Agency Referral/Mandatory Review Disposition Sheet

(GEORGE BUSH LIBRARY)

This document sheet records the disposition of all actions in response to agency referral and/or mandatory review requests. Full citations for each record are listed on the preceding withdrawal sheets and withdrawal sheet addenda and correspond to the document numbers listed below. An asterick immediately following a document number indicates that the document has been sent to more than one federal agency to determine whether it can be declassified. The bracketed numerical range between the document number and the asterick shows the number of referrals for each document. A document has not been released in full or in part unless all agencies have agreed to that release.
