

THE CYNTHIA WOODS MITCHELL PAVILION EVENT CENTER

The Pavilion Event Center is a 21,000-square-foot event space located adjacent to The Pavilion Box Office with entrances off Lake Robbins Drive and from within the venue. The multi-purpose facility provides The Pavilion with an event space that is dynamic in both structure and amenities. Two movable “air” walls allow for the space to be divided into three separate rooms, each complete with state-of-the-art multimedia capabilities.

The Pavilion Event Center is operated by The Pavilion staff from mid-March through mid-November and serves as the home of The Lounge, which is open to all concertgoers during most contemporary shows. The Ovation and Encore Suites are available for private functions, based on availability.
