Dear Poppy:

Thanks for your letter telling me of your move to Houston. I know some of your friends like Ed Rotan are going to be very glad to have you and your family living there, and I guess it means that we will see you more frequently too.

Various members of your family have told me of your impending plans so this does not come as a surprise. I hope everything works out in the best possible manner, and I shall be interested to watch developments.

With very best regards,

Sincerely,

Dear George,

Your letter this morning confirmed the stories we have heard that you would probably be moving your family and baggage to Houston shortly.

Marian and I remember entering our life in Midland with you and Barbara at about the same time. We know that the two of you and your children regret leaving the wonderful town as much as Marian and I did. Midland was most unique in that all friends were true friends. This is a characteristic that you find is not prevalent in larger cities and so ^{we} will always look fondly on our memories of Midland.

Marian and all of us up here wish you and your family improved personal benefits from Houston and you and your business a very great success from living there.

Plan to be in Houston the middle of this week and make a call on your local office. Hope that my good fortune will find you there at the same time.

Best regards.

Yours very truly,

Sill

Dear George:

Thanks for writing me about your move to Houston.

I know Barbara will be glad to live where you must spend most of your time.

The Tulsa Squash Team feels it was fortunate that you were unable to play in the recent match since we heard you are the leading and toughest player in West Texas.

When you get settled in Houston perhaps we can work out a Tulsa-Houston match.

As soon as you move to Houston I expect the Zapata Off-Shore stock to get back up to about \$16, where it belongs.

When you buy a home in Houston, I hope you will phone us collect to bind it and we will work out the same Package deal, including your furniture and personal liability, as you have been carrying in Midland. One of the companies we represent, the Insurance Company of North America, has a special filing in Texas which saves money and gives the usual broad coverage.

Best regards,

Dear Ken:

I thought I would tell you that my family and I plan to move to Houston in the near future. We are trying to sell our house in Midland at which time we will all move. If we cannot sell our house immediately we will wait until after school is out in June to Move. After eleven years in West Texas I am, of course, upset at leaving, but it makes a good deal of sense from a business point of view. After we get settled there I will give you a call and perhaps we can introduce our wives to one another.

Please don't bother to acknowledge this letter, but I did want to tell you about this.

Yours very truly,

George H. W. Bush

Dear Jack:

Just a note to tell you that within the near future Houston will have six new residents--five Bush boys including me, and one wife. We have found Midland is not exactly the offshore drilling center of the world, and although we are reluctant to leave here for many reasons, we are looking forward to Houston. Get out your duck hunting equipment and we will both be real nice to Mosby and see if he will invite us back to that sump hole outside of town.

Best regards.

Yours very truly,

George H. W. Bush

P.S. Don't bother to acknowledge this. I merely wanted to pass this dope along to you.

Dear Mr. Blumeyer:

I thought you might be interested in knowing before too long I plan to move with my family to Houston. I have been spending more and more time on the Gulf Coast and we have just decided that it makes a good deal of sense from both a business and personal point of view to live down there. We, of course, regret leaving Midland since we have been so very happy here for the last ten years. I will let you know when I actually change my office address. In the meantime I will continue to do as I have done in the past--spend my time between Midland and Houston.

Best regards.

Yours very truly,

George H. W. Bush
