Honorable John Sununu

Dear Mr. Sununu:

A committee called "Chinese-American Committee to Support Most Favored Nation status to China" was formed in May by a group of Chinese-American business and community leaders in the U.S., mostly from New York, to enlist support from members of the U.S. Congress and various concerned circles to support President Bush's decision to renew MFN status to China. I myself am glad and honored to be chosen as Chairman of the Board of this committee.

For the past two months, members of this committee have made efforts to lobby congressmen and senators and to generate public attention and understanding of this issue in order to urge U.S. Congress to adopt the President's position. As you know, the extension of this status to China is of great significance for U. S. - China relations.

We learned recently that on July 11th, you summoned a meeting of Chinese-American leaders in this country for a briefing of this issue and solicited their support for this worthy cause.

I am writing to express our appreciation for your efforts and contributions on this important issue. I also wish to let you know that we are working continuously for the success of this legislative action.

Thank you.

Sincerely yours,

James Ying
Chairman

The Honorable John H. Sununu
Chief of Staff
The White House
Washington, D.C. 20500

Dear Chief of Staff Sununu:

It gives me great pleasure to invite you to serve as keynote speaker at the Monday, July 15, luncheon as part of the 1991 Annual Conference of the National Council of La Raza (NCLR), which will be held July 14 - 18, at the Hyatt Regency Hotel in Houston, Texas.

The National Council of La Raza's Annual Conference is one of the largest Hispanic events of the year and has become a major forum for bringing together the public, private, and community sectors to discuss issues of importance to the Hispanic community. Among the 1990 conference speakers were President George Bush, then-Secretary of Education Lauro Cavazos, Secretary of Health and Human Services Dr. Louis Sullivan, and former San Antonio Mayor Henry Cisneros.

NCLR's 1991 conference theme, *"Shaping a New America: Our Rights and Responsibilities,"* recognizes that the 500-year anniversary of Hispanic presence in the New World and the beginning of a new century are fast approaching, yet Hispanics remain outside the mainstream in terms of education, employment, and economic status. The conference theme highlights the need to assure that Hispanics enter the 21st century as real partners in the American system -- and we look to national leaders like you to help us create the program and momentum needed to accomplish this.

We would appreciate your speaking at the Monday, July 15, luncheon. Expected attendance is 1,200 people and your address should last approximately 15 minutes. We will do our best to accommodate your schedule and are contacting you now with the hope that the lead time will be sufficient to make this possible.

Program Offices: Phoenix, Arizona • McAllen, Texas • Los Angeles, California • Chicago, Illinois

I am providing additional material about the 1991 Annual Conference. We ask that your staff contact Ms. Belen Abriles-Arce, Assistant Conference Coordinator, at (202) 289-1380 for additional information or to confirm your participation. We hope to hear from you soon.

Sincerely,

Raúl Yzaguirre

Dear Mr. Sununu:

I am pleased and honored to inform you that fiscal year 1990 procurement data reveals a substantial increase in purchases by Nippon Telegraph and Telephone Corporation from foreign suppliers.

Total purchases from U.S. companies showed a sizable increase of nearly 40 percent over the year before. Of the total foreign purchases, 95 percent were from American suppliers! Such significant increases in our foreign procurements have come in part through more purchases of network core equipment and office automation systems for telephone office operations. Further details are contained in the enclosed materials.

This is the tenth year since NTT introduced its "open, fair, non-discriminatory" procurement procedures in 1981, and during each year since then, NTT's procurements from U.S. and other foreign firms have steadily increased.

These increases are attributed to the improved ability of U.S. firms to offer products that meet the needs of both NTT and NTT customers, their endeavors to upgrade the quality of their products and, furthermore, their emphasis on strengthening after-sales service.

In the meantime, NTT has also propelled a number of procurement promotion activities, such as sponsoring more than 40 procurement seminars overseas, providing needed information by meeting directly with U.S. firms and issuing

Dear John:

This is just a short note to let you know that I spoke with Dan Conway of The Chubb Corporation last week and explained the difficulties of arranging a meeting now between yourself and Dean O'Hare, Chairman of The Chubb Corporation and Bob Vagley, President of The American Insurance Association.

Dan told me he fully understood. He mentioned he would stop by to say hello at the President's Dinner, where I understand Chubb has purchased two tables. He further said that at your convenience he would enjoy the opportunity to introduce Messrs. O'Hare and Vagley to you.

I enjoyed seeing you and the family up in Manchester, and especially appreciated my time with you on April 23rd.

Best Regards,

Bin
