John H. Sununu
Chief of Staff
to the President
The White House
Washington, D. C. 20500

Dear Governor Sununu:

Dean Kamen will be attending the Council's
Executive Committee meeting to brief our members on his
FIRST project and we were hoping you might be able to
join him for the presentation.

We would like to have you join the members of the
Council's Executive Committee on Friday, June 28, from
1:30 p.m. to 2:00 p.m. at the Council's offices.

We are pleased with the President's growth program
and the Administration's commitment to the U. S.
technology base. In addition to Dean's presentation,
we would welcome the opportunity to discuss America's
economic future, specific initiatives we have in mind,
and your own suggestions about how we might be
helpful.

We will be in touch with your office in the next
few weeks to determine if you will be able to attend
the Executive Committee meeting.

Sincerely,

George Fisher

The Honorable John H. Sununu

Dear Governor:

In the most remarkable ... I am pleased to
invite you to a joint meeting of the Council for National Policy
(CNP) and the International Policy Forum (IPF) in St. Petersburg
(Leningrad), July 26-27, 1991.

The meeting's theme is "Building Freedom in the Old
Soviet Empire." The event will take place in the Pulkovskaya
Hotel, one of the top hotels in the city.

This will be, I believe, the most important international
meeting ever of our organizations. In fact, it may be the most
important meeting of international conservatives since the
Congress of Vienna assembled in 1814.

The opportunities before us are truly great. The new
Europe emerging will include many new nations, perhaps including
a number of formerly "Soviet" republics.

Please send in the enclosed registration form, your
registration fees and hotel room fees as soon as possible.

The 1990 joint meeting, held in Vienna, Austria was a
resounding success. Members met with activists and leaders from
around the world, including Ian Smith, former prime minister of
Rhodesia (now Zimbabwe). At all of our previous joint meetings,
the participants spent much time discussing ways to counter
communism and the Soviet threat. These discussions were
interesting and useful.

Anti-communists in the West have done something right.
The fall of the Berlin Wall and the disintegration of the Soviet
Empire in Eastern Europe were due, in part, to the vigilance and
determination of anti-communists like you.

Mr. John H. Sununu

Dear John:

An exciting event is being planned in the Lakes Region and you can be part of it! The American Cancer Society, New Hampshire Division, Inc., will hold its fifth annual Black Tie Gala on Saturday, June 1, 1991, at the Bald Peak Colony Club in Melvin Village from 7 - 11:30pm. The date coincides with the opening of Bald Peak's seventieth summer season and presents a unique opportunity for supporting statewide programs of cancer control. This is an occasion you will definitely not want to miss!

Our exclusive evening promises to be one of unsurpassed old-world elegance. Guests will enjoy cocktails, buffet dinner and dancing to the Joe DeRose Band. The privacy afforded by Bald Peak offers the perfect setting to enjoy the beauty of the lakes and mountains and the serenity of days gone by. The intimacy of Bald Peak limits reservations to 300 guests with an additional 50 places reserved for honoring special contributors.

I am writing to personally solicit your participation in this year's Gala as a Benefactor, Sponsor, Patron or Supporter. These important levels of giving will enable the Gala Committee to underwrite all expenses and assure the largest possible donation to the American Cancer Society. The enclosed outline summarizes our range of gifts and the benefits provided. All donors at these levels will be recognized on the program and have their names engraved appropriately on plaques that will be hung at Bald Peak in a prominent place. Benefactors and Sponsors (gifts of \$1,000+) will receive two complimentary tickets. In addition, individuals who make a gift of \$1,000 or more will be invited to a pre-Gala party.

The American Cancer Society Gala has become one of the premiere state-wide social events. Our goal for 1991 is \$50,000. It is ambitious but with your help, we will meet this challenge.

Dear John:

This year Sandra and I are once again hosting the Wolfeboro Classic Bocce Tournament which will take place at our home on the shores of Lakes Winnepesaukee. Opening ceremonies will be Friday evening, August 2; the tournament on Saturday, August 3; the awards presentation on Saturday night; and a post mortem on Sunday morning, August 4, for those that can make it.

Over the years, this tournament has developed into an unusual opportunity in a beautiful setting for a small group of our business friends to enjoy one another and exercise their competitive skills in this ancient game.

Sandra and I would love to have you and Nancy join us for this weekend if you are available. There will be lots of good food, laughs and plain old fun, which is what we believe New Hampshire summer life is all about. Since there are just a limited number of tournament slots, we would appreciate hearing from you at your earliest convenience.

Best wishes and regards,

Governor John H. ...

Dear John,

I am writing to see whether you might be able to join us here on the evening of Thursday, June 27, for an evening dialogue on the current debates over federalism and the Administration's attempts to return greater authority and responsibility in various areas of public policy to state and local units of government.

I know that this area of policy has long been of special interest to you, and that you were very active in it during your years as Governor. As perhaps you know, a former colleague of yours on the Advisory Commission on Intergovernmental Relations (ACIR), Dr. Robert Hawkins, was once a Fellow here at the Wilson Center and director of a Center program on state and local government. Bob is currently the President of the Institute for Contemporary Studies in San Francisco, and he continues his public service as Chairman of the ACIR. Bob has agreed to participate in the dinner and evening dialogue on the 27th, and suggested that we try to get you to join with us for the event.

The 27th will be the evening before the next meeting of the ACIR, and the thought was that this would be a good opportunity to get together in a relatively informal setting with governors and others to discuss some of the issues of federalism and attempts to reform the system. Given your special experience in this area, together with your current responsibilities, you are plainly an ideal speaker for such an occasion, and your position as a member of the Center's Board of Trustees made the idea seem all the more appropriate. We think it would be an interesting and important gathering in connection with a rather neglected area of public policy.

If you can accept our invitation, we would hope that you would be willing to speak for 15-20 minutes on the Administration's goals in the area of federalism and the devolution of authority, together with your personal assessment of the obstacles to progress in this area. Bob Hawkins would follow with 20 minutes of remarks on the fate of previous attempts at devolution in the past two decades and comment on the underlying reasons why more has not been accomplished. At that point we would open the meeting to questions and comments from the floor.

We will have about 40 from Berlin in Anaheim at the same hotel where we met last August.

The main purpose of this letter is to request your consideration of being a keynote speaker for our luncheon meeting on Saturday August 24, 1991 in Manchester, NH. The New England District of Kiwanis will be holding it's 73rd Annual District Convention from August 22-25 at the Center of NH Holiday Inn. We anticipate close to 750 in attendance at the convention. May 4, 1991

Dear Mr. Sununu,

We are very excited here in the Lowcountry of South Carolina because Berkeley County will soon have its first historical museum. The museum should open to the public in the fall of this year.

Since raising the nearly \$600,000 for the building alone, we now have the task of raising money for the exhibits and furnishing needed for the interior. We are planning an auction for this purpose on July 4th amidst the town's celebration of Independence Day.

We are seeking items that would generate interest in our county for this auction. Celebrity items are always in demand, and interest will run high if you could send our organization any item of your choosing for this purpose. It can be a used personal item; it does not have to be new. We leave this up to you.

We hope we can count on you in helping to get this museum open this year. Many thanks in advance.

Dear Chief of Staff Sununu:

The Texas Young Republican Federation is preparing for its 1991 annual State Convention. This years convention will be held July 26 through July 27 at the Stockyards Hotel in the historic Fort Worth Stockyards area.

As you know, grassroots activism is the key to electing Republican candidates to office. However, young activists must be supplied with the tools that make a grassroots movement successful. Each year the Young Republican State Conference trains young leaders from all over the State of Texas in grassroots politics.

The Young Republican State Convention attracts Young Republicans from all over Texas. The principle function of the Convention is to provide our members with the fundamental knowledge and skills it takes to run for office and reelect Republicans at any level.

As a Republican official you can help by donating something from your office that could be used to raise money in a silent auction. The money will be used in our endeavor to continue to recruit, educate, train, and inform Young Republicans all over the state.

We deeply appreciate your consideration in this matter.

Dear Governor Sununu:

Every two years the Michigan Republican Party hosts the Mackinac Island Republican Leadership Conference. The purpose of the conference is to bring together Republican leaders and workers from across Michigan to prepare for the 1992 election.

In 1989, the Mackinac Conference attracted more than 1,000 participants from Michigan and from across the nation. The event is extremely popular, and with newly elected Governor John Engler at the helm, it will be more popular than ever.

Mackinac Conference attendees will be interested in hearing from prominent leaders from across the nation as the 1992 election draws near. I would like to invite you to be one of the featured speakers at the 1991 Mackinac Island Republican Leadership Conference.

This event will be held September 19-22, 1991 (Friday through Sunday) on Mackinac Island, Michigan.

