The Honorable George Bush
Department of State
Washington, D.C. 20520

Dear Mr. Bush:

We wish to add to the thanks you have already received from Kingman Brewster our deep appreciation of your having agreed to become a member of the Advisory Committee of The Campaign for Yale. This committee, which is chaired by William W. Scranton, underscores the national and international importance of the Campaign to the future of higher education.

The principal purpose of the Campaign Advisory Committee is one of endorsement of the goals of the Campaign. It is not intended to be a working committee. You will, however, be kept regularly informed, and perhaps from time to time we may have the benefit of your counsel in special situations where it would be particularly valuable.

Your willingness to support Yale in this endeavor is, as President Brewster has pointed out, "a great boost to all of us who are determined to see this effort succeed." It is indeed a pleasure to welcome you and at the same time reaffirm our faith that with your support and counsel we will achieve our goal of keeping Yale at the forefront of the world of higher education.

Sincerely,

Tim Swenson
