Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Very truly yours,

Dear Madam:

Receipt is acknowledged of your reply to form letter forwarded you under recent date relative to the pilgrimage to the cemeteries of Europe, wherein you advise that your health will not permit you to make a pilgrimage during the year 1932.

Competent personnel will be provided to care for the mothers and widows from the time of their arrival in New York until their return thereto. Medical attendants and all other necessities will be arranged for and in the event you decide to make a pilgrimage, you are assured everything possible will be done for your care and welfare. During the summers of 1930 and 1931 many mothers of advanced age and in poor health made the pilgrimage and appear to have benefited therefrom.

Your name is being placed on the list of mothers and widows who are eligible to make a pilgrimage in 1933. However, should you change your mind in view of the above, and desire to make a pilgrimage during the summer months of 1932, it is requested you advise this office in order that arrangements may be made for you.

April 30, 1930.

Mrs. Mary B. Curran,
Pearl Madam:19,
Abilene, Kansas

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

ed to a first class hotel where reservations have been made. . . .
tion of your stay in New York will be from 24 to 48 hours. At
per time, you will be escorted to the steamship upon which passage
en engaged for Europe. All of the women making this trip will be
ded with cabin class accommodations aboard steamers which means that
m two to four will be quartered in the same stateroom. If you have
y friend that you would like to be quartered with we will endeavor to
arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks
at Cherbourg, France, each party will be met by officers especially
detailed for the purpose and taken in a special train to Paris where
first class hotel accommodations have been reserved. The first day in
Paris will be a day of rest. On the 2d day, the women of each party
will place a wreath on the tomb of the French unknown soldier. In the
afternoon there will be a reception in which the French war mothers,
government officials, and prominent civilians will participate. The
following morning the groups going to the different cemeteries will leave
Paris, travelling in motor busses, and proceed to the cemeteries where
they will remain for about 7 days. Twenty-five women will be assigned
to each bus and an army officer will have charge of the bus. The
itineraries to and from the cemeteries and the daily itineraries while at
the cemeteries have been varied so as to take in points of historical
interest as well as some parts of the battlefields where American troops
were engaged. Upon return to Paris, each party will remain for about
5 days and during this time an opportunity will be given to see the points
of historical interest in Paris and vicinity. The entire duration of
your stay in Europe will be 14 days, and the itineraries have been so
arranged that each day will be provided for. Except in case of illness
or other unavoidable cause it will not be possible for any woman making
the pilgrimage to remain in Europe for a longer period than 14 days nor
to leave the party with which she is travelling unless she is prepared to
pay all of her expenses after leaving the party since the Act of Congress
authorizing the pilgrimage specifically states that the government shall
not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New
York City by army officers who will escort the mothers and widows to the
trains which will take them home. Before leaving New York each woman
will be provided with her return railroad ticket, a sleeping car ticket
and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout
this entire movement and care has been taken to select officers who will
see that proper care is taken of the women who are entrusted to their
charge. Arrangements have been made for taking care of women who may
be taken sick during the pilgrimage and also to care for the remains of
any who may die and provision has been made for returning the remains of
any who may die to their homes. It is essential that each woman making
the pilgrimage furnish The Quartermaster General with an emergency address
of some relative or friend to be notified in the event of an emergency.
Medical care will be provided by civilian agencies. If such care is
needed in New York City it will be furnished by the hotel physicians or

is. Aboard ship, medical care will be provided by the
s and in Paris arrangements have been made with the American
for the hospitalization and treatment of any women who may need
In addition to this, six doctors of the regular army will be on duty
throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage
and the articles taken should be such as will be required for a trip of
about one month. Laundry service can be obtained in New York and Paris.
Since the climate of Europe is much colder than that of the United States,
each woman should provide herself with sufficient warm clothing to stand
the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for
your accommodations throughout this pilgrimage, it will be greatly appre-
ciated if you will make prompt reply to any communications received from
this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,
Assistant.
