

***Special  
Olympics  
Florida***

REVEALING  
THE CHAMPION  
IN ALL OF US

# A WARM WELCOME

Within Special Olympics Florida we often talk about community -- a community that believes in acceptance, inspires hope and celebrates each person's unique ability. Because of this, our athletes are able to achieve new heights, exhibiting courage in the face of adversity.

In Florida, we are proud to serve a record 58,466 athletes across the state, supported by 38,721 volunteers. When a competition ends, we celebrate the discovery of courage, the friendship found in acceptance, and the advancement of inclusive communities.

In 2022, Special Olympics Florida will celebrate 50 years of using sports to inspire people to open their hearts to each individual's talents and potential. We have built a strong foundation, upon which our community continues to flourish. As a culmination of this celebratory milestone, for the first time in history we will be hosting the 2022 Special Olympics USA Games.

While I am proud to share that we continue to break records and stereotypes, work remains. We are committed to serving even more people with intellectual disabilities and providing access to critical social, health and wellness resources. That is because ours is a community where each member is dedicated to an athlete's success on the field, at home, at school and in life.

Athlete, sibling, classmate, teacher, neighbor, or friend -- there is room for everyone.

In the spirit of gratitude,

A handwritten signature in black ink that reads "Sherry A. Wheelock".

Sherry Wheelock  
President and CEO  
Special Olympics Florida

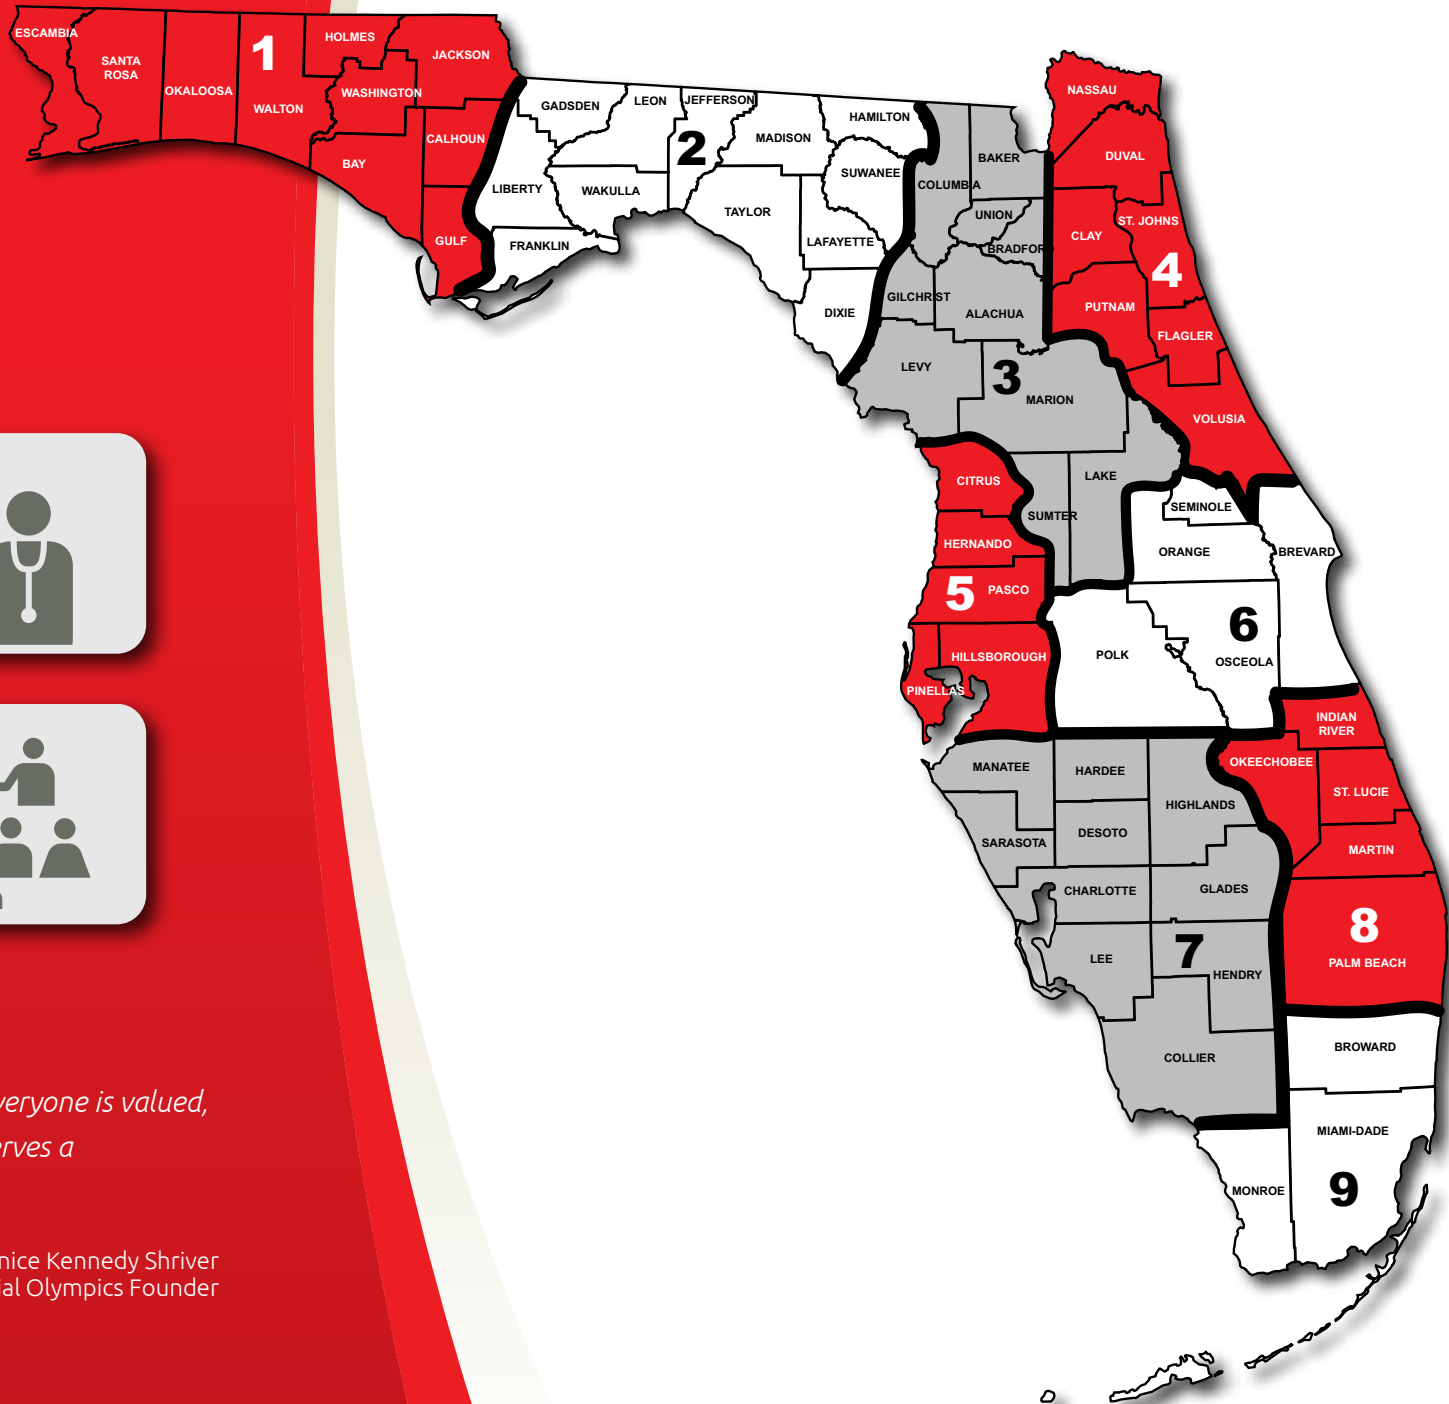

# OUR REACH

Please join us as we work to build a community where everyone has the lifelong opportunity to develop physically, emotionally, and socially through sports, wellness, and leadership training.

