though ticket size in sample is just fine. (b) Ask Dept to contact Payeff at USIA to see if they can now confirm which film we will have. If film name available, print film name on ticket instead of QTE American Classic UNQTE. If not available by printing time, go with it as is. (c) I like fife and drum theme if it can be worked onto ticket without reference to Birthday Party since no childrens' performance scheduled. (d) It would be helpful if different color stock used for 3 pm and 8 pm tickets.

6. Please thank Fleischell for this great assist.

7. Please call John Warner at Bicentennial Commission and ask him if they have any posters depicting US Bicentennial that we could use in USLO for our 4th of July. end message

Glad to see any GOP officials if it would help your work in any way. Don't believe I have any personal friends there. Aga Shahi is my friend but I assume he is in Islamabad. I read AirGram A-23 (Feb. 10, 1975). This was an excellent piece by Gordon on the dollar/RMB exchange rate. Would it be possible to get INR or possibly some financial specialists outside the Department to study this problem and give us some predictions as to what we might expect in the future. I will try to see what we can learn on this end.

AMB DC POL CHRON	FOR AMBASSADOR BUSH FROM JOHN HOLDRIDGE 1. I just took a call to you from Washington from Paul Miller, who says he is Chairman of the Gannett Newspapers and also of AP, and an old friend of yours. He has been in touch with the PRCLO about a visa, and claims that they told him a note from you to Ma Yu-chen of the Information Department of the Foreign Ministry would be helpful in obtaining a favorable reply. Miller's visa request has already been forwarded by the PRCLO to Peking. 2. When I told Miller that you were not in Peking, he asked if I could send the note to Ma Yu-chen on your behalf. I said I would check. Normally we do not intercede with the Chinese in visa matters, but in this particular case Miller's background as a newsman could

2. We will not seek press attention, but all at USLO will simply state if queried that Mr. Bush and others at USLO feel this is a way to widen our contacts in Peking. 2. I have made clear to Montgomery two points: first, that he must get approval of State Department; second, that if he comes here as personal houseguest there is no guarantee he will be able to talk to Chinese leaders, etc. (see para 3 of my June 17 letter to Montgomery).

3. I agree with action you propose in para 3 of ref tel (a).

4. Montgomery proposed this visit as a drop-in personal visit which would be only a small part of a trip he and Hammerschmidt were planning to Manila, Singapore, etc.

5. I have not furnished Montgomery a letter of invitation as yet because I wanted to be sure he got State Department approval first.

6. I will be happy to cable or write him personal letter of invitation unless he can wedge into one of the delegations. I would suggest he and Hammerschmidt come to visit me for three or four days prior to arrival of other delegations, on a personal houseguest basis with the understanding that it is unlikely they will see Chinese leaders, etc. Both of them are close friends and I can level with them without any fear of embarrassment to Department or anyone else.

1. My current plan is to come to US in mid-August. Ideal thing would be for me to give briefing to Anderson Group in Washington prior to their departure for PRC. If that is not possible I could call on as many of them as possible before they leave and catch the rest in September.
2. It is much much better for me, given short fuse on September end, to return to US before the second congressional delegation hits here. I would like to go to Maine before kids go to college, and also want to be in Washington in early September when Congress reconvenes.

3. Please ask Anderson if I can host an informal lunch or dinner at the Zilibi Club or a cocktail reception there for the traveling squad anytime from August 15th on.

4. I have very carefully looked over the list coming and have weighed the fact that this is an official delegation and the limited amount of time I would actually have with them, along with the fact that another delegation which I will host here will have just departed.

5. However there is no reason other than strong personal desire that I absolutely must be absent from Peking. So what I need Oscar is for you to discuss this with Phil and give me your very candid opinion. If in your collective judgment you feel I really should be here I will be glad to stay until the group leaves Peking, and I promise not to gripe about it, honest.

1. You are a busy man. Understatement of the year. But could you spare fifteen minutes for a New York interview with Ada Princigalli, Peking-based correspondent for ANSA Italian News Agency. She is most knowledgeable on China, having been here four years. Besides, she is darned attractive. She will be in New York during week of November 15-22 working out of ANSA, If you promise to see her I will send you a special gift via her not from New York State.

2. I would also appreciate someone in your office calling the office of David Rockefeller with the following message:

QTE Dear David, Ada Princigalli, of ANSA, Italian News Agency, will be visiting in New York from Peking for a few days in
