

ANNUAL EDUCATION TRIBUTE PROGRAM

The teacher whose Friday dance parties made class a warm and welcome place.

The coach who pushed your athlete to work harder and go faster.

The counselor who led your child down the path to understanding their self-worth.

The teacher who spent the extra time online to help make sense of distance learning.

The mentor who helped your child realize their dreams for the future.

The Helpers.

When I was a boy and I would see scary things in the news, my mother would say to me,
“Look for the helpers. You will always find people who are helping.”

To this day, especially in times of ‘disaster,’ I remember my mother’s words and I am always comforted by realizing that there are still so many helpers—so many caring people in this world.
