MEMORANDUM FOR JACKIE KENNEDY

FROM: LYNN LAWSON 
ASSOCIATE DIRECTOR
OFFICE OF POLITICAL AFFAIRS

SUBJECT: GOVERNOR SUNUNU'S TRAVEL TO NEW JERSEY
STATE PARTY EVENT - JUNE 12

In addition to the information provided in the state briefing, please note the following points.

The business roundtable is likely to question the Governor on what they view as overzealous regulations in the banking industry. It has been suggested that the Governor, in response, just articulate the Administration's banking policy. The group has a negative opinion despite the fact that they are not aware of the details of the policy.

Bo Sullivan, Bush-Quayle State Chairman, will meet the Governor upon arrival in New Jersey and will drive him to the event. Bo is a good resource for the local twist on the issues. I have asked him to offer the Governor just 3-4 points for discussion with the group.

The House Minority Leader is Chuck Haytaian (pronounced High-tie-an).

Please let me know if there is anything with which you are particularly concerned or if you would like any additional information.
