Receipt is acknowledged of your letter of recent date wherein you request that a flag be furnished you as the next of kin of your brother, the late Allesandro Di'Amico, who was killed in action in France in 1918.

You are advised that the records of this office indicate that under date of June 29, 1939, a flag was issued to Mrs. Rae D'Amico Di Lucca, 284 Graham Avenue, Brooklyn, New York. Dear Madam:

During the past three years, numerous communications have been forwarded you relative to the pilgrimage to the cemeteries of Europe, authorized by the Act of Congress of March 2, 1929, as amended.

Under the law, 1933 is the last year you may make the pilgrimage at the expense of the Government, and it is imperative that this office have an expression from you as to whether or not you desire to take advantage of the opportunity afforded you.

It is requested therefore you answer the following inquiry, sign your name, and return this letter to this office.

OFFICE OF THE QUARTERMASTER GENERAL

Mrs. Catherina DiAmico,
24 Mine Brook Ave.,
Bernardsville, N.J.

Dear Madam:

Your Government has provided an opportunity for all Mothers and Widows of deceased members of the American Forces who were lost, buried at sea, or whose remains are now interred in Europe, to make a pilgrimage to the cemeteries in Europe. This was done in the hope that all who may make the pilgrimage will derive a measure of comfort and solace from the visit.

You are numbered among those who are privileged to make this pilgrimage.

During July and September of this year, inquiries were addressed to you as to whether or not you desire to make the pilgrimage to Europe. To these inquiries no reply has been received from you.

You probably do not realize how important it is that a reply be received from you. If we do not receive replies, it becomes very difficult to make the necessary and proper arrangements for those who are to make the trip, as everything must be arranged in advance. Consequently, it is just as important for the Government to know the names of those who do not desire to take advantage of its offer as it is to know the names of those who do.

Will you please devote a few moments of your time to write either the word "YES" or "NO" in the following space _____, thus indicating whether or not you desire to make the pilgrimage during 1933 and sign your name here _____. Use the enclosed envelope, which requires no postage, and return this sheet.

This reply will assure your Government that no worthy Mother or Widow has failed to receive its offer in commemoration of a loved one departed, and will greatly assist in making the necessary preparations for those of them who wish to take advantage of the privilege.

For The Quartermaster General,
Very truly yours,

In order that your desires may be of record, and arrangements made accordingly, it is requested you complete the form below by writing in the space provided, your answers to the questions listed, sign your name and return this letter in the enclosed envelope which requires no postage.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. When you have answered the question, sign your name and return this sheet in the enclosed addressed envelope which requires no postage. PLEASE DO NOT DELAY, as it is essential that the information be in this office promptly.

This letter is being sent to all eligible mothers and widows who did not make the pilgrimage during the years 1930, 1931 or 1932. There is enclosed a circular of information WHICH YOU SHOULD READ VERY CAREFULLY BEFORE MAKING YOUR DECISION.

Dear Madam:

Receipt is acknowledged of your letter of February 11, 1931, in connection with a pilgrimage to the grave of your son, the late Private Allesandro DiAmico, under the provisions of the Act of March 2, 1929, as amended May 15, 1930.

It is regretted that ill health prevents you from accepting an invitation at this time. Pilgrimages will be made this coming summer during the months of May, June, July and August. If your health improves and you desire to make the journey some time during these months, it is requested that you advise this office in order that the necessary arrangements may be made for you. In the event that you do not sail this summer, your name will be placed upon the list of mothers and widows who are eligible to make the pilgrimage during the summer months of 1932, and you will be communicated with when arrangements are being made for that year.

There is no provision of law which would permit the Government to bear any part of the expense or make any arrangements for a relative or friend accompanying you on the journey. This must be entirely a personal matter. The Government can assume no responsibility nor provide medical or other assistance for any one who is not eligible under the law, and relatives or friends cannot be included in official tours paid for by the Government. It is possible that personal arrangements can be made on the same ship with you and also for accommodations at the same hotels in New York and Europe.

