General:

Dr. Zawawi called with following message for you:

When you go to Tokyo with the President, I strongly recommend that you make some time to see Mr. Kanemaru, head of Dakeshita -- faction of the Liberal Democratic Party. He is what is known as the "Kingmaker;" brings in all these Prime Ministers behind the scenes.

It would be good if the President could meet with him but at least there should be a meeting with Brent Scowcroft.

Dr. Zawawi said he would be available to talk with you today but leaves at midnight tonight -- he will not travel on Friday, the 13th!

Wilma
