CROSLEY, Leroy H., Cpl.

Mr. William Crosley,

810 North The Quartermaster General desires to invite your attention to the ~~independencia~~ which gives the permanent cemetery location of the soldier's grave in which you are interested.

Dear Sir:

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.
