June 4, 1991

General:

Conrad Mikulec called --

Said he knew you 20 years ago during the Kissinger days. You were here at the White House; he was with National League of Families -- worked with you, Admiral/Senator McCain, Joan McCain and Carol Hansen.

He has been given a commendation by Dick Cheney and the President for "putting the fires out in Kuwait." He would like to tell you what General Motors is doing to help the U.S. and Kuwait -- he would like to ask you who he could work with in the Administration. He knows how busy you are but hopes you remember him and you will have a moment to return his call.

Wilma