There are three meal functions where attendees gather to hear prominent speakers: breakfast and lunch on Saturday, September 21 and brunch on Sunday, September 22. While we would love you to visit during the entire conference, if your schedule could accommodate any portion of the weekend that would be a workable option.

Dear Governor Sununu:

On behalf of the Congressional Intern Program, sponsored by the Committee on House Administration and the Senate Committee on Rules and Administration, we would like to invite you to participate, as a guest speaker, in this year's Spring/Summer Intern Lecture Series.

Over 4,000 students, from across the United States, served as Congressional Interns in 1990. Our objective is to provide an educational program on the important issues facing our Nation and the world. In order to offer these students a balanced view of the Federal Government, we would like all facets of government represented in the Lecture Series. Your participation, in the Lecture Series, will be both informative and inspiring to these young, enthusiastic Americans.

Last year's program was a success thanks to the participation of many of our colleagues in the House and Senate, distinguished Cabinet and senior level Executive Branch officials, and Independent Federal Agency and Government Corporation representatives. Over 40 lectures were scheduled and the attendance was overwhelming. The students found the experience to be interesting, educational, and memorable.

We are now planning our schedule for the 1991 Spring/Summer program. Please have your office contact Hilary Lieber, Director of the Congressional Intern Program at 226-3621, regarding a mutually agreeable date and time between June 3rd and August 9th.

Thank you for your consideration of this invitation.

May 2, 1991

The Honorable John Sununu
Chief of Staff
The White House
1600 Pennsylvania Avenue, N.W.
Washington, DC 20500

Dear Governor Sununu:

On behalf of the Congressional Youth Leadership Council, it is a pleasure to extend to you an invitation to address the National Young Leaders Conference (NYLC). The Council is a non-profit educational organization that is guided by a bi-partisan honorary board of over 300 Members of Congress. This summer, outstanding high school juniors and seniors, recognized for their leadership potential, will come to Washington for an intensive study of the three branches of government, the media, and international affairs.

The NYLC provides a unique opportunity for these young scholars to gain an insider's view of government by interacting with those individuals who shape public policy. I know you share our concern in educating national young leaders for responsible citizenship and join us in promoting active involvement in the democratic process. We encourage our scholars to consider all viewpoints as they endeavor to come to an understanding of the issues facing our nation.

In an effort to promote an understanding of the role of the Presidency and the current administration, a portion of the conference is devoted to the Executive Branch of government. In the past, we have begun the day with addresses from various members of the President's Cabinet and White House Staff. We at the Council certainly hope that you will assist us and contribute to the balance of our program by accepting our invitation to speak to the young leaders of tomorrow on Friday, June 21, 1991, at the National Press Club.

Your participation in the National Young Leaders Conference will give the scholars a first hand look at the Executive Branch and how it works. Since our philosophy is that we can be of no greater service to our country than by instilling an appreciation of our American heritage and democratic institutions in the "successor generation," we hope that you will respond favorably to our request.

If you have any questions or need additional information, please contact Michael Lasday at (202) 638-0008. Thank you for your time and consideration.

Sincerely,

Ellen Dalton

Ms. Jackie Kennedy
Office of Chief of Staff

Washington D.C. 20500

Dear Ms. Kennedy:

We, the 1990-1991 Senior Class Officers of Palm Springs High School, have the duty of creating a commencement ceremony for the 500 seniors who attend Palm Springs High School. One of the objectives we have is to attain a guest speaker who has such characteristics as charm, charisma, personality, care, and intellect. Another requirement is that this person be admired by the country. Ms. Kennedy, we feel with much certainty that Governor John Sununu meets all of the qualities. We ask that Governor Sununu might speaking at our commencement exercises to be held at the Palm Springs Convention Center on Monday, June 17, 1991 at 7:00 p.m..

Our class is willing to pay for all living expenses while Governor Sununu is in the Palm Springs area. This would be a symbiotic deal, as it will bring national media attention to Palm Springs High School, as well as the town, thus instilling pride, prestige, and admiration for the city, and it will continue to establish Governor Sununu as a kind, considerate person who is willing to lend his time to talk with the "leaders of tomorrow."

We would greatly appreciate your contacting us at the above address and phone number as soon as possible. Please ask for Amy Levin, Amy Edmonds, Rachel Dennenberg or Jeff Boozell. Again, thank you for your time.

Sincerely Yours,

Amy Levin

Dear Ms. Kennedy:

The Harris County Medical Society, the 3rd largest medical society in the United States with a physician membership exceeding 6,000, would be honored to have Governor John Sununu address a general membership meeting on the administration's domestic issues in general and, hopefully, some observations about current and future medical care initiatives.

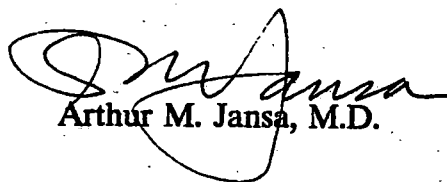

The Harris County Medical Society is in the process of a fund-raising campaign for its new Medical Museum. Any proceeds from the meeting will be donated to the museum.

With the exceptions of the week of May 6, which is the Texas Medical Association's annual meeting, and the week of June 24th, we would make every effort to accommodate a date convenient to the Governor's schedule. Our experience would indicate that an evening dinner meeting would probably turn out the largest number of attendees.

Our organization enjoys excellent working relationships with all three network affiliates, both major newspapers and the leading radio outlets in the Greater Houston area. Without question, we would be able to ensure excellent coverage.

Please let us know of your availability through Dr. Adib Mikhail by calling (713)440-4911. or writing 17200 Red Oak Dr. #206, Houston, Texas 77090.

April 30, 1991

Dear Governor Sununu:

Please walk with us -- we would like you to lend your feet to a good cause. As featured on page one of April 12's Wall Street Journal, *Lawyers Have Heart* is designed to motivate the Washington legal community to join in the service of others. This year's first annual *Lawyers Have Heart* event, scheduled for 9:00 a.m. on Sunday, May 19, 1991, will include a 10 kilometer road race and a one mile Heart Walk. All funds raised by *Lawyers Have Heart* will benefit the American Heart Association, and this event has been sanctioned by the Office of Personnel Management. C. Boyden Gray, Counsel to the President, will be our official race "starter."

While lawyers are typically seen as successful individuals, we have not always been perceived as dedicated to the community or public service. The event will demonstrate that the Washington legal community can be mobilized to pursue a worthy cause. "Celebrity" participants -- including lawyers and non-lawyers -- from each branch of the government, as well as the private sector, are being importuned to join in *Lawyers Have Heart*. *Lawyers Have Heart* is proof positive of President Bush's philosophy that, in America today, any definition of a successful life must include service to others. Your participation will help prove this point.

I am enclosing some informational materials on *Lawyers Have Heart*. While your office may have already been contacted to participate in *Lawyers Have Heart*, **we are hoping to have your personal involvement in the one mile Heart Walk.** (Of course, if you prefer to run the 10k race, feel free to sign up for that instead.) We would be most honored if you can join us on Sunday morning, May 19. Please let me know so I can assure that you are reflected on the appropriate celebrity walking "team" and that you get your distinctive *Lawyers Have Heart* t-shirt in advance. The event will take place in West Potomac Park, near the Tidal Basin, and we will advise you of where to meet, etc.

Thank you for considering this opportunity to help put the best face (and foot) forward for the Washington legal community. Please call me at 447-3351 if you have any questions or would like any further information.

Sincerely,

Alan Charles Raul

When I think of July 4th, I naturally think of Kennebunkport and the hospitality we are shown by yourself and President and Mrs. Bush. I am writing this letter in hopes to see you this year before the Fourth of July and in our own backyard so we can return the favor.

My family would like to extend an invitation to you, Nancy, President and Mrs. Bush to attend the 2nd annual Zambelli Family Fireworks Fun Festival and world-class pyrotechnic display fired this year in tribute to our sons and daughters returning from the Persian Gulf. The whole community is pitching in to make the day one to remember for our tri-state troops. Artisans at my Dad's company have designed effects such as the yellow ribbon pattern shell and the aptly named Patriot as a bang-up salute to our men and women who have made us so proud.

Last year, the world-class fireworks display and accompanying festival attracted over 200,000 residents from 7 states to Beaver County. This year, we are expecting 300,000, making our celebration the largest Memorial Weekend festival in the country.

We would be honored if you could attend.

If this would be impossible, we would love to have a representative from the White House, possibly General Colin Powell or General H. Norman Schwarzkopf. These are just 2 of our thoughts. We certainly welcome any suggestions along this line you may have.

Enclosed a list of the interns and their offices as well as the seminars scheduled so far for this spring. We will be completely flexible as to time: 6 a.m. to midnight! And if you would like to work us into an "educational function", that is of course fine, too.

In 1981 Exeter's bicentennial symposium committee picked as the motto for the Academy's educational agenda "Towards the year 2000". I am happy to note that some of those concerns have now evolved into "AMERICA 2000".

Dear Governor Sununu:

The Board of Hamstead, sincerely invites its "Salem neighbor" and Mrs. Sununu to a very special celebration at 2 p.m. on the lawn of the Town Offices. At that time, the community is dedicating two memorials—Korean and Vietnam—to the men and women who served in the forgotten wars.

The celebration is the culmination of a year's work which brought the Town, private citizens, and businesses together in a community effort. The town annually voted \$500 as "seed money" at the annual town meeting to begin funding the project, and the balance of the funds were raised through private contributions.

The day should be truly moving. Families, friends, and community will have the opportunity to finally say "thank you" and "welcome home" to our Korean and Vietnam veterans. After the dedication, the celebration and families will honor the men and women who served in ALL wars and conflicts. We will also spotlight the returning heroes of Desert Storm.

We would genuinely enjoy the opportunity of having you and Mrs. Sununu as our guests at the dedication and celebration.

Sincerely,

Dear Mr. Sununu:

On behalf of the Washington State Republican Party I want to extend an invitation to you to visit Seattle this year to be our keynote speaker at our 14th Annual Fall Dinner in October.

This event will draw hundreds of Republican supporters from across our state and is designed to help us prepare our warchests for what will be one of the most important years in Washington State Republican politics.

In 1992 we will have the opportunity of re-electing our President; electing a Republican Governor; another Republican U.S. Senator; add to our seats in the state House; increase our majority in the state Senate; and capture the new Congressional seat that redistricting will provide.

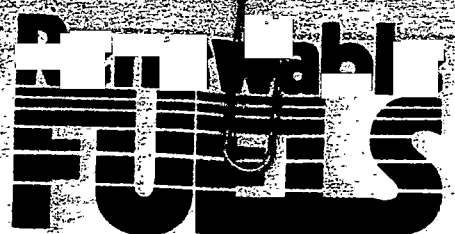

In order to be financially ready for this demanding year, we are gearing up our fundraising in 1991.

We stand ready to tailor the date of this event to meet your schedule and will be in touch with your office in the next few weeks.

Dear Governor Sununu:

On Wednesday, May 8, the Renewable Fuels Association is hosting a reception in honor of the Members of Alcohol Fuels Caucus and the Congressional Rural Caucus whose commitment to the development of the domestic fuel ethanol industry has helped make ethanol the most promising liquid fuel alternative of the '90's.

Throughout the past ten years, ethanol blended fuels have provided American motorists with over 900 billion trouble free miles of high quality performance. Today, ethanol represents the most effective pollution reduction strategy available, helping to reduce emissions of carbon monoxide, hydrocarbons and ozone. In addition, because ethanol is produced from agricultural feedstocks, it is the only alternative fuel which has a carbon dioxide benefit, helping to reduce the threat of global warming.

In the future, as America seeks to become more energy independent, ethanol will once again provide a solution. The sale of 10% blends will continue to grow, but new market opportunities will be realized as environmental and energy security concerns continue to demand the increased use of alternative fuels -- in ether markets in the form of ETBE; in mass transit markets; and in neat fuel applications in the form of E-85 and E-100. These new market opportunities demonstrate the benefits of ethanol as a domestically-produced, clean-burning alternative fuel.

Again, I hope you will be able to join us in the Rayburn Foyer between 5:30 and 7:30 on May 8th as we honor the tremendous dedication and support of the Members of the Congressional Alcohol Fuels Caucus and the Congressional Rural Caucus.

Sincerely,
Eric Vaughn

Dear Ms. Braun and Mr. Hopwood:

4-26-91

Thank you for your recent ^e letter inviting the Chief of Staff to be the Guest of Honor at your Statesmen's Briefing, sometime in the next two months.

Unfortunately, Governor Sununu must decline due to the numerous commitments already set on his schedule. Nevertheless, if you are able to repeat the invitation later in the year, it would be given every consideration at that time, especially if the Governor may be traveling to the Los Angeles area.

With the Governor's appreciation and best wishes,

Sincerely,

Jacqueline A. Kennedy

Your participation in this event would not only provide our current membership with a remarkable briefing, it would also provide us with an opportunity to dramatically increase membership in this important program. Given the pivotal role that Los Angeles County plays in national and statewide campaigns, in terms of both dollars and votes, your appearance would be a welcome "tip of the hat" as we begin our 1991 membership drive.

This Briefing would, of course, be organized around your schedule and the time you might have available. We understand that you may be making a trip to California within the next 2 months and would most sincerely appreciate your participation in this important effort.

Governor Sununu, the ultimate goal of the Los Angeles County Republican Party is to self fund all of the party building and get-out-the-vote activities in Los Angeles, leaving our State Party organization free to spend its resources in other targeted areas of the state. We feel confident that with the help of key political leaders like you, we can accomplish this goal and play an important role in the election of the many Republican candidates who will seek office in 1992 and beyond.

Warmest regards,

Dear Governor Sununu:

Several months ago, Father Alex Karloutsos of the
Greek Orthodox Archdiocese of New York cleared the date
of October 25, 1991, with Ed M. Rogers Jr., of your
staff, so that you could be available for our annual
dinner dance and awards presentation at which you will
be honored.

At this time, we would like to officially invite
you to be guest of honor at the 18th annual HANAC
Dinner Dance at the Plaza Hotel in New York City on the
afore mentioned evening.

In keeping with the tradition of the Hellenic
American Neighborhood Action Committee, we will present
you with our "Person Of The Year" Award for your many
humanitarian contributions to this country's vast array
of cultures, and to those less fortunate than
ourselves.

It is those goals to which we at HANAC aspire as we
reach out every day to the many Americans who need our
assistance.

We look forward to a prompt acknowledgement of our
invitation, so that we may move ahead with the many
arrangements necessary to make the evening the special
event to which Greek Americans have become accustomed.

Jacqueline A. Kennedy

The White House
Washington, DC 20500

Dear Ms. Kennedy:

I'm writing once again in reference to the invitation to Governor Sununu to participate in the ISM/NSM Keynote session here in Lexington on September 23. In your July 25, 1990 letter (copy attached) you indicated that Governor Sununu would give this invitation every consideration, but requested me to repeat the invitation as time grew closer. Time is drawing nearer, and I would like to repeat the invitation.

I realize that Governor Sununu's schedule is highly unpredictable and dependent upon national and international affairs, e.g. we've completed one war since last writing you! While we would be delighted if conditions are such that Governor Sununu could be present for the opening of our conference, everyone certainly would understand if he was unable to make the presentation. If this proved to be the case, I would like to be able to show a video tape containing Governor Sununu's remarks. In this event, we would use a high resolution video projector and project the image on a very large screen in the meeting room. Although this would not replace the presence of Governor Sununu, it would certainly serve as a back-up.

I'm enclosing a video tape that contains the introduction of Governor Sununu, and a script that he could use as a guide for his remarks. Quite obviously, he should feel free to edit or replace completely the script with any other he might choose. If he could have his remarks video taped (we can work with any tape format) and sent to me I can have the opening and introduction placed in front of his remarks and the final tape sent back to you, for your approval, before its to be shown at our conference. I'll look forward to receiving Governor Sununu's video taped comments at his convenience.

Ms. Kennedy, thank you for all your help and consideration. I'm still

Dear Governor Sununu:

On behalf of the Board of Governors and members of Town Hall of California, once again we extend to you a cordial invitation to address a meeting of our organization. We are now scheduling for June through December 1991, and would be most eager to host you on a mutually convenient date.

Past speakers at Town Hall include President George Bush, former President Ronald Reagan, Vice President Dan Quayle, Secretary of Commerce Robert A. Mosbacher, former Secretary of Defense Caspar Weinberger, Chairman of the Joint Chiefs of Staff Colin Powell, United States Trade Representative Carla A. Hills, former Vice Premier and Minister of Finance of Israel Shimon Peres, British Ambassador to the United States Sir Antony Acland, author Gore Vidal, CIA Director William Webster, John Akers of IBM, Anatoly Gromyko, renowned astronomer Dr. Carl Sagan, Masaaki Morita of the Sony Corporation, Mayor of Leningrad Anatoly Sobchak, and Dan Rather.

Town Hall has played a major role in this community for over fifty years as a nonprofit and nonpartisan forum for the discussion of public issues. Our membership of over 4,000 represents great strength in business, the professions, academia, government, the media and the arts. We also draw on the entire community outside our membership through our extensive media outreach with our Town Hall Journal and national weekly radio broadcast, "Town Hall on the Air," including the Voice of America. More importantly, we are firmly convinced that knowledge of international and national issues in today's world is not merely a social or intellectual asset - it is vital.

In that light, we represent Los Angeles as it is today - an area that is unequalled in the Pacific Rim, having both the traditions of the past and the creativity and energy of the present looking toward the future.

