

Performing Arts Sponsorships at The Pavilion

Partner with The Pavilion to amplify **your impact in the community** by supporting our symphony, ballet, opera and arts education programs.

We're a world class venue...

...with a non-profit mission to make the arts accessible to all.

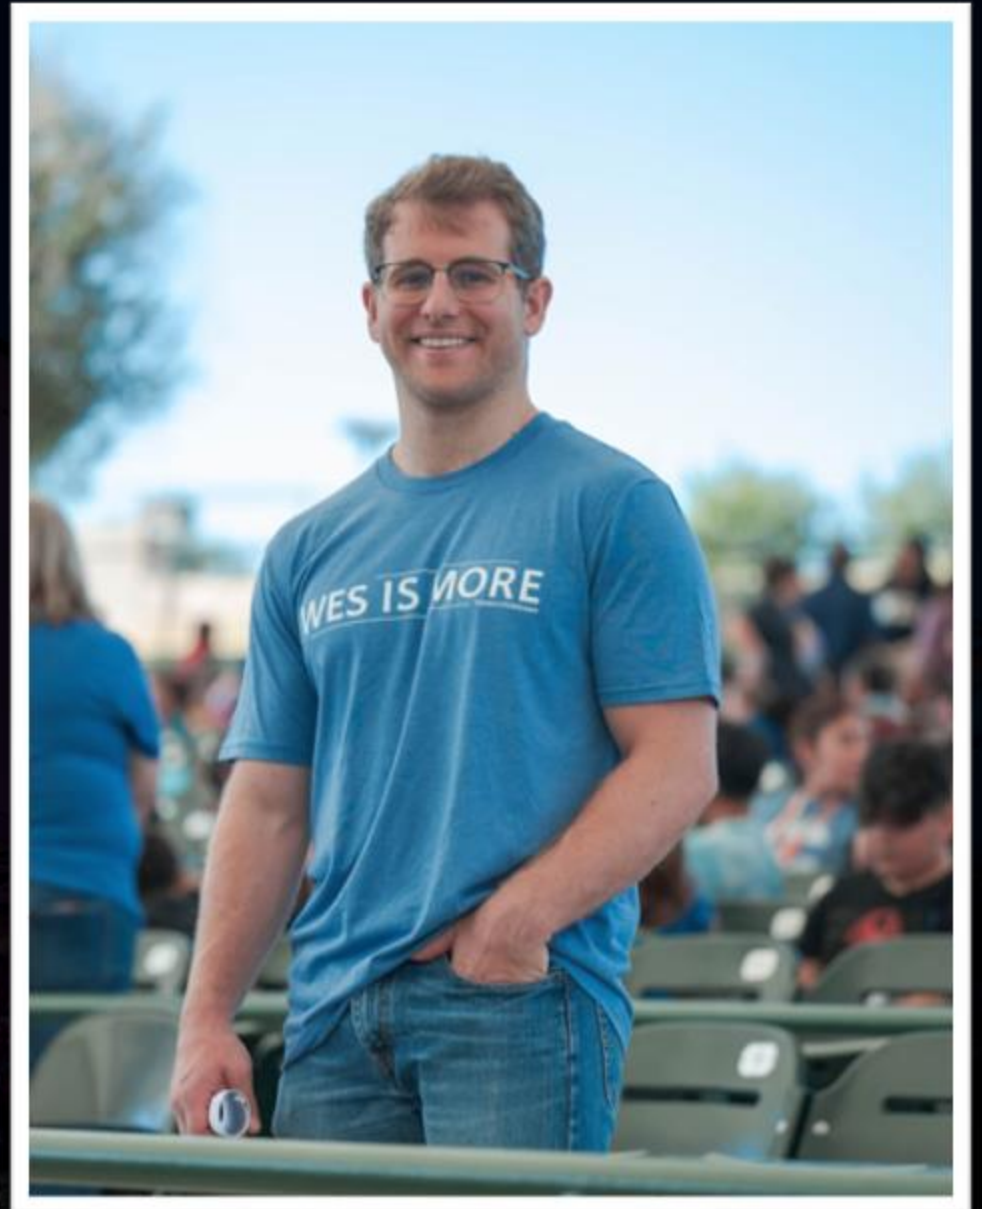

Each year, we host almost 50k guests at free arts shows, give away hundreds of thousands of dollars in arts scholarships and grants and introduce a new generation to the arts through our thriving arts education programs.

Sponsor support makes it possible.

***Sponsorships are a crucial financial
aspect of making our mission to
provide arts access possible.***

***More than that, partnering with The
Pavilion means opportunity – to
connect, to engage and to watch our
shared stories thrive.***

Supporting The Pavilion's mission has its perks...

**Connect with your
community**
