LIMITED OFFICIAL USE

March 6, 1975

Honorable Philip C. Habib
Assistant Secretary for East Asian Affairs
Department of State
Washington, D. C.

Dear Phil:

In an effort to keep you, Bill Gleysteen and Oscar Armstrong a little better informed I am going to try to pouch in a report each month setting out contacts I have made with diplomats and PRC officials. Perhaps it will give you a little better feel for my official life here.

I am trying now to invite the various PRC officials that I called on when I first arrived back to USLO. In addition we have requested several other protocol visits on Chinese officials.

The diplomatic receptions though deadly do extend our contacts with the Chinese and with the diplomatic corps. The contacts with the highest ranking Chinese guests are fleeting since these normally are held in the wings at the beginning of the reception; the band then plays, the bigger shots plus the host Ambassador march in, seat themselves in overstuffed chairs at one end of the room and converse for what's left of the hour these receptions take. When the hour is up they promptly march out and disappear. There are a few exceptions to this procedure and one does get a chance to visit with those PRC officials that don't make the overstuffed-chair line-up.

NOTE: The officials on both sides get frightfully bored as the hour wears on. On occasion some appear to doze off. The seated wives really look out of it. There's got to be a better way.

Don't kill yourself with all that travel and anxiety.

Best regards.

Yours very truly,

George Bush

Mr. Chi
Tennis Facility
International Club
Peking

Dear Mr. Chi:

On Tuesday, May 27th from 5:30 p.m. until 8:00 p.m. we are having an open house reception at my residence. During that time we will be showing pictures of the recent tennis match in the United States between Jimmy Connors and John Newcombe.

I hope that you, Mr. Lo and Mr. Fei along with the tennis players at the International Club will be able to come. I know you will enjoy the caliber of the tennis being played.

The reception is very informal. We will serve refreshments. People will be dropping in for some or all of the tennis. It is understood that some people will arrive late and some in turn will have to leave early.

I do hope some or all of you who have been so kind to me at the International Club will be able to come. I particularly hope that Messrs. Wong, De, Ho and the others can come. If only some of them can come I will arrange to show the tapes to the others at an agreed upon time.

Sincerely,

George Bush