Governor Sununu, please know that I and my staff stand ready to assure that your visit to Town Hall of California is both pleasant and productive.

Dear Mr. Sununu,

encl.

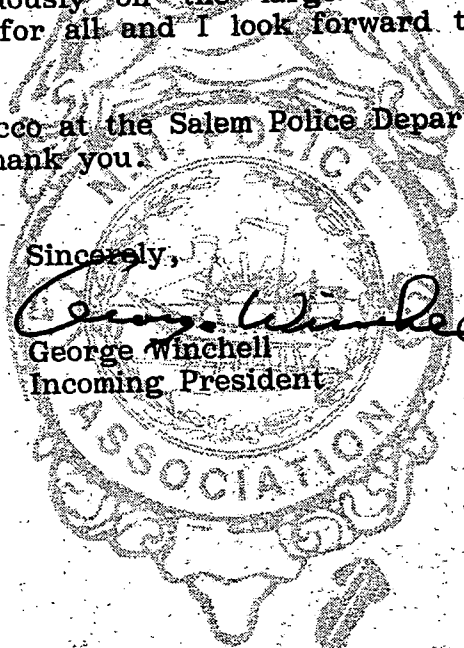

This year the Salem Police Department is proud to be sponsoring the New Hampshire Police Association's Annual Convention. The enclosed tickets are for the Incoming President's Banquet which will be held at the Sports Lounge at Rockingham Park on Tuesday, May 21, 1991 between the hours of 6:00 and 9:30pm. I would be honored if you and your wife could join us for the evening. This "All You Can Eat" hot & cold buffet should prove to be a highlight to this year's convention.

We are going to have some famous sports celebrities on hand to mingle with during the evening. This should complement the new 600 seat facility nicely. Comedian Tommy Maher will also be on hand for a good laugh and sports flicks will be played continuously on the large over-head TV screens. A good time is guaranteed for all and I look forward to seeing you at this gala event.

Please RSVP by calling Joyce Crocco at the Salem Police Department by Tuesday, May 7 at (603) 893-1911. Thank you.

Dear Governor:

The Insurance Federation of Minnesota is a state-wide all insurance industry trade association representing the life/health and property/casualty insurance business in the state of Minnesota.

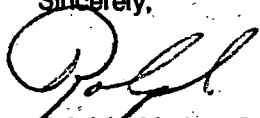

Our member companies are national in scope, The St. Paul Companies, Minnesota Mutual Life Insurance Company, Northwestern Life Insurance Company, IDS Life Insurance Company, North America Life and Casualty, Lutheran Brotherhood, to mention only a few. I bring the CEOs of these companies to Washington D.C. once a year to have a breakfast meeting with the Minnesota Congressional Delegation. Enclosed is a list of the Federation Executive Committee. This group along with several other CEOs will be in Washington D.C. mid-morning on Wednesday, June 19 through mid-morning Thursday, June 20. It would be a high honor and rare privilege to have you brief us on some of the major domestic concerns.

Our CEOs are Republicans and have supported President Bush. We are also pleased to have a Republican Governor in Minnesota. We would like to elect a Republican House of Representatives and State Senate as well. Such a meeting at the White House would encourage these CEOs. They need to understand that it is politically possible to change a state such as Minnesota from the democratic column to the republican column. If you could brief us in the Roosevelt or Indian Treaty room or the White House Theatre, it would be an event that these CEOs would remember; and they could turn the tide in Minnesota.

Congratulations to you on an outstanding job in being the Chief of Staff to the President of the United States during this recent Gulf Crisis. It is a time of pride for all American citizens. As a former Green Beret, I can assure you it was a exhilarating experience to have a President with the fortitude to persevere under to most difficult of circumstances.

I look forward to your favorable response to this request.

Dear Governor Sununu:

On behalf of the Urban, State and Local Government Section of the American Bar Association, I am privileged to invite you to address the luncheon gathering at an all-day program entitled "Caution: The Environment is Hazardous to Your Wealth," a subject on which your views would be of great interest to our members.

The event is part of the Annual Meeting of the American Bar Association, and will be held on Monday, August 12, 1991 in Atlanta, Georgia, at the Omni Hotel. Luncheon is scheduled for 12:30 pm, and your address is planned for 1:15 pm. A cocktail reception at 5:30 pm will conclude the afternoon session, and we would be delighted to have you be our guest for that as well should your schedule permit.

We have assembled a distinguished set of speakers for the program, including Lord Nathan of Britain. The program focuses on both government and private liability, especially with respect to hazardous waste, but please feel free to speak on any topic of your choosing within the general subject area. We have allowed 20 minutes for your remarks, and would be happy to extend the time if you wish. Your speech would undoubtedly be a highlight of the entire Annual Meeting, and we would expect an audience of 150 plus..

I would be available and pleased to work personally with your staff to make arrangements for your appearance. I can be reached at the Department of Commerce, 202-377-0526 or -0534.

Again, on behalf of our Section, I want to let you know how much we would value your taking the time to share your thoughts with attorneys from around the nation on such a critical issue that will be on everyone's mind next summer.

The Honorable John Sununu

The White House
Washington, D.C. 20500

Dear Governor John Sununu,

I have the privilege of attending the Owners/Presidents Management School at the graduate school of business administration at Harvard University; a special program with sessions held over a three year period.

One of my fellow classmates, Bruce Colley, a partner with Rick Mc Coy of Colley Mc Coy Company, and myself thought that having a visiting dignitary speak to the class would be not only inspiring but extremely informative.

This class is made up of a diverse group of both large and small company leaders from various parts of the world.

Approximately thirty-five percent of the class are foreign representing twenty-six different countries.

The class total is approximately one-hundred and twenty members and this is our third and final year.

Although I certainly understand your schedule is extremely heavy and sometimes unpredictable, we would be honored if you could take some of your valuable time to meet with the class and speak to us about your fascinating, important and highly visable position, or any other topic you desire.

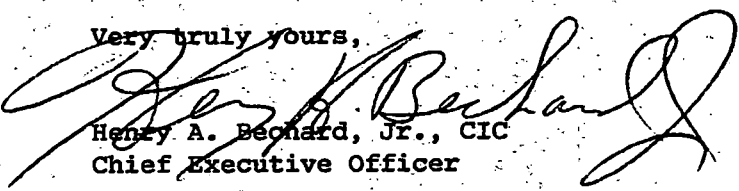

We will be at Harvard from May 5, 1991 through May 24, 1991.

If we could interest you in visiting with us I could forward a Who's Who book which provides all pertinent information in an autobiography format.

I am sure any date and time would be acceptable and I will take the responsibility of coordinating all time tables.

If more information is desired from your office I will be sure that it is provided.

We appreciate your consideration.

Very truly yours,

Dear Governor Sununu,

~~On behalf of Jack Welch, GE's Chairman and the Chairman of The Business Council, the Council would be delighted if you could speak at their spring meeting at the Homestead, Hot Springs, Virginia on Friday morning May 10, 1991. The suggested time is 11:20AM to 12Noon, although this can be tailored to your schedule, i.e. speaking on the morning of Saturday, May 11 if that is more convenient. The Council is anxious to get your overview on the Administration's priorities for this year and leading into the 1992 elections, and then to have an active question and answer period with you.~~

~~The Council knows you are very busy and get many invitations, but it feels this meeting can provide you with a timely and far reaching forum with the CEO's of 100 major U.S. corporations. If you can speak, The Council would work with your office on appropriate transportation arrangements. We hope your schedule will permit you to be with The Council on May 10 or 11, 1991 since we know you would be the highlight of the meeting.~~

AUTO DEALERS & DRIVERS FOR FREE TRADE
Political Action Committee

April 10, 1991

The Honorable John Sununu
Chief of Staff to the President of the United States
The White House
Washington, D.C. 20500

Dear Governor:

The Auto Dealers & Drivers for Free Trade Political Action Committee is pleased to be meeting with
dealers from across the nation this year.

As you know, we are an independent political action committee which has provided over \$6 million in support of Republican candidates since our inception in 1981.

We have also provided support to all Republican campaign committees and engaged in Independent Expenditure programs in support of Republican candidates since 1986.

In the most recent election cycle the Auto Dealers PAC provided over \$1.5 million in support for GOP candidates for federal office alone.

Last year the dealers particularly enjoyed your most insightful exposition on political affairs impacting the nation and our industry.

It was the overwhelming desire of our group to be addressed by you once again for our upcoming meeting to be held on Monday, May 13th from 12:00 to 1:30 P.M. at the Willard Hotel's Pierce Room.

The dealers would be most honored if you would share your unique perspective with them on the most current political and legislative issues.

