Dear Sir:-

The American Government is undertaking to remove the bodies of its soldiers who died in the late war to such places as the relatives may desire, and accordingly you are requested to advise whether you wish the body of your late son, Private Richard DeDobbelaere, United States Army, to remain buried in England, in the care and custody of the United States, or delivered to you for reburial in Belgium, or returned to the United States and placed in the National Cemetery at Arlington, Virginia, where the grave is assured constant care by the American Government. In the event you desire the removal of the body of the late soldier to Belgium, it is suggested that you communicate your wishes direct to the Chief, American Graves Registration Service, G.M.C. in Europe, 8 Avenue d'Iena, Paris, France, who will gladly comply with your wishes if found practicable to do so, or advise you in the event that your request must be denied through the operation of health regulations or sanitation laws of countries through which the body may have to pass.
