Dear Mr. Nethercut:

I hereby resign as Chief of the U.S. Liaison Office, Peking, Peoples Republic of China. This resignation should be effective at close of business the day before I officially transfer to the CIA.

It has been a great pleasure working with all of the people in EA and in many other departments. I would appreciate your conveying my warm thanks to all who did so much to make this assignment such a rewarding one.

Sincerely,

George Bush

Dear George,

There is a young chinese man, Wayne Chan, who runs the Health Club at the New Canaan, Connecticut Y.M.C.A. He has quite a heart rending story.

His mother and father, as I understand it, were allowed to leave China by the present government; and were able to have Wayne join them.

There are still two brothers and a sister in Canton, whom the family has not seen for about 20 years. They have attempted to get them to Hong Kong and thence the United States. They have followed procedure, filled out proper forms, had legal advice, etc., but everything seems to be continually stymied at the lowest bureaucratic level in canton. On the other hand, acquaintances have been allowed to emigrate, people whose immediate supervisor did not block the papers from reaching a higher chain in the command.

The human aspect of this saga is quite touching, and as a shot in the dark, I thought it might be worthwhile to send the enclosed papers on to you with a hope that you might possibly render some advice, gleaned from your official duties in China.

I know you must be extremely busy, as you prepare a shift over in high responsibilities, and I apologize for bothering you. However, it was difficult to let this situation pass, if there were any way to help.

Anne and I congratulate you for another job well done, and for the potential new post, although we think you should be the Vice-President or higher.

Best to you and Bar. We look forward to seeing you in Kennebunkport.

With warmest regards,

Ken Rayner

P.S. Wayne has copies of all the enclosed information.

Mr. Habib, I am enclosing the receipt for the china that we purchased for you in Peking. The total cost of the china including the packing charge was \$73.25. I arranged to have it shipped with Amb. Bush's household effects so it will probably be a couple of months before it arrives.

The check for payment should be made out to Amb. George Bush.

We hope to see you soon.