Dear Hon. Sunmu & Mrs. Sunmu:

The Asian-Pacific American Debutante Cotillion committee is pleased to announce its first annual ball. It will be held on May 25, 1991, at the Willard Inter-Continental Hotel, Washington, D.C. This event will be part of the celebrations during the Asian-Pacific American Heritage month as proclaimed by President George Bush. The Committee will be honored to have you serve on our Honorary Committee. Serving on the Honorary Committee in no way obligates you, if your schedule does not permit you to be present at the Ball. Part of the proceeds from this Cotillion will be contributed to a literacy project.

The organizers of The Asian-Pacific American Debutante Cotillion were also responsible for the very successful first and second Asian-Pacific American Presidential Inaugural Balls in 1985 and 1989. We sincerely hope you will be able to participate.

We will be in touch with your office shortly to learn of your decision so that we may include your name in our program. Thank you for your consideration.

Dear Governor,

It is with great pleasure that we invite you to address the 1991 Convention of the California Republican Assembly (the largest Republican volunteer organization in America) at its annual National Conservative Leadership Conference.

The Convention will be held in Sacramento, California, on May 3 through May 5. This important Convention will set the tone for the conservative movement in California as well as the United States for the decade of the Nineties.

Leaders from all across America will be attending. You have been selected from a poll of influential conservative leaders to speak to the Convention.

It is also with great pride that we inform you that you have been selected as this year's recipient of the "FREEDOM FIGHTER AWARD" from the California Republican Assembly.

We would ask that you allow us to fly you to Sacramento for this important occasion to receive this award and speak to the Convention. The Convention will run from Friday evening to Sunday morning.

We look forward to hearing from you soon and believe that you have a key role to play at the 1991 Convention. Upon acceptance of this invitation, we can then confirm your exact appearance and speaking schedule. I can be contacted at the following address and phone:

Dear Mr. Sununu:

We would like to extend an invitation to you to participate in a very special event at Fenway Park. On May 12, 1991, we will be honoring Ted Williams with a day in recognition of the 50th Anniversary of his greatest season, 1941.

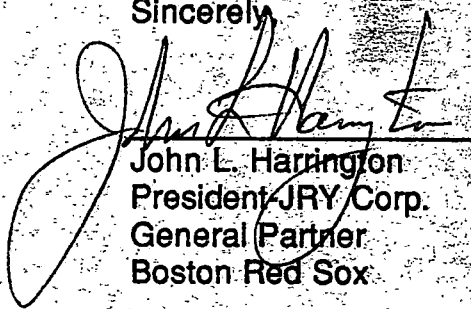

As you know, Ted became the last player to hit .400 in a season that year. He also hit a dramatic All-Star Game home run. These events and others from his great career are the reasons for this tribute.

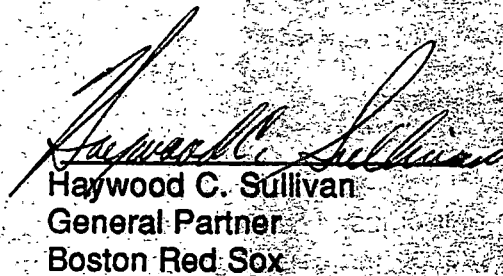

Williams is an American hero for more than his baseball accomplishments. He was a marine fighter pilot in both World War II and Korea, missing five baseball seasons in his prime to serve his country.

In addition to your participation, we would be very grateful if you could arrange for the President to make a videotaped message that we can present on our centerfield message board in Fenway Park. We are sure that such a message would have great impact for Ted and the fans in attendance.

Please let us know if you will be able to attend this event. We will make every effort to insure your comfort and privacy while you are here.

The Honorable John Sununu, Chief of Staff
Gregg Petersmeyer, Director, Office of National Service
The White House
Washington, DC 20500

Dear John and Gregg:

In May of this year Citizens' Scholarship Foundation of America will celebrate the 30th Anniversary of its incorporation. In this connection CSFA will be holding its spring Board meeting in Washington, D.C., May 16-18. With this letter, I am formally requesting a brief recognition event at the White House, with President Bush for a brief photo opportunity and briefing.

CSFA is now one of the fastest growing education support organizations in the nation. As you both know, CSFA's mission is to expand access to higher education by involving and assisting the private sector in the support of students and in the encouragement of higher levels of educational achievement. CSFA carries out this mission in two major ways: (1) by creating, developing, and sustaining community-based, volunteer-supported Dollars for Scholars foundations in towns and cities throughout the country, and (2) by designing, developing, and managing scholarship programs supported by corporations, foundations, associations, and individuals. Currently over 530 Dollars for Scholars chapters are affiliated with CSFA in 33 states, and we manage over 360 corporate-sponsored student aid programs.

Present for our Washington, D.C. meeting in May will be members of our Governing Board and Advisory Board (composed of business, education, and community leaders from around the nation). Also present will be Dr. Irving Fradkin, Founder of CSFA, and members of our Trustees Honor Roll. Approximately 50 persons will be in attendance for the Board meeting.

The proposed White House event will especially recognize the more than 10,000 volunteers in over 530 communities working hard to encourage and support their local youth to complete high school and pursue post-secondary education. I have submitted an official nomination to Gregg to have these volunteers named as one of our nation's "Points of Light." Our goal is to continue the growth of this program until it reaches every town and city throughout our nation. This recognition will be an important source of inspiration to other communities to join this national movement.

Dear John:

In celebration of our 100th Anniversary, The Newcomen Society of the United States will honor Elliot Hospital at the Center of New Hampshire the evening of June 26, 1991.

As you'll recall, The Newcomen Society's purpose is to broaden the knowledge and understanding of the hopes, ambitions and deeds of leaders and their organizations by recognizing their significant achievements to the benefit of the society they serve. We're delighted that Newcomen has decided to join in the celebration of our centennial with this special tribute.

The evening's format includes a reception and dinner followed by the life story of the Elliot Hospital interpreted through the dreams and achievements of those who laid the foundation for our future prospects and challenges. Scott Goodspeed, President of Elliot Hospital, Dr. Jim Butterick, Vice President of the Medical Staff, and I will be the principal speakers and our address will be published and given wide distribution by The Newcomen Society to its 13,000 members, and over 7,000 public and private libraries including those of schools and colleges.

We're hopeful to have an attendance of 400-500 from an invitation list which will include the business, professional, governmental, religious, medical and service leaders in our community. This is our opportunity to reach out to our community and with great pride, tell the wonderful Elliot story.

John, I'm well aware of your significant responsibilities in service to President Bush. I can only imagine the demands on your time, however, if your schedule permits, we'd be honored if you and Nancy would be our guests at this special event. I've asked Helen Closson to follow up with Jackie Kennedy to provide any additional information and make the necessary arrangements.

Best wishes.

Dear Mr. Sununu:

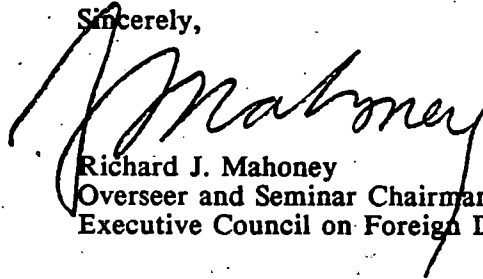

I want to invite you to join other leaders from business and government for a week-long combination of off-the-record discussions and white water rafting at the 1991 Salmon River Executive Seminar to be held this July in Idaho.

Sponsored by the Executive Council on Foreign Diplomats, the Seminar offers an outstanding chance to develop strong personal relations with leaders from important trade partners and from the U.S. Government. Those who attend have found it useful in planning international economic and business strategies. Some companies use the program as executive training for their senior managers.

This year's seminar will address the trade and economic growth issues which are central policy concerns for business and government. Meetings will focus on technology, competitiveness, productivity and the balance that is needed between trade, growth and the environment.

The enclosed publication tells more about the program -- how it works, who attends and the unique setting where it is held. Because space is limited to about 30 participants and their spouses, I urge you to alert the Council at 914/273-9100 as soon as possible if you are interested or would like to nominate someone in your place.

UNITED STATES SENATE
WASHINGTON, D. C.
March 18, 1991

Dear John:

On behalf of the First Annual Congressional Challenge, I invite you to participate in a charity golf cup that I am hosting this summer to benefit the Intermountain Ronald McDonald House located in Salt Lake City. The challenge will take place Monday, August 12, in conjunction with the 10th Anniversary of the Showdown Classic Senior PGA Tour Tournament held at Jeremy Ranch on August 5-11 in Park City, Utah.

I have invited a few key senators, congressmen, and White House officials to enjoy mountain golf at its best. Several professional legends of the game have already promised to join us, and we are in the process of asking others.

Accommodations will be provided for you at the world-renowned Deer Valley Resort. You are invited and encouraged to bring your family with you, to enjoy a variety of activities which will be made available at the resort for them. You and your family are also welcome to join in any of the Showdown Tournament activities during the week of August 5-11 (schedule enclosed). Extended accommodations can be arranged in addition to your complimentary accommodations which are for Saturday evening, August 10 through Monday night, August 12.

