As usual, I suggest limiting the number of official visits during the months of August (due to the President's vacation plans) and December (due to the overload on the schedule around the holidays). Therefore, I am proposing only one Official Working Visit for each of these months.

Unfortunately, given these time constraints, some of the recommendations from the staff, as well as from State, have not been met. However, if there are cancellations, or if you feel we should try to accommodate others, listed below are those recommendations not included above:

- State Visit for President Francois Mitterrand of France (suggested by the European Directorate)
- State Visit for King Fahd of Saudi Arabia (suggested by the Middle East Directorate as a follow-on to your conversation with the King during the Crisis)
- State Visit for Sultan Qaboos of Oman
- State Visit for President Diouf of Senegal
- Official Working Visit for President Soglo of Benin —
- Official Working Visit for Prime Minister Vranitzky of Austria

if making
any
of these
be OK

If you agree with the visits proposed above, I will prepare a memo to the President forwarding the NSC recommendations.

MEMORANDUM FOR BRENT SCOWCROFT

FROM: BILL SITTMANN

SUBJECT: Proposed 1991 Presidential Travel

Following is a summarization of the proposed 1991 Presidential travel as outlined at Tab A.

- June - Possible Moscow Summit with stops in Moscow and Kiev. Suggested time frame - end of June/beginning of July.
- July - The London Economic Summit is scheduled for July 15-17. The European Directorate feels that this would be an opportune time to visit Athens and Ankara, upon departing from London.
- Sep/Oct - Bill Pryce/ARA recommend a visit to Central America -- Jamaica, Nicaragua and Panama, and a Cartagena Follow Up -- Colombia Bolivia, Peru and Ecuador. You had previously questioned Nicaragua and Panama, but were positive about Jamaica.
- Nov - A tentative NATO meeting, originally in the planning for May but postponed due to the Gulf Crisis, is being talked about for late October/first part of November. Location being discussed is Rome or Brussels.
- Far East Directorate proposes that the President make visits to Australia, Korea, Japan, Singapore and Indonesia. In Japan the LDP Party elections are scheduled for October 31. Since there is a possibility of a new Prime Minister being elected, we would want to schedule such a visit to allow enough time for the Japanese to form a new government (approximately 2 - 3 weeks).

MEMORANDUM FOR BRENT SCOWCROFT

FROM: DAVID C. GOMPERT 

SUBJECT: Presidential European Travel Plan

I would like an early reaction to as much as possible of the following plan:

Mid-June Soviet Summit

- As discussed, depends on resolution of CFF problem.
- Three days in the USSR: Moscow and probably Kiev.
- Might wish to precede late-June Yeltsin visit to the U.S.
- Rest stop in Madrid on the way over.
- 4-5 days total

Mid-July London Summit

- Would do Turkey and Greece after London.
- Turks pushing for Istanbul in addition to Ankara.
- 4-5 days total

Early-November NATO Summit

- Venue could be Rome instead of Brussels, as a way of guaranteeing Italian support for our approach to NATO/WEU/EC.
- Semi-annual U.S.-EC summit would be in the Hague, during the same trip, as a way of strengthening the Dutch Presidency prior to the December EC summit on European Political Union; also would show that the U.S. has created a consensus for a complementarity-relationship between the Alliance and European Union.
- Possible visit to Germany's new Laender.
- 4-5 days total