*"We are united behind the belief that everyone is valued, everyone is welcome, and everyone deserves a chance to be celebrated."*

Eunice Kennedy Shriver  
Special Olympics Founder

# PROVIDING QUALITY SPORTS TRAINING AND COMPETITION

For 48 years, Special Olympics Florida has been spreading the message that people with intellectual disabilities can and will succeed when given the chance.

With year-round quality training and competitions in Olympic-type sports, athletes push hard and play harder. They strive to beat their personal bests, defying the odds again and again. From the local ball fields to the shining stage of State, Regional, USA, and World Games, our athletes showcase the talents and triumphs of people with intellectual disabilities.

Comprehensive training in the following team and individual sports is available during applicable sport seasons:

Alpine Skiing	Equestrian	Roller Skating
Aquatics	Figure Skating	Soccer
Athletics	Flag Football	Softball
Basketball	Golf	Speed Skating
Bocce	Gymnastics	Stand Up Paddle
Bowling	MATP *	Surfing
Cheerleading	Open Water Swim	Tennis
Cycling	Powerlifting	Volleyball

\* The Motor Activity Training Program is designed for those athletes with severe disabilities whose physical and/or behavioral limitations preclude participation in traditional sports competitions. At the close of 2016, there were 1,016 athletes enrolled in this unique program across the state.

# BUILDING HEALTHY COMMUNITIES

Despite severe need and higher health risks, people with intellectual disabilities are denied health services, have limited access to community health exams, and experience a lack of targeted health interventions and programs (World Health Organization, 2011).

Special Olympics Florida is working to strengthen the training and competitive experience of each athlete by promoting inclusive and healthy communities. The goal is to create an environment of dignity, while supporting the athlete's health, fitness, and quality of life.

In just one year, Special Olympics Florida delivered the following critical services to athletes across the state:

HEALTH EXAMS

**12,724**

PRESCRIPTION GLASSES

**862**

SUNGLASSES/SPORTS GOGGLES

**925**

PAIR OF SHOES

# PROMOTING YOUTH AND EDUCATION

Special Olympics  
**Unified Champion  
Schools®**

Special Olympics may have started on the playing field, but today it is in full swing in classrooms across Florida. Using an education-based strategy, Unified Champion Schools use inclusive sports, youth leadership, and whole-school engagement to build and activate communities that embrace all abilities. Today, Special Olympics Florida is proud to be helping to shape a generation that pursues social inclusion daily.

- In 2019, Unified programs were active in **200** schools and on **17** college campuses.
- 97% of high school seniors say program activities are changing their school for the better.
- 84% of students generally regard participation in the program as a positive turning point in their lives.
- 86% of school staff feel the program has made a big impact in reducing bullying and teasing in their school.
- 96% of students feel comfortable carrying on a conversation with a student with intellectual disabilities.

# FOCUSING ON EARLY CHILDHOOD DEVELOPMENT

Young Athletes helps children ages 2 to 7 years old improve physically, cognitively, and socially through sports-play activities. Participating preschoolers with intellectual disabilities have achieved critical development goals at three times the rate of those not participating. For those with autism, the gains are nearly four times as great.

In 2019, there were **19,593** athletes and Unified partners participating in 51 counties and 300+ schools.

Promoting lifelong healthy habits, Healthy Kids at Play compliments Young Athletes by creating a culture of health for elementary-aged athletes. Children are introduced to healthy lifestyle choices, like eating nutritious foods, drinking plenty of water, moving regularly, and taking care of their bodies. As children become familiar with the concept of health at an early age, they will grow to lead strong and successful lives both on and off of the playing field.

