SUBJECT: Houston Office, Drilling Superintendents, and Toolpushers Meetings:
October 20, 1966 and October 27, 1966

Thursday, October 20, 1966, and Thursday, October 27, 1966, separate meetings will be held with our rig toolpushers and drilling superintendents in the Houston Office, 2000 Southwest Tower, for the purpose of acquainting rig supervisory personnel with union practices and the company's rights and desired tactics should union organizing activities occur in connection with our field forces.

Each meeting will convene at 4:30 p.m. in the Meeting Room adjacent to the kitchen.

The speaker for each meeting will be either Mr. John Abercrombie or Mr. Reagan Burch, labor attorneys from Baker, Botts, Shepherd & Coates, our legal counsel. A "Question and Answer" session will be conducted after counsel's informal talk.

After the discussion is concluded, drinks and a buffet supper will be served in order to give the Houston Office personnel an opportunity to become better acquainted with our field supervisors and toolpushers.

Following are the names of the field people who will be present at each meeting:
