IN REPLY REFER TO QM 293 A-C

The Quartermaster General desires you to be informed that the investigations which are being conducted with a view towards locating the graves of the Unlocated World War Dead, are proving successful in many cases where sufficient identifying marks can be secured. To assist in the investigation work, it will be appreciated if you will secure, if possible, a chart from the dentist who may have performed dental work for the soldier named above, prior to enlistment. The chart should include crowns, fillings, bridges, and extractions, if any. Should you be unable to obtain a chart, kindly report which teeth you recall crowned or filled.

Any information, sketches or descriptions which you may have received from comrades or officers, regarding the death and burial of this soldier, or which you may now secure from the Local Legion Post, may be of valuable aid in locating his grave, and it will be appreciated if you will forward same to this office.

You may be assured that everything possible will be done by the Department to bring the case to a successful conclusion.

For your reply, you may use the inclosed envelope which requires no postage.

Very truly yours,

1 incl.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

For The Quartermaster General,

Dear Madam:

Reference is made to correspondence forwarded you from this office relative to a pilgrimage to the grave of your son, the late Private Lebert DeRosier. In reply to a questionnaire, you advised that you did not desire to make a pilgrimage during the summer of 1932.

It is noted you previously stated your health was poor and in this connection you are advised that personnel to care for your comfort and needs will be provided, and doctors and nurses will be available. During the past two years a number of mothers and widows in poor health and of advanced age made the pilgrimage and appeared to have benefited by the sea air and the excellent care they received.

In the event you later decide to make the journey, it is requested that you so notify this office. Should you accept an invitation to visit your son's grave you are assured that the trip will not only be made at the expense of the United States but that everything possible for your comfort and welfare will be provided.

Dear Sir:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.
