technology Commercialization are an integral part of that effort by setting a climate for industry and state governments to bring R&D from the laboratory to the marketplace.

We will continue support enabling technologies which have broad application in industry. We are also seeking to serve America's commercial needs by bringing better direction to the \$65 billion in government-supported R&D. Towards this end, my Federal Technology Management program is encouraging closer industry cooperation with agencies so that the realities of the marketplace will select and guide Federal R&D decisions.

I will continue to keep you posted on these efforts.

On the lighter side of things, I have re-established my ties to the Tufts community by joining the Washington Tufts Alliance. The Alliance meets regularly with guest Jumbos such as Ambassador Pickering, Shuttle Captain Hauck and President Mayer.

This Spring, the Alliance is kicking off a yearly scholarship for a needy local area upperclassman. They have asked me to request your participation as the keynote speaker. Perhaps you could speak on the importance of technology to the nation's economic security. If you are interested, I will arrange the date with the Alliance and your staff.

I trust you had a Happy New Year.

Warmest Personal Regards,

Mark Lieberman

Dear Mr. Sununu,

I'm a senior at Conant High School in Jaffrey, NH and a third year member of my school's Peer Outreach program.

Peer Outreach is a proven way to enable young people to better cope with their lives. Peer Outreach is just kids helping kids. We help kids resist peer pressure and self-destructive behavior involving alcohol and drug abuse. We give assemblies to the grade school, junior high and high school. We gave presentations to the attorney general and governor of New Hampshire. We attended the 1989 P.R.I.D.E (National Parents' Resource Institute for Drug Education) World Drug conference in Atlanta, Georgia. We also gave presentations to our local Chamber of Commerce and Lion's Club. We attended a training weekend at Sargent Camp in Peterborough, NH, to educate us on drugs, alcohol, suicide, depression, etc. that would enable us to better help our peers.

We are all dedicated members of our Peer Outreach program and though we help many students in our school everyday, we also help ourselves and grow more and more each day as a person. We work hard and the "job" never ends. I love Peer Outreach and I love the effect it has on my school and my community.

We are not funded by anyone so our work is limited. We want very much to attend the 1990 P.R.I.D.E World Drug conference in April, but sponsor's aren't always easy to find and seeing as we are not funded as a group we may not be capable of attending. The information that can be brought back from this conference could change the outlook for our school and community and could put an end to the drug and alcohol problem in our area.

My wish is to inform you that work is being done everyday by the youth here in Jaffrey, New Hampshire to better our area of the world and try to put an end to the drug and alcohol problem in our area. America is a wonderful place to be and with the encouragement of our leaders we WILL make a difference.

Sincerely,

Rachael LeBlanc

Dear Mr. Sununu:

This house, 62 N. State Street, Concord, N.H., is on the National Historical Register, Washington, as Perley Cleaves House which is a mistake. The historical name on the Register should be Mary Baker Eddy Historical House.

Please note the support of the letter enclosed. Stuart Wallace supports the Eddy name. Washington has stated that this proper name is not a difficult matter.

I would be much appreciated if you would help us.

Dear John:

It was a pleasure to see you when a group of us representing business organizations met with the President and Vice President on December 12. I sincerely hope that you enjoyed the holidays. Let me take this opportunity to wish you a very healthy and successful new year.

Let me also take this opportunity to invite you to meet with our Board of Directors at its next meeting. That meeting will be here in our headquarters building on Wednesday, February 14, 1990.

Knowing of your heavy schedule, we do not want to impose much on your time. We would welcome you joining us at any time during that morning and outlining for us what you consider to be the major policy priorities of the President for the coming year.

Our Board will be meeting from 9:00 a.m. until 12:30 p.m. that morning. A format used successfully in the past would be for remarks of about 20 minutes, followed by a Q&A of a similar length.

As you probably know, our Board is the ultimate policy-making entity of our organization. It will be looking carefully at key issues facing business in the coming year, and I know we would all benefit from your insights.

Attached is a current roster of our Board. I'm sure you know many of these people.

If you need additional information, your staff can contact Dick Breault, Group Vice President for Policy, on 463-5417.

I sincerely hope, John, that you can be with us for a brief time on February 14. We would all be honored to have you join us.

Sincerely,

Richard L. Lesh

Dear Governor Sununu:

On Saturday, January 27th the Council on World Affairs is co-sponsoring its fifteenth annual "Great Decisions Institute" in cooperation with the Foreign Policy Association, the U. S. Department of State and the U. S. Institute of Peace.