The Congressional Challenge will take care of arranging for your personal airfare and will provide you with a private vehicle during your three-day stay in Park City. The only costs you may incur would be airfare for your partner or family, extended-stay accommodations, and miscellaneous incidental family expenses.

A schedule of events for the Congressional Challenge is enclosed along with a description of the event format. This cup promises to be a tremendous experience for all involved and a significant financial help to a worthy cause.

Please take a few minutes to review the enclosed materials, and then feel free to contact me or Linda Jepsen of my staff at 202-224-5256, so that we can answer any questions you may have.

This enjoyable and worthwhile endeavor is important to me. I hope you will be a critical part of its success through your participation. I will look forward to hearing from you soon.

Sincerely,

Orrin G. Hatch

be keynote speaker at the

The White House

Subject: Invitation to be the Keynote Speaker at the Silver Anniversary Conference of the Pressure Vessels and Piping Division of the American Society of Mechanical Engineers, San Diego, California

Dear Governor Sununu:

About three years have elapsed since I last saw you at the Tufts ME Christmas party in December 1987. As you may know I have been working at Argonne National Laboratory developing a fast breeder nuclear reactor system; our program is known as "IFR (Integral Fast Reactor) Program". It has been funded by the U. S. Department of Energy for the past five years, and we are making excellent progress.

I have been very active in the American Society of Mechanical Engineers as a board member of the ASME Nuclear Codes and Standards, and also as an active committee member of the Pressure Vessels and Piping (PVP) Division. The PVP Division is one of the most active ASME divisions, and we will be celebrating our Silver Anniversary at the 1991 PVP Conference to be held in San Diego, California, June 23-27, 1991.

The Executive and Conference Committees of the PVP division would like to invite you to the conference as the conference keynote speaker. The keynote address is scheduled on the morning (starting at 8:30 AM) of June 25, 1991 (Tuesday). If this time is not convenient, would you be available to speak at the PVP Division Honors Luncheon starting at 12:30 PM on June 26, 1991 (Wednesday)? If you can find time to address the Conference, it will be a great honor for the division (and also for me as one of your former students twenty years ago at Tufts). Topics for your speech can be any subject related to technology, education, the environment, or the National energy policy.

Enclosed please find information about the PVP Division and its Silver Anniversary Conference Program. I hope you can find time to address the ASME PVP audience estimated to be about 600, representing a broad cross section of

Dear Governor Sununu:

The students of Ottawa Elementary have been involved in International Art Exchanges for the past four years. During this time, they have exchanged their artwork with students in Italy, England, Greece, Japan (two schools), Israel, China, Germany, Poland (two schools, general education, Special Education, Mentally Impaired), Africa, and Aruba.

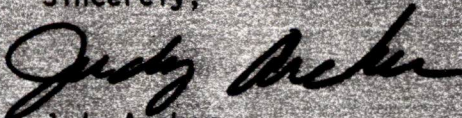

Through this exchange we hope to enhance the idea of international friendship between children of similar ages and promote a friendship between the countries involved. The art exchange allows students to analyze and compare other cultures, helping them to better understand and conceptualize the world and many different people. Basically it's students teaching students and the information is current.

The students of Ottawa Elementary and the students of Poland, Greece, Japan, Aruba, and England invite you to attend Ottawa's "Global International Visual Art Exchange Reception" on April 20, 1991. Our elementary school will be transformed into an enormous art gallery exhibiting over 500 pieces of Ottawa Elementary student artwork as well as artwork from the countries mentioned above. The students, staff, parents, and local business people have combined their efforts and support to "Celebrate" this accomplishment. We would be honored by your presence.

We are asking your endorsement of this program which we will be happy to display at our reception.

Thank you for your continued support of Global Education.

Sincerely,

Judy Archer

Dear Governor Sununu:

With reference to our letter dated May 16, 1990, we are continuing to confirm plans to dedicate the Astronauts Memorial at NASA's John F. Kennedy Space Center, Florida.

Due to unexpected construction delays, we have postponed the official dedication ceremony, originally scheduled for December 3, 1990 to May 2, 1991. Our intention is to preserve the program as initially outlined, making only minor adjustments where required.

On behalf of the families of those we honor, and as the personal invitation of Grace Corrigan, we respectfully request your presence at this auspicious event on Thursday, May 2, 1991 at Spaceport USA, Kennedy Space Center. The Astronauts Memorial Foundation is working diligently to ensure that the dedication ceremony will be an inspiration to the American people and a fitting tribute to those astronauts whom we commemorate.

We appreciate your consideration and apologize for any inconvenience this postponement may cause. Revised information will be forthcoming. In the meantime, please do not hesitate to contact our Dedication Director, Mary Higbee, at (407) 898-3737 if you have any questions.

Sincerely,

Dear Gov. Sununu:

I very much appreciate the opportunity to meet with you this morning. I welcomed the chance to exchange views with you, particularly on the Mideast peace process.

As I indicated, we'd be honored to have you address the B'nai B'rith Board of Governors at a luncheon on Monday, May 6. The event will take place at 12:30 PM at our headquarters on Rhode Island Avenue. The Board is the highest policy-making body of B'nai B'rith. Some 150 leaders from the United States and abroad will be in attendance. I do hope you can join us.

I look forward to staying in contact on matters of mutual concern.

Mr. Sununu:

The Kentucky MATHCOUNTS Team was selected at our state competition held on March 16, 1991 and, as the state coordinator, I am currently planning our itinerary for the National MATHCOUNTS competition to be held in Washington D.C. on May 3, 1991. Because MATHCOUNTS is sponsored by the National Society of Professional Engineers and was established to promote math as an exciting, challenging and absorbing experience, leading to rewarding career opportunities, I would very much like to extend an invitation to a fellow professional engineer of your stature. If your schedule permits, I would be able to facilitate a visit with you in the afternoon on this date or on Saturday May 4, 1991.

The Kentucky MATHCOUNTS team has consistently finished among the top teams in the nation and is a real source of pride among Kentuckians who have seen Kentucky ranked near the bottom of most educational rating publications time after time. I hope you will be able to visit with us at this time and will await your response. Dear Mr. Sununu:

On behalf of the Economic Club of Washington, I am pleased to invite you to the Club's Spring Dinner on Wednesday evening, May 8, 1991, at the Park Hyatt (24th and M Streets, N.W.). Our featured speaker will be Robert E. Allen, Chairman and Chief Executive Officer of AT&T. The reception will begin at 6:30 p.m. in the Park Ballroom Foyer, followed by dinner at 7:15 p.m. in the Ballroom. Mr. Allen's remarks will be followed by a question-and-answer period, which will conclude promptly at 9:30 p.m. For those wishing to stay, a cordial hour will follow the program. Dress is black tie.

Space is limited, so please respond as soon as possible by the enclosed card or by calling (202) 639-5100. Substitutions cannot be accepted.

Mr. Allen assumed his current responsibilities in April of 1988, having previously served as President and Chief Operating Officer. He began his career with Indiana Bell and subsequently served as Vice President at Bell of Pennsylvania and Chief Operating Officer at Illinois Bell. In 1981, Mr. Allen became President of the C&P Telephone Companies and was named Chairman in 1983.

I hope you will be one of our distinguished guests at this stimulating and thought-provoking evening.

The NH Association of Chief's of Police would be most honored if you could join us as our guest speaker for our annual convention, June 9th through June 12th, at the Balsam's.

This convention will celebrate our 50th year as a professional organization, and of course all of your old friends would be delighted if you could make an appearance.

We consistently have about 250 registered for the conference, and expect that this will be an outstanding anniversary convention.

On a personal note, Sandi and I want to wish you and the family all of our best. We're very proud of the work being done, and hope that we will be able to say hello on one of your next stops in State.

Dear Governor Sununu:

The eighteenth annual Channel 11 Auction to benefit New Hampshire Public Television will be broadcast live May 3rd through May 11th from the Portsmouth Circle Business Center in Portsmouth. We hope you will help make this the most successful of all Auctions by volunteering to appear on camera during the most far reaching fundraiser in the state.

This year's Auction goal is \$404,000, an amount we must raise to balance Channel 11's budget. As always, businesses and volunteers from all over our wide viewing area are participating. Can we count on your participation, too?

This year on-air shifts and responsibilities vary due to the introduction of merchandise theme nights and other special attractions. Please help us with a difficult scheduling task by indicating on the enclosed form the hours between which you are available in order of preference. Preference forms must be returned to our Auctioneer Chair, Philip Pancoast, in the enclosed pre-addressed envelope no later than April 15th.

We will do our best to honor your first (or second) choice and will notify you of the exact day and time of your assignment and provide other details as soon as possible. (Please note this invitation is for YOU, not a substitute.)

