Mrs. Amanda Leary,  
709 Southard St.,  
Trenton, N. J.

Dear Madam:

Receipt is acknowledged of your letter of September 4th relative to your desire to make a pilgrimage to the grave of your brother, the late Private George W. Dancer.

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries of Europe for only the mothers and widows of deceased members of the American forces who were lost or buried at sea, and contains no provision whereby the privilege of making the journey may be transferred to a relative or friend in the event a mother or widow is deceased or does not desire to make the trip.

The only provision of the Act under which a sister can be considered for the pilgrimage is contained in section 4 (a) which was amended to read in part "or any woman who stood in loco parentis to the deceased member of the military or naval forces for a period of not less than five years at any time prior to the soldier, sailor, or marine becoming eighteen years of age." It has been held that in order for a woman to qualify under this provision, she must have furnished the deceased veteran with food, clothing, shelter, guidance, counsel, etc., thus taking the part of a father for a period of not less than five years prior to the veteran's reaching the age of eighteen. Inasmuch as your father was living in 1920, and there is no evidence to show that he did not support his son until the time he was eighteen years old, it is regretted to advise you are not eligible within the meaning of the law to make a pilgrimage to your brother's grave at the expense of the Government.

For The Quartermaster General,

Very truly yours,

Dear Madam:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.
