About the 2026 Invitational

New Experiences, Same Connections

The Special Olympics Florida Invitational, proudly presented by Disney and Accenture as the Title Sponsors, has long been recognized as one of the premier golf fundraising events in the world. Over the past fifteen years, the Invitational has generated more than \$14 million in net revenue, helping transform Special Olympics Florida and expand opportunities for athletes across the state.

As the event continues to evolve, we are creating an even more impactful and mission-focused experience — increasing opportunities for sponsors and participants to spend meaningful time with Special Olympics Florida athletes and engage more directly with the focus of our mission.

This year's enhanced sponsorship opportunities are also designed to increase overall event participation, giving corporate partners the ability to bring more guests, deepen employee and client engagement, and create more meaningful experiences throughout the event. Expanded sponsorship packages will provide companies with greater flexibility and additional opportunities to fill their own hospitality bays while maximizing networking, visibility, and team involvement.

While the event format is changing, the connections, camaraderie, and networking opportunities that have made the Invitational so special will remain at the heart of the experience. The Invitational will continue to bring together Disney cast members, corporate partners, and community leaders to build relationships, strengthen partnerships, and create lasting impact.

Proceeds from the Special Olympics Florida Invitational at Walt Disney World® directly support Special Olympics Florida, helping more athletes experience the joy, inclusion, and life-changing benefits of sports each year.

A Message from Special Olympics Florida

Empowering People with Intellectual Disabilities