If you desire to have your husband accompany you under the above conditions, it is suggested that you communicate with the United States Lines, 45 Broadway, New York City, for information as to steamship fares and reservations. Arrangements should also be made with some responsible Tourist Agency for transportation, hotel accommodations and other expenses while in Europe. These arrangements should include first class rail transportation and hotel accommodations if it is desired to travel and be quartered with you.

QM 293 A-M
Dianico, Alessandro 1233 M

In the event such arrangements are made, please inform this office and advise if you desire your husband to occupy rooms with you at hotels in New York and Europe and aboard ship.

It is believed that you should feel no hesitancy in making the journey without your husband inasmuch as arrangements have been made for competent personnel to care for the comfort and welfare of the mothers and widows from the time of their arrival in New York City until their return thereto. Medical attendants and all other necessities have been arranged for and you are assured that the pilgrimage will not only be made at the expense of the Government but everything necessary for the care and comfort of the pilgrims will be provided. A number of mothers and widows in poor health made the journey in 1930 and appear to have benefited therefrom. You will no doubt make friends with some of the many women who are making the pilgrimage and find congenial companionship during the entire time.

For The Quartermaster General.

Will you please advise this office whether or not he is survived by a mother or widow who is entitled under the provisions of the above quoted Act, to make the pilgrimage, and if so, will you please furnish the full names and addresses of the mother and widow in order that action may be taken to extend invitations to them to make the pilgrimage. Both mothers and widows are entitled to make the pilgrimage.

Dear Madam:

The Act of Congress of March 2, 1929, as amended May 15, 1930, authorizes pilgrimages to the cemeteries Of Europe during the years 1930, 1931, 1932 and 1933 for the mothers and widows of deceased members of the American forces who were lost or buried at sea or whose remains are interred in Europe.

Your attention is particularly invited to the fact that this is the last opportunity you will have to make the pilgrimage under the provisions of the above mentioned Act. Unless you take advantage of this LAST chance to make a trip in 1933 you will receive no benefit from the Act. There is no provision of law which will permit the Government to make a money allowance to any mother or widow who does not choose to make the pilgrimage.

IT IS REQUESTED THAT YOU GIVE THE MATTER YOUR MOST CAREFUL CONSIDERATION BEFORE REACHING A DECISION, BEARING IN MIND THAT THIS IS THE LAST OPPORTUNITY YOU WILL HAVE TO MAKE THE TRIP AT GOVERNMENT EXPENSE.

In order to assure proper and satisfactory accommodations for the mothers and widows making the journey in 1933, reservations for steamship transportation must be made by this office several months in advance. It is requested that you answer the questions below by writing "Yes" or "No" or "Undecided" in the blank space following the question. In the event such arrangements are made, please inform this office and advise if you desire your husband to occupy rooms with you at hotels in New York and Europe and aboard ship.

It is believed that you should feel no hesitancy in making the journey without your husband inasmuch as arrangements have been made for competent personnel to care for the comfort and welfare of the mothers and widows from the time of their arrival in New York City until their return thereto. Medical attendants and all other necessities have been arranged for and you are assured that the pilgrimage will not only be made at the expense of the Government but everything necessary for the care and comfort of the pilgrims will be provided. A number of mothers and widows in poor health made the journey in 1930 and appear to have benefited therefrom. You will no doubt make friends with some of the many women who are making the pilgrimage and find congenial companionship during the entire time.

Dear Madam:

Receipt is acknowledged of your letter of February 11, 1931, in connection with a pilgrimage to the grave of your son, the late Private Allesandro DiAmico, under the provisions of the Act of March 2, 1929, as amended May 15, 1930.

It is regretted that ill health prevents you from accepting an invitation at this time. Pilgrimages will be made this coming summer during the months of May, June, July and August. If your health improves and you desire to make the journey some time during these months, it is requested that you advise this office in order that the necessary arrangements may be made for you. In the event that you do not sail this summer, your name will be placed upon the list of mothers and widows who are eligible to make the pilgrimage during the summer months of 1932, and you will be communicated with when arrangements are being made for that year.

