Dear Mr. Rothkopf:

Thank you for your recent letter inviting the Chief of Staff to participate in F. W. Parker School's fund-raising auction.

Regrettably, due to the large number of similar requests that come to Governor Sununu's attention, he has adopted a policy of declining all of them. Dear Mr. Rice:

Thank you for your recent message regarding the firearms issue.

As you are aware, President Bush and the American people are gravely concerned about the availability of foreign-made weapons used by criminals to commit devastatingly violent acts throughout our communities. This is an intolerable situation and will not be allowed to continue.

On May 15, the President announced a comprehensive and commonsense program to effectively combat crime, with strong proposals to limit the access to illicit weapons. At the same time, the program will not infringe upon the rights of law-abiding citizens to own and use firearms. In light of your interest, I am enclosing for you a fact sheet which outlines the President's initiative in this area.

Thank you for taking the time to write.

Nevertheless, Governor Sununu asked me to convey his appreciation for your thoughtfulness and send you his best wishes.

Dear Ms. Rasch:

On behalf of the Chief of Staff, thank you for your letter concerning appropriations legislation for the District of Columbia, which permits the use of funds to pay for abortions.

The House of Representatives and the Senate have passed the District of Columbia appropriations bill for Fiscal Year 1990, which permits Federal funding for abortions under circumstances where the life of the mother is not endangered. A final version of the bill is being prepared by House-Senate conferees. President Bush has announced his intention to veto the appropriation bill if it is presented to him in its current form.

The President does not believe that appropriated funds should be used to pay for abortions other than in those cases where the life of the mother would be endangered if the fetus were carried to term.

Dear Governor Sununu:

Last Sunday The Houston Chronicle wrote an article mentioning that Judge Paul Pressler was being considered as Director of the Office of Government Ethics. The article also included statements by Abner McCall and others which were derogatory towards Judge Pressler.

The derogatory statements based on my opinion and experience are sour grapes. Judge Pressler is not only a great judge but an outstanding human being.

A few years ago when Dolph Briscoe was governor of Texas, I had the privilege of recommending Judge Pressler to Governor Briscoe as an appointee to the District Court of Harris County, Texas. Judge Pressler has proven to be a great judge and a man of impeccable integrity. If the press is looking for a man of ethics, Judge Pressler is the man.

David Bates and Fred McClure are two young lawyers who started out their legal careers with me. You may ask them about my knowledge of the judicial situation in Houston. It may be that they too are well familiar with Judge Pressler.

Also, I will state that President Bush is a friend of mine. He and I used to coach little league together.

Sincerely,

Joe H. Reynolds

Dear Mr. Rymsha:

I'm sorry for the delay in responding to your letter regarding the firearms issue.

As you are aware, President Bush and the American people are gravely concerned about the availability of foreign-made weapons used by criminals to commit devastatingly violent acts throughout our communities. This is an intolerable situation and will not be allowed to continue.

On May 15, the President announced a comprehensive and commonsense program to effectively combat crime, with strong proposals to limit the access to illicit weapons. At the same time, the program will not infringe upon the rights of law-abiding citizens to own and use firearms. In light of your interest, I am enclosing for you a fact sheet which outlines the President's initiative in this area.

Thank you for taking the time to write.

Dear Kevin:

Chief of Staff John Sununu has asked me to respond to your recent letter regarding his background and job at the White House.

First, the Chief of Staff's primary responsibility is to manage the President's staff and run the White House operations. Mr. Sununu travels with President Bush to most of his meetings and anytime he leaves the White House complex. Many times, the Chief of Staff holds meetings on the President's behalf when the President's schedule will not allow him to attend.

Mr. Sununu's goals as Chief of Staff are to advance the policies of President Bush and his Administration.

Before being appointed to this position, Mr. Sununu served as Governor of the state of New Hampshire. He was Governor from January 1983 to January 1989.

Mr. Sununu was born in Cuba in 1939. He went to school at the Massachusetts Institute of Technology, earning his Ph.D. in the field of mechanical engineering. He has 20 years experience and service as an educator, engineer, small businessman, and community leader.

Mr. Sununu has a wife and eight children. His wife and the two youngest children reside with him in the Washington area.

I hope this information is helpful and it comes to you with the Chief of Staff's best wishes.

Sincerely,

Dear Mr. Robinson:

I'm sorry for the delay in responding to your February 28 letter enclosing the Roundtable's informative statement regarding the European Community's Single Market Initiative.

The Roundtable's Task Force on International Trade and Investment is correct in addressing the concerns and policy implications for the United States with respect to the European Initiative.

The President is optimistic about the integration of a "single market" in Europe. As your statement suggests, however, the United States must be vigilant of any protectionist measures which might limit access to the European market.

The Administration is dedicated to working to assure that the European Initiative is mutually beneficial for all trading partners.

Again, thank you for sharing this study with me.
