Jennifer,

Jack Friedgut, National Committee on American Foreign Policy, called re a speaking engagement for Mr. Bush. Mr. Bush regretted a luncheon in honor of Hans Morgenthau on 27 January because of the Chubb Fellows, but Friedgut thought Mr. Bush might possibly be able to make a small
(in New York)
testimonial dinner later that evening. They would pay for his airfare to and from Yale. (Time flexible on the dinner.)

Honorable George Bush
Director

Washington, D. C.

Dear Mr. Bush:

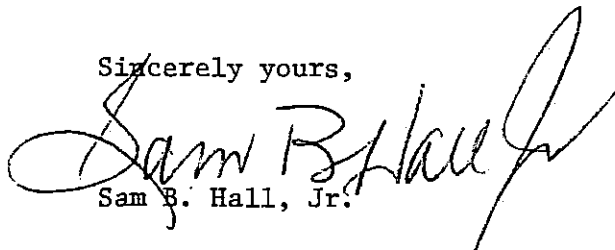

Our up and coming Texas Breakfast Club will hold its first meeting of the new year on the 26th of January. This will be a real special occasion because our able Majority Leader for the 95th Congress, the Honorable Jim Wright, has consented to be the guest speaker.

I know that I need not repeat the details of Jim Wright's impressive personal and legislative history to you; in fact, just about everyone knows that he combines the oratorical excellence of the great speakers of past years with the immediacy of tomorrow's headlines.

It, therefore, gives me great pleasure to extend to you a very special invitation to be at the Texas Breakfast Club meeting on Wednesday, January 26th, at 8:00 a.m. in Room B-369 Rayburn House Office Building.

Looking forward to seeing you, with kindest personal regards and best wishes, I am

Dear George:

You are invited to go Quail Shooting in South Texas at our lease outside of Dilley, Texas, on either one of the following dates:

Arrive January 19th

Depart January 21 - noon

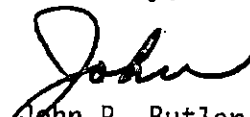

Arrive January 21st

Depart January 23 - noon

We will try to arrange transportation from Houston. However, if you desire to plan your own arrival and departure time, the following should give you a general idea of the location of the lease and facilities: The Ranch Headquarters is a large house on the right of the road, approximately 17 miles west of Dilley on Highway 85, heading towards Big Wells. You will be met there and directed to the living quarters. It is about a six hour drive from Houston, and there is a landing strip at Dilley, if you will be flying in. Please let us know your arrival time and we will meet you at the airport.

Please circle one of the above dates and return to me as soon as possible. I look forward to seeing you in Dilley.

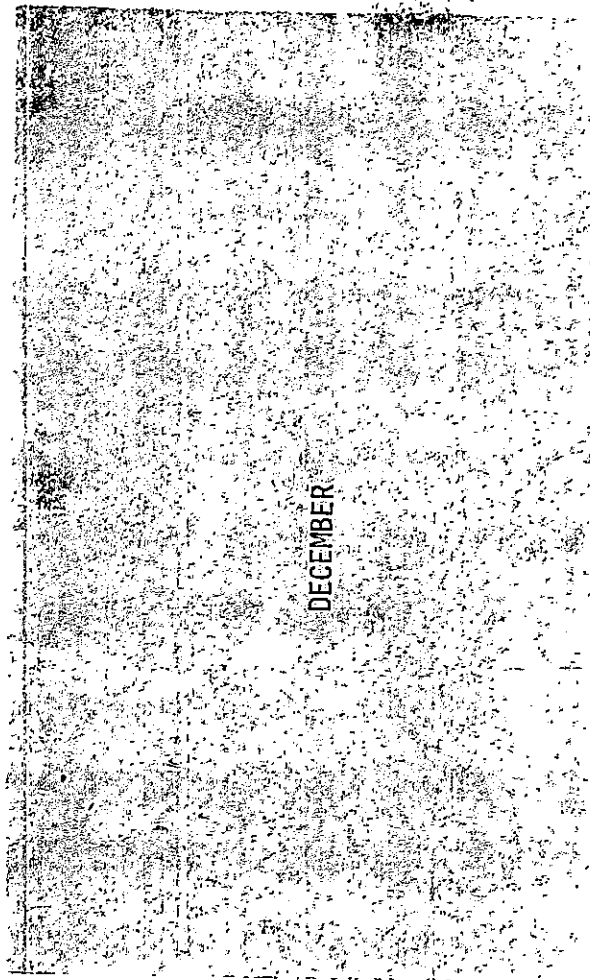

Sincerely,

Dear Ambassador Bush,

if the affairs of the transition allow you some free moments, my wife and I would be delighted to have Mrs Bush and you as our guests, for a reception, Wednesday, December 15th.

Considering the beauty of the countryside here, I indulge now in horse riding, these days, more than in our old favourite sport, tennis. So you will probably find in our house more horsemen, as Ambassador Orfila, than tennis players. However, I have specially requested the presence of some old chinese friends, like Mr Thayer.

I do hope that it will be possible for you to come. In any case I enclose an invitation card with our adress.

Yours

Gianluca Bertinotto

P.S. My films about China (particularly one about chinese children, one about the old Legations Quarter, one about Yunnan) remain at your disposal whenever you will like to come and see them.
