MEMORANDUM

TO: Ambassador's Committee
United States Committee
The Ralph Bunche Memorial

FROM: Brian Urquhart

I am pleased to tell you that Ambassador George H. Bush, Chairman of the United States Committee for the Ralph Bunche Memorial is hosting a special reception at his apartment in the Waldorf Towers on Wednesday, November 29th at 5:30 p.m.

As you know, in recent months we have been asking numerous foundations, corporations and individuals to provide financial support for the Memorial and the purpose of this reception is to provide an opportunity to bring donors as well as new prospects together for a social occasion. The success of this party will depend to a great extent on everyone concerned with the Memorial attending, and we are particularly hopeful that each of you will make a special effort to invite individuals you believe might be interested in this effort. Formal invitations are now being prepared and you will be hearing from Miss Eileen Chambers concerning your individual lists.

We look forward to seeing you November 29th.

THE NEW YORK HOSPITAL-CORNELL MEDICAL CENTER

October 25, 1972

His Excellency U Thant
Ambassador Extraordinary and Plenipotentiary
136 Osborn Road
Harrison, New York 10528

Dear Mr. Ambassador:

As we discussed on Monday, the plans for Ambassador Bush's reception are developing and I can now give you an outline.

The date has been firmly set for Wednesday, November 29th, in Suite 42-A of the Waldorf Towers. Mr. Urquhart is sending a memorandum to Committee members asking that they reserve the date and help me in finalizing the guest list. Formal invitations will be sent by Ambassador Bush (sample enclosed).

The reception will be informal. Ambassador Bush will interrupt at about 6:15 p.m. to welcome his guests and introduce you. Then, if you will, I'd think you would speak briefly about why the Ralph Bunche Memorial was initiated and what it hopes to achieve and then ask Dr. Rubin to speak about the medical implications. After Dr. Rubin, Ambassador Bush would take the floor again, introduce Dr. Luckey, and together they would close the discussion with an invitation to visit the Kidney Disease Treatment Center. The entire program would last no more than fifteen minutes, though the reception will go on until seven o'clock.

I have however asked Mrs. Sullivan to keep your schedule open from about 4:45 p.m. There is a chance that the Times or the Post will write an article on the Memorial, in which case, I would ask if you and Mrs. Bunche were willing to do an interview. We will confirm (or cancel) this request by mid-November.

In addition to Ambassador Bush and yourself, I have contacted the following people:

Will Attend

Mrs. Ralph Bunche
Mr. Arthur Dean
Mr. James Fletcher
Dr. E. Hugh Luckey
Mr. F. T. Liu
Mrs. John L. Loeb
Mr. Warren Marr
Dr. Albert Rubin
Mr. George Sherry
Mr. Brian Urquhart

Mr. Walter J. Salmon

Will Not Attend

Sincerely,

Eileen Chambers

UNITED STATES REPRESENTATIVE
TO THE UNITED NATIONS

799 UNITED NATIONS PLAZA
NEW YORK, N.Y. 10017

"BLACK AFRICAN HERITAGE"

"Black African Heritage" is a series of four hour-long television specials produced by Group W (Westinghouse Broadcasting Company) by Eliot Elisofon, the distinguished photographer and film maker.

I believe it will be a remarkable series, and of particular interest to me and others from the United Nations because of our recent journey in Africa.

"Black African Heritage" is a study of the cultural and artistic heritage, beauty and grace of native Africa. It also illustrates the profound effect African art has had on contemporary Western culture.

The narrators of the series are: Maya Angelou, Julian Bond, Ossie Davis and Gordon Parks.

The four programs are titled:

1. "The Congo"
2. "The Bend of the Niger"
3. "The Slave Coast"
4. "Africa's Gift"

Our one-hour screening will be representative of the complete series. I am sure you will find it unusual and worthwhile.
