Home :

Argonne - Meuse Offensive.

During the night of Nov. 4th we made an advance against the enemy north of Briculles, France, forcing a crossing of the Meuse River and the canal just beyond. We were under terrific artillery and machine gun fire from the enemy and it almost was an impossibility to state the exact minute when Pvt. DeFabbia met his death. I saw him the next morning. A shell had landed close to him and a splinter of it hit him in the head, killing him instantly. This was between the river and the canal.

Pvt. DeFabbia was buried in the vicinity.
