**** This schedule is TENTATIVE and subject to change. Finalized schedules & information will be sent in the weeks leading up to the event.**

* To ensure the highest quality and safest competition experience for our athletes. The competition committee will determine which levels will compete on Friday and Saturday based on the surf report the week of the state competition. This will be updated on the competition dashboard as soon as a decision is made. Plan ahead for your athletes to compete on either day. In the case of inclement weather Friday, the heats that were not able to compete will start off the competition on Saturday.

* We are making plans to add a warm-up area for athletes. The warm-ups will be scheduled for each heat and athletes will be required to have at least one coach in the water with them throughout the duration of their warm-up. Athletes will ONLY be allowed in the warm-up area during their scheduled time.
