Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Sir. in reply at your request  
I appreciate the kindness and consideration.

The Government has given for the mothers  
of the Soulders Boys, and many seem at a great  
privilege to go over to visit their graves.  
I don't know how others feel about this but  
I know it only would be a sad trip for  
me. all the Nurses and Doctors in the world  
can not cure every thing. I was in a pretty bad  
auto wreck about seven years ago which  
wrecked my nerve system, and ever since  
I have not been fit to travel much. I'm  
also subject to neuritis, sometimes I just  
have to go to bed, and lay there until I get  
a long rest which is the only cure or  
help I can find for this trouble so far.  
I've worked very hard all my life to help  
rear 13 children and am now nearly 62 years  
old and I feel better when I can rest  
and be away from excitement. if it were  
a necessity for me to go over, of course I  
would strain every nerve to get there but I  
can't see that I could benefit them or any one  
else. There are many other things pending  
as a hinderence which would of no value to write.  
Hoping that you will understand just about how  
things are with me. Very truly yours. And Thanks.

Dear Madam:

Reference is made to correspondence forwarded you from this office relative to a pilgrimage to the grave of your son, the late Private Lloyd E. Crago. In reply to a questionnaire you advised that you did not desire to make a pilgrimage during the summer of 1932.

It is noted you previously stated your health was poor and in this connection you are advised that personnel to care for your comfort and needs will be provided, and doctors and nurses will be available. During the past two years many mothers who were in poor health and of advanced age made the pilgrimage and appeared to have benefited by the sea air and the excellent care they received.

In view of the foregoing, should you desire to make the pilgrimage to the grave of your son during the coming summer, it is requested that you notify this office. Should you make a pilgrimage you are assured that the journey will not only be made at the expense of the Government, but that everything possible for your comfort and welfare will be provided.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Mt. Vernon, Ohio.

Dear Madam:

Reference is made to correspondence forwarded you from this office relative to a pilgrimage to the grave of your son, the late Private Lloyd E. Crago. In reply to a questionnaire you advised that you did not desire to make a pilgrimage during the summer of 1932.

It is noted you previously stated your health was poor and in this connection you are advised that personnel to care for your comfort and needs will be provided, and doctors and nurses will be available. During the past two years many mothers who were in poor health and of advanced age made the pilgrimage and appeared to have benefited by the sea air and the excellent care they received.

0743  
In view of the foregoing, should you desire to make the pilgrimage to the grave of your son during the coming summer, it is requested that you notify this office. Should you make a pilgrimage you are assured that the journey will not only be made at the expense of the Government, but that everything possible for your comfort and welfare will be provided.

The Act of Congress which provides for pilgrimages to cemeteries in Europe by mothers and widows of members of the military or naval forces of the United States who died in the military or naval service at any time between April 5, 1917 and July 1, 1921, and whose remains are now interred in such cemeteries, all necessary expenses of which pilgrimages are to be paid by the United States Government, requires that the Secretary of War make an investigation and submit the results of such investigation in a report to Congress not later than December 15, 1929. The purpose of the investigation is to determine the total number of mothers and widows entitled to make the pilgrimages, the number of such mothers and widows who desire to make the pilgrimages, the number who desire to make the pilgrimages during the calendar year 1930 and the probable cost of the pilgrimages to be made.

In order that the report referred to may be made and plans completed for conducting the pilgrimages, it is requested that you answer the following questions by filling out the blanks left therefor and return the letter to this office by return mail in the enclosed envelope which requires no postage.