We sincerely hope you will be able to join us, and look forward to welcoming you to the Channel 11 Auction in May.

... be the keynote speaker
 for your annual conference, either
 July 22 or 24, in Baltimore

April 4, 1991

The Honorable John H. Sununu
 Chief of Staff to the President
 The White House
 Washington, D.C. 20050

Dear Mr. Sununu:

I am writing on behalf of the Executive Committee of the National Association of State Budget Officers (NASBO) to invite you to be the Keynote Speaker for our annual conference at the Hyatt Regency on the Inner Harbor in Baltimore on July 21-25, 1991. I have personally been an active member of this organization for the last seven years and have had the opportunity to hear you speak to several national organizations, including the National Governor's Association. We would consider it an honor and a privilege to have you join us for our annual meeting. Our objective is to get a commitment from every state to send either the budget director or a designee. We would be particularly interested in your comments and/or advice as a former governor who had to deal with budget issues and your current views of federal and state fiscal policy as the President's Chief of Staff.

The theme for our annual conference is "Managing the Economic Recovery." Our agenda will include: external factors affecting state budgeting in the 1990's, cutback management - what worked and what did not, executive legislative relations, earmarking appropriations, federal and state tax policy and longterm economic trends.

We have two luncheon dates available: Monday, July 22 and Wednesday, July 24, 1991. You are cordially invited to attend the luncheon, which would begin about 12:00 p.m. The keynote speaker will follow immediately, around 1:00 p.m. We would be happy to provide roundtrip transportation and an honorarium is available. //

Your acceptance would give you the opportunity, for example, to elaborate on one or more fiscal matters of major concern to President Bush and each of the 50 states. As you know, last year 20 new (1st term) Governors were elected. Almost one half of the NASBO membership is new this year. Conference participants will be anxious to hear any budgetary insights from the Federal administration. Also, you may want a clearer picture of plans for expenditures at the state level.

Dear Mr. Sununu:

It is my esteemed pleasure to invite you on behalf of the New Jersey Young Republicans to be our Keynote Speaker at the annual State Convention and Leadership Conference which will be held in Middlesex County New Jersey on May 18 of this year. The theme for this convention will be "Leadership in the 1990s."

Should you be able to attend, you will be joining a group of New Jersey's finest leaders and orators including 1990 United States Senatorial Candidate Christie Todd Whitman, New Jersey State Senator John Dorsey, New Jersey Assembly Minority Leader Chuck Haytaian and New Jersey State GOP Chairman Bob Franks. The GOP Congressional Delegation has also been invited with The Honorable Dick Zimmer and The Honorable Dean Gallo already confirmed.

The growing interest in and enthusiasm for the Republican Party and its ideals is very encouraging and gratifying. I am happy to report to you that here in New Jersey we are experiencing an extremely dynamic period in terms of growth in our membership and a desire by our members to partake in this new-found activism. Our ranks are swelling not only in terms of individuals between the ages of 18 and 40, but also among Teen Age Republicans, College Republicans, and supporting memberships of individuals over 40 years of age.

I would like to invite you to be our special guest at the Inaugural President's Cup Golf Tournament to be held at the Manchester Country Club, one of the premier golf courses in New Hampshire, on Monday, June 24, 1991. The tournament has been established to raise scholarship funds for deserving students who plan to attend New Hampshire College. The scramble format with a shot gun start will begin at 12:15 p.m. Registration begins at 10:00 a.m. with lunch served from 11:00 a.m. to noon. Following the tournament there will be a dinner and presentation of awards.

I hope you will take time out of your busy schedule to captain one of our foursomes. During a time when students are finding it increasingly difficult to finance their college education we would appreciate your willingness to give your time to this scholarship event.

Please return the enclosed reply form or give my office a call at 603-668-2211 Ext. 9631 to let us know that you will play in our first President's Cup Golf Tournament. Your participation will go far toward making this tournament a success!

Dear Ms. Kennedy,

One year ago, I contacted Governor Sununu's office and spoke with you regarding the possibility of the Governor addressing the Colorado Ski Industries' Annual Membership Conference. You had indicated to me on the phone at the time that Governor Sununu would give some consideration to this event but last year, due to scheduling conflicts, he was unable to attend.

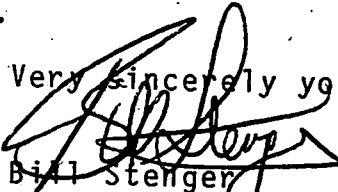

The reason for my contacting you at this time is to see if it would be at all possible for him to consider being the keynote speaker for this year's conference ~~at the Jay Peak Ski Resort in Durango, Colorado~~.

I've taken the liberty of sending you a copy of the letter that is going to Governor Sununu and would ask if you might help us in concluding whether or not he might be able to fit this into his busy schedule. The Colorado Ski Industry is a major force in winter recreation and its membership includes very staunch supporters of the Administration and have very close ties with the Republican party. As I indicated in Governor Sununu's letter, fund raising efforts would be possible and Senator Hank Brown could certainly benefit from this type of visit.

If it's acceptable with you, I would like to contact you sometime during the next 7 - 10 days to determine if Governor Sununu could give consideration to this speech.

Thank you sincerely for giving this review and I look forward to speaking with you in the future.

Very sincerely yours,

Washington, DC 20500

Dear Mr. Sununu:

The end of the Gulf war has brought with it new opportunities for economic growth in the Middle East. This is a time for bolstering ties between the U.S. and its allies in the region, and America's relations with the Gulf Cooperation Council nations continue to grow stronger by the day.

With this in mind, the American Business Council of the Gulf Countries (ABCGC), the voice of American business in the Gulf, will lead a delegation to Washington on April 8-12. Composed of American business leaders living in the Gulf, the delegation will meet with key members of Congress, the Administration, and the private sector.

Sometime during that week, at your convenience, members of the delegation would like very much to meet with you. A representative of my staff will be calling your office soon to arrange a meeting, should your schedule permit.

The ABCGC, representing the substantial American business community in the Gulf, is the coordinating body for the region's AmChams, affiliate members of the U.S. Chamber of Commerce. ABCGC's member organizations are located in Saudi Arabia, Bahrain, Oman, the United Arab Emirates and, until recently, Kuwait. In recent years, the U.S. has exported an estimated \$13 billion in goods and services annually to this important region, generating and sustaining hundreds of thousands of jobs in America.

In the aftermath of the Gulf war, ABCGC's upcoming visit is particularly timely, and we hope that you will be able to take this opportunity to meet with the delegation. Because of their extensive experience in the Gulf, delegation members are in a position to provide a unique perspective on the Gulf war, the reconstruction of Kuwait, and new opportunities for American business in the region.

Sincerely,

David A. Hamod, President

Dear Ms. Kennedy:

This letter is a followup of Mr. Richard Hesse's conversation with you of a few days ago. Mr. Hesse chairs the American Consulting Engineers Council's Award of Merit selection committee.

The American Consulting Engineers Council, a national, professional/business association of approximately 5,000 private-practice engineering firms, would like to honor Mr. John Sununu by presenting him with our 1991 Fellows Award of Merit. This would include his being the guest of honor at a presentation banquet to be held on October 19, 1991 in Albuquerque, New Mexico.

Membership in ACEC is restricted to firms which have no commercial, sales, construction contracting or other affiliations which might bias their independent engineering judgement.

The major thrust of the Council is advancement of the professional, business and technical standards and practices of consulting engineers. Our bottom line is helping our members provide quality services to their clients. Member firm disciplines include virtually every field of engineering services: acoustical, agricultural, chemical, civil, electrical, environmental, geotechnical, industrial, mechanical, metallurgical, mining, nuclear and structural.

RE: Main Speaker-Engineer's Week, February 1992

Dear Mr. Sununu,

Our group, the Electrical and Electronic Engineers IEEE, recently participated in the "Engineer's Week" program at the Marriott, Palm Beach Gardens. A copy of the program has been enclosed. There were about 300 people in attendance to hear the main speaker from Pratt Whitney discuss the Advanced Tactical Fighter, the ATF bid program and flight tests. These were very interesting. Also, we had the awards for the Student contest held nearby.

For suggestion to our group, it would be an extreme honor and a pleasure if you were able to attend this program for next year. This program is usually held between February 15th and February 22.

Would you please let me know if this program, as "MAIN SPEAKER", JOHN H. SUNUNU, WHITE HOUSE CHIEF OF STAFF might be arranged. A reasonable firm schedule date would be expected by December, this year, 1991, so that schedules and program information can be developed. Also, we should know of engagement fees expected, for your appearance.

Of benefit to our South Florida area would be that your responsibilities and to some extent, your achievements, have been accomplished through hard work, educational opportunities, and determination on your part to achieve success as, possibly, the United States Top engineer. Your political activities make this career achievement especially important. Congratulations on your success!