*“My child has exceeded my expectations! He is using all of his learned social and motor skills, and I see major improvement in all.”*

Parent of Young Athletes participant

# DEVELOPING LEADERSHIP SKILLS

Athlete Leadership allows athletes to explore opportunities in roles previously considered non-traditional. A variety of leadership roles exists; whether serving as a coach, official, committee member, board member, or spokesperson, each experience provides lifelong leadership skills and the confidence to pursue self-sustaining careers as well as other life-fulfilling interests.

In 2020, Special Olympics Florida proudly launched its Athlete Leadership Academy. In this course-based leadership training, athletes find new opportunities to share their voice with their community. Offering five majors -- Communications, Governance, Sports, Finance and Employment -- athletes graduate ready to serve in meaningful leadership roles, influence change and ultimately create more inclusive communities around the world.

Let me **win.**  
But if I  
cannot  
**win,**  
let me be  
**brave**  
in  
the attempt.

Special Olympics Athlete's Oath

# BE A FAN. GET INVOLVED!

Special Olympics athletes are given the opportunity to participate without regard to economic, demographic, religious, or social factors. Neither the athletes nor their families or caregivers are charged a fee to participate in the program.

Here's how you can get involved:

**Volunteer** - Change an athlete's life, as well as your own. No experience necessary; however, be ready to witness the transformative power of sports.

**Mentor** - Help athletes gain the skills and confidence they need to make a difference in their own life and their community.

**Coach** - No one affects the life of an athlete more than a coach. We will provide you the proper certified training in program policies, sports rules, and coaching techniques.

**Sponsor** - We rely on the generosity of individuals and corporate contributions.

# 2019 HIGHLIGHTS

- Worked with the 2022 Special Olympics USA Games Committee, to assist in creating an athlete inspired logo with a nationally televised reveal.
- Team Florida was able to send the largest traveling delegation (24 members) to the 2019 Special Olympics World Summer Games in Abu Dhabi in July. Our athletes received a total of 19 medals and 7 ribbons.
- Welcomed Orlando Health as the official Central Florida Health Home for Special Olympics Florida.
- Our Law Enforcement Torch Run partners raised the largest number of funds on a global basis within Special Olympics.
- Recognized on the national level when our Miami Southridge High School was honored by ESPN as one of five model Special Olympics Unified Champions Schools in the U.S.
- Created the inaugural Special Olympics Florida Sunshine Bowl and recognized the Tampa Bay Buccaneers who provided sustained involvement, service, guidance, funding and leadership for over five years -- greatly impacting local programs, volunteers, and athletes.
- Nearly 13,000 Healthy Athletes screenings were conducted.
- Our first senior athletes competition came to fruition during our State Fall Classic -- an initiative that was created and led by an athlete.
- Established the Local Hero Award.
- Received the highest rating for seven consecutive years from Charity Navigator, the premier charity evaluator of American-based charities.
- We are serving 58,466 athletes (including 19,593 ages 2-7) statewide.

Other Programs	4,035
Total Program Services	\$15,664
Management & General	583
Fund Raising	1,871
<b>Total Expenses</b>	<b>\$18,118</b>

# 2020 GOAL

Serve 60,000 healthy athletes using 34,000 volunteers through fundraising that generates \$16M+ supporting cash revenue.

Special Olympics Florida is proud to have been selected to host the Special Olympics USA Games in June 2022. Bringing together more than 15,000 athletes, volunteers, and coaches, as well as an expected 125,00 families and fans from all 50 states and the Caribbean, each competition is poised to inspire the nation. Athletes will compete in as many as 20 sports at several top-tier venues, including Disney's ESPN Wide World of Sports Complex, the Rosen YMCA Aquatic Center, the U.S. Tennis Association National Campus and other sporting facilities in the Orlando area.

Expected to be the largest humanitarian event in Florida's history, hosting the Special Olympics 2022 USA Games in Florida also marks the 50th anniversary of Special Olympics Florida. Excitement is inherent in this competition as the nation comes together to celebrate each athlete and inspire everyone to open their heart to a wider world of human talents and potential.