The Great Decisions Institute focus is on eight major questions of American foreign policy, and is designed to inform and involve the citizens of New Hampshire in the opinion-making process. We normally attract about 200 students, teachers and adults to the Institute.

I would like to suggest that a telegram be sent by President Bush to Arthur W. Mudge, President of the Council on World Affairs, which could be read at luncheon on Saturday, January 27th commenting on the worthiness and importance of public participation in the formulation and execution of foreign policy.

With many thanks.

Mr. John Sununu, Chief of Staff
The White House
1600 Pennsylvania Avenue
Washington, DC 20500

Dec. 29, 1989

Dear Gov. Sununu:

We devoted our efforts against the Minimum Wage Bill to Congress, rather than to President Bush, because we were told by the White House specialist on M/W that Pres. Bush would not accept a phony training wage. We sent thousands of petitions out to uphold his veto and feel a bit betrayed.

Now we read that he is being advised to quadruple the "Black-Mass" Health Insurance Tax of Teddy's bankrupt Massachusetts with a Rolls-Royce payroll tax on Small Business. Obviously, the President's highest advisers do not believe his #1 promise not to raise taxes and that he prefers advisers who are disloyal and think that he is a knave or fool.

Small Businesses cannot afford Massachusetts' cadillac health insurance or tax, so why impose a Rolls Royce tax or insurance on the rest of the country?

Please advise Pres. Bush that Small Businesses hire the rejects from government and big business. We hire the Minimum Wage people who can't get a job at any wage elsewhere. We hire the people who can't pass the written health questionnaires, much less a physical exam. We will not be able to afford the heart, cancer, diabetes and arthritis patients, the mentally ill, alcoholics, ex-addicts and ex-offenders, or the high school drop-outs, illiterates, undisciplined absentees or frequent tardys on their first jobs. Is this what is meant by a kinder, gentler world, where the poor and disabled won't ever be able to find self-respect in work to support themselves?

Sincerely,

Thomas H. Latimer

Thomas H. Latimer
Executive Vice President

P.S. Will you pay the welfare bills if a million or more Small Businesses are eliminated? Please advise if we should fear and petition the White House rather than Congress.

THL:jg

"The statesman who should attempt to direct private people in what manner they ought to employ their capital, would assume an authority which could safely be trusted to no council or senate whatever, and which would nowhere be so dangerous as in the hands of a man who had folly and presumption enough to fancy himself fit to exercise it." — The Wealth of Nations 1776, Adam Smith

Dear Mr. Sununu:

As President of The Economic Club of Washington, I am pleased to invite you to the Club's Winter Dinner on Wednesday evening, January 31, 1990, at the Park Hyatt Hotel, located at 24th & M Streets, N.W. Our featured speaker will be Dr. Karlheinz Kaske, President and Chief Executive Officer of Siemens AG. The reception will begin at 7:00 p.m. in the Park Ballroom foyer, followed by dinner at 7:45 p.m. in the Ballroom. Dr. Kaske's remarks will be followed by a question-and-answer period, which will conclude promptly at 10:00 p.m. For those wishing to stay, a cordial hour will follow the program. Dress is black tie.

Space is limited, so please respond as soon as possible by the enclosed card or by calling 639-5100. Substitutions cannot be accepted.

Dr. Kaske has been President and Chief Executive Officer of Siemens AG since January 1981. A member of Siemens' Managing Board since 1975, Dr. Kaske was Deputy Chairman of the Managing Board prior to assuming his current position. A physicist and engineer by training, Dr. Kaske also serves as Vice President of the Federation of German Industries and President of the German Electrical and Electronic Manufacturers Association.

Siemens, a world leader in the fields of medical technologies, communications systems, and energy and automation, has a major presence in North America and employs approximately 40,000 workers in its U.S. and Canadian manufacturing and R & D facilities.

I hope you will be one of our distinguished guests at this stimulating and thought-provoking evening.

Sincerely,

R. Robert Linowes
President

Dear Governor:

It was a pleasure to visit with you briefly during my visit to the White House last week. Thank you for arranging this most enjoyable visit with the President and Mrs. Bush, for those of us working on The Presidential Inaugural Anniversary Gala.

Upon returning home I found a copy of a publication called "The California Eye" which was making some untrue and unflattering comments about the President's relationship with California particularly about "Sununu's anti-California bias". I do not subscribe to any of their positions but thought that you should see what they are circulating. If you should choose to overcome this "anti-California bias" by showering benefits upon us obviously we would be happy to accept.

Sincerely yours,

HOWARD H. LEACH