We would like to make this visit possible in many ways given the information that would help make your engineering week, main speaker, program possible. As possible considerations, we could arrange to pay all of any commercial transportation costs for regular travel and hotel accommodations here. Also, we would hope that you could possibly enjoy our weather in February and possibly visit your father who we understand lives near by the West Palm Beach area.

While chairman of the IEEE, Power Group in Akron Ohio, we won the outstanding chapter award. This was for the work that we did in several major engineering areas including atomic power study. Also, when I was the Akron IEEE Section Chairman, we hosted the engineering week event. There, I met Dr John F McCarthy who may have been a contemporary with you at MIT. We had an interesting discussion on his research at MIT and also, on his position at Rockwell. His talk was directed to New Energy Technologies and he discussed programs that are "dinosaurs and rabbits." This was, very interesting.

Would you please advise me on a possible appearance, next year, for the "ENGINEER'S WEEK" program so that we can make further arrangements.

Sincerely, Russell Scott

Dear Mr. Paul:

On behalf of the Chief of Staff, I am pleased to inform you that he has accepted your kind invitation to be luncheon speaker at the AIAA annual meeting in Washington on May 1.

However, I must caution you that Governor Sununu's confirmed participation is contingent upon no other scheduling conflict which may require his presence elsewhere. The Governor may have to travel out of Washington during that week, but this is not yet certain. Please contact me at (202) 456-6798 to finalize details.

With the Governor's appreciation ^{and best wishes} to Senator ^{Howard} Baker and all of you at AIAA,

Sincerely,

The Congress on the Future of Engineering,
March 28, 1991 July 1-3, at Westfields in
Herndon, Virginia

The Honorable John H. Sununu
Chief of Staff of the President of the United States of America
The White House
Washington, DC 20500

Dear Governor Sununu,

LEAP, the League for Engineering Automation Productivity, traces the loss of US primacy in manufacturing to a disjunction in the goals of industry with those of engineering education. We will address its causes in *The Congress on the Future of Engineering*, a three-day conference we are holding July 1 through 3 at Westfields International Conference Center, near Dulles.

Would you be willing to address the Congress as our keynote speaker? Your background and views make you the ideal person to challenge and inspire the 250-300 leaders of education and industry that will be gathered for this event.

We are coming together to address the disparity between engineering education and the needs of industry—and between education's need for funding and support, and industry's awareness of it and willingness to meet it. This Congress will have a strong influence on American manufacturing productivity in the '90's. I've enclosed preliminary materials about the event.

I believe your insights on the role of technology in engineering and engineering education will be very enlightening to our attendees. And if your schedule would also permit you to stay for all or part of the Congress, I think you will find much of interest.

I look forward to hearing from you soon.

Sincerely,

LEAP

Dear Governor Sununu:

On behalf of the National Federation of Republican Women, I would like to extend an invitation to you to speak at our upcoming Regents Day. We were grateful for your participation last year as our banquet speaker and invite you, this year, to address the Regents during our political briefings session.

The briefings session will take place on May 21st between 9:30-12:00 p.m. at the Willard Inter-Continental Hotel. We will, of course, work closely with your staff to arrange a time for you to speak which best accommodates your schedule. There will be approximately 250-300 Regents in attendance. This year we are pleased to have Sally Atwater serve as our 1991 Honorary Regents Day Chairman.

As you may know, Regents are our major donors who contribute \$1,000+ annually. The contributions received from the Regents program makes it possible for us to fund our many training schools and leadership seminars designed to educate and train Republican candidates nationwide. These contributions are crucial to NFRW's success.

Please have your staff contact Nellie McCormack on my staff at 547-9341 to let us know if you will be able to speak and to finalize details.

I feel your participation will ensure an enjoyable and successful event, and will be honored if you can join us.

Sincerely,

Dear Governor Sununu:

As the host State Treasurer, and on behalf of the National Association of State Treasurers (NAST) it gives me great pleasure to invite you to deliver the keynote address to the Treasurers' Annual meeting to be held at Waterville Valley from August 24 to 28, 1991. The opening session is scheduled for 9:00am on Monday, August 26.

The theme of the 1991 conference is "State-Federal Partnerships." In the context of the initiatives proposed by the Bush Administration, from your vantage point at the federal level and as a former Governor, the Treasurers recognize that you bring a unique and insightful perspective to the issues facing the states.

NAST of course would be happy to provide lodging for you and Mrs. Sununu as well as travel expenses.

We hope you will be able to be with us in August and look forward to your presentation. Please do not hesitate to call if you have any questions regarding times, topics or details.

March 27, 1991

The Honorable John Sununu
Chief of Staff
The White House

Dear Mr. Sununu:

The end of the Gulf war has brought with it new opportunities for economic growth in the Middle East. This is a time for bolstering ties between the U.S. and its allies in the region, and America's relations with Egypt continue to grow stronger by the day.

With this in mind, the Board of Governors of the American Chamber of Commerce in Egypt will lead a delegation to Washington on April 22-26. Composed of American and Egyptian business leaders, the delegation will meet with key members of Congress, the Administration, and the private sector.

Sometime during that week, at your convenience, members of the delegation would like very much to meet with you. Someone from Intercom International Consultants, AmCham Egypt's Washington representatives, will be calling your office soon to arrange a meeting, should your schedule permit.

The American Chamber of Commerce in Egypt, founded in 1982, is composed of more than 400 American and Egyptian companies. It is the most prestigious business organization in Egypt and is one of the most distinguished, dynamic AmChams anywhere in the world. Because of AmCham Egypt's excellent ties with the Government of Egypt and the Egyptian private sector, we are in a position to provide a broad perspective unlike any other.

In the aftermath of the Gulf war, AmCham Egypt's upcoming visit is particularly timely. I hope that you will be able to take some time to meet with select members of our delegation.

Dear John:

As a member of the Board of the Texas Public Policy Foundation, a non-profit, conservative "think tank" located in San Antonio, I invite you to be our honored guest and speaker at the Foundation's Annual Dinner to be held in Dallas during the Fall of 1991. I have taken the liberty of enclosing information about the Foundation and its activities. In brief, we are attempting to emulate in Texas the success that groups such as the American Enterprise Institute and Heritage Foundation have had in Washington.

Your presence at the dinner would cap what is anticipated to be a most successful year. In addition to those items described in the enclosed materials, TPPF is leading the way in Texas on issues such as educational choice, term limitations, and other major conservative agenda issues.

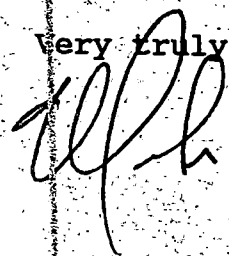

The Foundation is flexible and is able to structure the Dinner around your availability. Hence, anytime in September, October or November would work with us.

John, I know you are quite busy and choose your out-of-Washington events very carefully. We do hope, however, that you can give every consideration to our invitation. It goes without saying that Jo Len and I would be pleased to see you again, and if you can bring Nancy along, we would be doubly pleased.

Please feel free to contact me at any time. Our telephone number at home is (214) 256-3705.

I hope all continues to go well for you and the President. You have done a marvelous job.

Very truly yours,

Dr. John H. Sununu
Chief of Staff
The White House
1600 Pennsylvania Avenue, NW
Washington, DC 20500

Dear Dr. Sununu:

I would like to invite you to participate in the National Academy of Sciences Colloquium on Industrial Ecology. The colloquium will be held on May 20 and 21, 1991, at the National Academy of Sciences building in Washington, DC. Attendance will be by invitation only, and will be limited to about 70 people.

Let me tell you what we are trying to accomplish, so you can see where your expertise fits in and why we very much hope that you will attend.

We believe that *Industrial Ecology* is an emerging concept and is likely to become a new field of scientific endeavor in this decade. Industrial Ecology is a systems view of industrial operations in which the total materials cycle — from virgin material, to finished material, to component, to product, to waste product, and to ultimate disposal — is optimized. In Industrial Ecology an industrial system is viewed not in isolation from its surrounding systems, but in concert with them. Industrial Ecology is a proactive, rather than reactive, approach to the environment.

The purpose of this colloquium is (1) to define the field of Industrial Ecology; (2) to delineate important issues and problems that need to be addressed; (3) to identify leaders and to coalesce thinking in the field; (4) to understand the disciplines encompassed by this field; and (5) to determine what further action is warranted by academia and industry to ensure that this nascent field prospers.

This Colloquium on Industrial Ecology is the first in a new series of symposia held under the aegis of the National Academy of Sciences. The format we envision includes about fifteen 30-minute talks and ample periods of discussion. We are counting on the invited attendees to contribute greatly to the discussion periods. I have enclosed a preliminary program so you can get a feel for the areas we are trying to address.