There is no provision of law which would permit the Government to bear any part of the expense or make any arrangements for a relative or friend accompanying you on the journey. This must be entirely a personal matter. The Government can assume no responsibility nor provide medical or other assistance for any one who is not eligible under the law, and relatives or friends cannot be included in official tours paid for by the Government. It is possible that personal arrangements can be made on the same ship with you and also for accommodations at the same hotels in New York and Europe.

If you desire to have your husband accompany you under the above conditions, it is suggested that you communicate with the United States Lines, 45 Broadway, New York City, for information as to steamship fares and reservations. Arrangements should also be made with some responsible Tourist Agency for transportation, hotel accommodations and other expenses while in Europe. These arrangements should include first class rail transportation and hotel accommodations if it is desired to travel and be quartered with you.

Mrs. Catherine DiAmico,

Dear Madam:

This letter, which contains general information regarding the pilgrimage to the cemeteries of Europe, is being sent to each mother and widow who has expressed a desire to make the pilgrimage during the calendar year 1930. The general plan for the conduct of the pilgrimage is shown in the Pilgrimage Regulations, a copy of which is enclosed herewith. In addition to the information shown in the regulations, the following explains in detail some of the most important things connected with the pilgrimage.

Formal invitations are being extended to each mother and widow who has expressed a desire to make the pilgrimage during 1930. In so far as practicable, these invitations are being extended with a view to keeping the women from each state together and the order in which the invitations to the women from the several states are issued is based on a drawing by lot which was held about one month ago. Inclosed with each invitation is a card for acknowledgment and it is quite important that you accept or decline this invitation promptly in order that the necessary railroad, steamship and hotel reservations may be arranged. The government will defray all the necessary expenses of the pilgrimage, including railroad fare, hotel accommodations, steamship fare and all other incidental expenses. It will not provide anything other than the necessary expenses so that you should bring with you such funds as you may desire to use for making small purchases and for other uses distinctly of a personal nature.

Arrangements have been made with the American Railroad Association which assures us the united support and cooperation of all of the railroads in the United States in handling the movement to and from New York City. The local ticket agent will secure your railroad and sleeper ticket and will make the necessary pullman reservations. Before your departure from your home we will mail you a check, sufficient to pay for your meals and other travelling expenses while enroute to New York. Your railroad ticket will provide for a round trip from your home to New York and upon arrival in New York the army officer in charge of the New York office will collect the return trip stub and hold it until your return to New York from Europe.

Upon arrival in New York, you will be met by an army officer

and escorted to a first class hotel where reservations have been made. The duration of your stay in New York will be from 24 to 48 hours. At the proper time, you will be escorted to the steamship upon which passage has been engaged for Europe. All of the women making this trip will be provided with cabin class accommodations aboard steamers which means that from two to four will be quartered in the same stateroom. If you have any friend that you would like to be quartered with we will endeavor to arrange it if you will communicate with this office.

The ocean voyage will last about 8 days and when the ship docks at Cherbourg, France, each party will be met by officers especially detailed for the purpose and taken in a special train to Paris where first class hotel accommodations have been reserved. The first day in Paris will be a day of rest. On the 2d day, the women of each party will place a wreath on the tomb of the French unknown soldier. In the afternoon there will be a reception in which the French war mothers, government officials, and prominent civilians will participate. The following morning the groups going to the different cemeteries will leave Paris, travelling in motor busses, and proceed to the cemeteries where they will remain for about 7 days. Twenty-five women will be assigned to each bus and an army officer will have charge of the bus. The itineraries to and from the cemeteries and the daily itineraries while at the cemeteries have been varied so as to take in points of historical interest as well as some parts of the battlefields where American troops were engaged. Upon return to Paris, each party will remain for about 5 days and during this time an opportunity will be given to see the points of historical interest in Paris and vicinity. The entire duration of your stay in Europe will be 14 days, and the itineraries have been so arranged that each day will be provided for. Except in case of illness or other unavoidable cause it will not be possible for any woman making the pilgrimage to remain in Europe for a longer period than 14 days nor to leave the party with which she is travelling unless she is prepared to pay all of her expenses after leaving the party since the Act of Congress authorizing the pilgrimage specifically states that the government shall not pay the expenses of any woman who willfully leaves her party.

