Ref.: My memo of March 4

Creed Black of the Philadelphia Enquirer (tel. 215-854-2150) telephoned about the upcoming trip to the PRC by the ASNE delegation, primarily to say that most members of the group would be in Washington in mid-April for the ASNE annual convention and would like a briefing on Tuesday morning, April 15. He hopes we will be willing to give the briefing at the Shoreham and invited the briefers to stay on for lunch. They plan to ask a couple of scholars, e.g. Doak Barnett, to brief first, about 9:00 a.m., and he suggested that the State Department briefers arrive about 10:30. He added that the group could come to the State Department for our briefing if necessary.

I replied that we would be pleased to provide a briefing; I foresaw no major problem with doing it at the Shoreham, but would like to hold off a final decision until we knew who would do the briefing. I agreed to be back in touch with him later about details.

George - I understand this group may have written to you. In any event, we'll read more details when we get them.

JOHN
Don

He said the group plans to assemble in Tokyo before entering the PRC, and asked if it would be possible to get a general briefing on Japan from our Embassy. I said there shouldn't be any problem, but would prefer to have more specifics, particularly a date, before informing the Embassy. (They plan to travel near the end of May.) He said he would suggest a date later.

Subject: Visit to PRC by American Society of
Newspaper Editors

After receiving the attached, I telephoned Mr. Hays in California, mentioning his letter to Mr. Hartmann.

The main points of interest:

- ASNE has been in touch, off and on, for some time with the PRC Liaison Office and the PRC UN Mission about another trip to China. Hsieh Chi-mei contacted Giancarlo, ASNE executive secretary, a few weeks ago, and the invitation was extended during a subsequent meeting.
- A group of about 20 will go, leaving near the end of May. .
- ASNE does not know what Chinese organization will be the host.
- ASNE told Hsieh they would welcome a return visit by a Chinese delegation. (There was one in 1973.) Hsieh said the ASNE group could discuss this in Peking.
- I said we were pleased to hear that ASNE had this invitation, and we certainly had no problem with ASNE's plan to invite a return visit. I asked that they let us know when plans were firmer, so we could inform USLO, which would undoubtedly welcome an opportunity to meet with the group.

Don A

-- I said that we would be glad to see members of the ASNE group, individually or collectively, if they thought it would be useful before they left. Hays said most of them would be attending the ASNE annual conference in Washington in April, and they might contact us before then.

MEMORANDUM FOR

Mr. George S. Springsteen
Executive Secretary
Department of State

SUBJECT: Visit to the People's Republic
of China by the American Society
of Newspaper Editors

Presidential Counselor Robert Hartmann was informed by Howard Hays, President of the American Society of Newspaper Editors, that his society has been invited to send a delegation to visit the People's Republic of China on a three-week tour sometime in May or June. Mr. Hays requests that the State Department be advised of the invitation. Attached is a copy of the Hays letter to Mr. Hartmann which should be transmitted to the appropriate officials in the Department. You might also have someone contact Mr. Hays in case the Department might be of assistance to the group as they prepare for their trip to China.

Dear Bob:

The Society has received an invitation from the People's Republic of China to send a delegation to China for a three-week visit sometime in May/June. The invitation was extended by Hsieh Chi-mei of the Chinese Liaison Mission to Mr. Gene Giancarlo, our executive secretary. As you may recall, we had an exchange of visits with the Chinese a couple of years ago, and we've been seeking another exchange.

I assume that somebody at the State Department should be advised of this invitation and of our intention to accept it. I'd appreciate it if you'd either pass the word along to the appropriate person or let me know whom I should get in touch with.

I appreciated your putting the Bill Dickinson recommendation in the right hands.

Sincerely,

Dear Creed:

Great news!

Barbara and I are delighted to know that you are heading up the ASNE Delegation. I know how busy these visits are, but please save some time to let us have a reception for you and your entire group. In addition, if you could ever make a way to have a quiet evening with the Bush's, we would love that.

I hope you find your visit to China as fascinating as I am finding this assignment. I cannot tell you how pleased I am you are coming to China.

Warmest regards,

George Bush

Dear George:

Brace yourself. A hoard of American editors will be descending on you soon.

The Chinese have approved a visit by a delegation of representatives of the American Society of Newspaper Editors. A similiar exchange occurred in 1972 and 1973, and we have been negotiating this visit for more than a year.

We expect to arrive in China around the end of May and will be there for approximately three weeks. I'm chairman of the committee making the arrangements and will stay in touch with Oscar Armstrong at the State Department regarding the details of our plans.

Our schedule will be pretty much up to the Chinese, of course, but I do hope we'll have an opportunity to visit with you. I'll try to keep you posted on our plans.

Regards,

Dear George:

Thanks so much for your warm note.

You are very nice to want to have a reception, and I am sure our group will be pleased to accept if it can be arranged. //

I have told the Chinese liaison office in Washington of this and asked that the people in Peking who are planning our itinerary leave a free evening for this. They have assured me that this will be done, but they also say that we will not get our itinerary until we arrive in Peking.

We are scheduled to arrive at noon May 29 on a Japan Air Lines flight from Tokyo. I will be in touch with you as soon as I can find out something from the Chinese about our plans.

We look forward to seeing you and Barbara and your associates.

Regards,

Dear Jay:

Last night Alexander DeAngelis came by our house with a Small Scale Industries Delegation. I had not recalled it was his wife that works for you. Tell her he looks great and couldn't have been more warm and friendly. It was good to have him in our house, and I'm only sorry I couldn't have done more for him on a personal basis.

I got your letter, and would certainly appreciate a frank assessment as to what the problem is there at the Committee - not that I could do anything about it. I think it's an area I should butt out of, but it's an area I'm greatly interested in. I keep hearing rumors that I might be asked to come back and be involved in the campaign, but as far as I'm concerned they are rumors and I hope they are just that. I think this work here is important and certainly it is interesting, and I don't know if I would be very effective in the campaign.

Please don't interpret this as a lack of interest in politics, but rather as a fascination with foreign affairs.

Warm regards to all,

George Bush

Dear Mr. Bush,

It will be with much pleasure that a delegation of the Electronic Industries Association will visit the Peoples Republic of China during the period July 27-August 6, 1975 at the invitation of the China National Machinery Import and Export Corporation.

The Association, in accepting the invitation, advised the U.S. Government, including the Department of State, and the Government has been most cooperative including giving the delegation a joint briefing at the Department of State on July 8th.

In the briefing the delegation was pleased to learn that the U.S. Liaison Office in Peking has been notified of our forthcoming visit. The delegation is very appreciative of this consideration and looks forward, including myself, to making the acquaintance of your staff during our visit.

I send you my best wishes.
