About Nashville's Municipal Auditorium

The Nashville Municipal Auditorium was designed and built in 1962 to satisfy Middle Tennessee's need for a multi-purpose facility that could handle a diversity of events with equal ease. For more than 50 years, it has done just that, hosting everything from concerts, circuses, auto shows, sports teams, evangelical crusades, trade shows, rehearsals, and touring extravaganzas. Nashville Municipal Auditorium features an 8,850+ seat arena, up to 32,928 square-foot arena floor space, and a 38,400 square-foot plaza adjacent to the Auditorium.