Upon return to the United States each ship will be met in New York City by army officers who will escort the mothers and widows to the trains which will take them home. Before leaving New York each woman will be provided with her return railroad ticket, a sleeping car ticket and funds to cover the cost of meals and other travelling expenses.

Army officers are being used as guides and escorts throughout this entire movement and care has been taken to select officers who will see that proper care is taken of the women who are entrusted to their charge. Arrangements have been made for taking care of women who may be taken sick during the pilgrimage and also to care for the remains of any who may die and provision has been made for returning the remains of any who may die to their homes. It is essential that each woman making the pilgrimage furnish The Quartermaster General with an emergency address of some relative or friend to be notified in the event of an emergency. Medical care will be provided by civilian agencies. If such care is needed in New York City it will be furnished by the hotel physicians or

by local hospitals. On board ship, medical care will be provided by the ship's doctors and in Paris arrangements have been made with the American Hospital for the hospitalization and treatment of any women who may need it. In addition to this, six doctors of the regular army will be on duty throughout the pilgrimage.

Baggage will be limited to not to exceed two pieces of hand baggage and the articles taken should be such as will be required for a trip of about one month. Laundry service can be obtained in New York and Paris. Since the climate of Europe is much colder than that of the United States, each woman should provide herself with sufficient warm clothing to stand the motor bus trip and the visit to the cemeteries.

Since it is necessary for this office to make all reservations for your accommodations throughout this pilgrimage, it will be greatly appreciated if you will make prompt reply to any communications received from this office.

For The Quartermaster General:

Very truly yours,

A. D. HUGHES,
Captain, Q. M. Corps,

The Act of Congress which provides for pilgrimages to cemeteries in Europe by mothers and widows of members of the military or naval forces of the United States who died in the military or naval service at any time between April 5, 1917 and July 1, 1921, and whose remains are now interred in such cemeteries, all necessary expenses of which pilgrimages are to be paid by the United States Government, requires that the Secretary of War make an investigation and submit the results of such investigation in a report to Congress not later than December 15, 1929. The purpose of the investigation is to determine the total number of mothers and widows entitled to make the pilgrimages, the number of such mothers and widows who desire to make the pilgrimages, the number who desire to make the pilgrimages during the calendar year 1930 and the probable cost of the pilgrimages to be made.

Dear Sir:

The Quartermaster General desires to invite your attention to the inclosed card which gives the permanent cemetery location of the soldier's grave in which you are interested.

This American military cemetery is one of those to be maintained by the United States for all time in Europe. Each grave will be marked by a headstone of white marble, of dignified design, with the name, rank, division, organization, date of soldier's death and State from which he came. Headstones will be placed at all graves in connection with the improvement work now in progress, as soon as possible and without waiting for special action or request on the part of relatives.

Please be assured that in effecting removal of the dead, the utmost reverential care was exercised and more than willingly accorded by those who performed this sacred duty. For the future, these graves will be perpetually maintained by the Government in a manner befitting the last resting place of our heroes.

Very truly yours,

R.L. FOSTER

3. If the legal next of kin of your son so desire, his body may be transferred to the nearest permanent French Cemetery at the expense of this Government, provided he executes and returns to this office the enclosed G.R.S. Form #123 releasing this Government of the future care and maintenance of the grave. This release will not become effective until after the transfer has been made and the legal next of kin will be advised of the new grave location and the formal release thereof. It is requested, therefore, that you immediately advise this office of your final decision in regard to the disposition of the remains of your son. On receipt of same, instructions will be issued that your wishes be complied with, provided there is no relative whose legal right to direct disposition has priority over yours.

The widow is the first person having disposition of the remains of her husband. Should there be no widow or children, the father and, in turn (upon his decease), the mother, is the proper authority. The brothers, in order of seniority, and then the sisters in order of seniority, if there are no brothers, rank next in authority to decide.
