

# GOLF *for* CHAMPIONS

Drive Shack | West Palm Beach | October 21, 2026

# ABOUT SPECIAL OLYMPICS FLORIDA

Founded in 1972, Special Olympics Florida is driven by a simple but powerful mission: to ensure people with intellectual disabilities are treated with dignity, respect, and given the opportunities they deserve.

Today, we serve more than 85,000 athletes and Unified partners across the state—offering year-round programming at no cost to families, regardless of background or ability level.

Beyond sports, we are committed to improving overall well-being. Our athletes face higher health risks and limited access to care, which is why we provide critical health services statewide—delivering more than 10,000 screenings annually.

# ABOUT GOLF FOR CHAMPIONS

Golf For Champions is more than just an evening of friendly competition - it's a powerful celebration of unity, empowerment, and inclusion. Held at Drive Shack in West Palm Beach, this high-energy event brings together corporate partners, community leaders, and Special Olympics Florida athletes for an unforgettable experience.

Participants have the unique opportunity to play alongside our athletes, witnessing firsthand the talent, determination, and joy they bring to the game. It's a chance to break down barriers, build meaningful connections, and be inspired by the very individuals your support empowers.

All proceeds benefit Special Olympics Florida, helping us provide life-changing programs for people with intellectual disabilities. By sponsoring Golf for Inclusion, your company takes a stand for compassion, respect, and diversity—while aligning with one of the most admired nonprofits in the world.
