Septic System Workshop

**Tuesday, August 11
9:00-10:00 a.m.**

The Lower East Fork White
River Watershed group is

excited to host a free upcoming septic
system workshop in Dubois County,
Indiana! The location of the septic intall
is at 1737 E. Schnellville Road, Jasper, IN
47546.

Residents currently using a septic
system, thinking about building a home
that will use a septic system, or
individuals who are interested to see
how septic systems operate are
welcome! Realtors and installers are
invited to attend as well.

Installation and septic system
maintenance will be discussed, and
experts will be on hand to answer
questions.
