THE AMERICAN RED CROSS
National Headquarters
WASHINGTON, D. C.

May 17, 1921.

Colonel George H. Penrose, C. M. C.,
Chief of Cemeterial Division,
Office of the Quartermaster General,
War Department,
Washington, D. C.

Dear Sir:

Attached is a list of American Red Cross workers who have died in our foreign service. After consultation with your office we had drafted the attached letter for issuance, together with Cemeterial Division Bulletin 10 G-W, to the next of kin of each deceased worker. This letter was approved by you under date of April 9th, 1921.

We have, during the past month, by correspondence with our various offices, eliminated many names from our list, where we have returned the remains, or where they have been returned by your organization, or where the next of kin has definitely stated that they do not desire the return of the remains.

The one last check which we wish to make before sending out the attached letter is to have your office go over the attached list, eliminating therefrom the name of any deceased worker regarding whom you may have been in communication with the next of kin, to the effect that the remains should, or should not, be returned, since, as you will see, our proposed letter is merely to advise our families of your service, and we wish to make no duplication whatever.

We will, therefore, greatly appreciate it if you will have the attached list checked as indicated, so that our proposed letter may be released.

Yours sincerely,

John C. Smith
Assistant to the Director,
Bureau of Personnel.
