IMPORTANT POLICIES AND REMINDERS

BAGS / PURSES / BACKPACKS:

The Pavilion has a strict bag policy in effect – NO bags, purses or backpacks will be permitted into the venue.

- All dance bags and costumes must be dropped off at the main studio on **Thursday, November 19th between 10AM-9PM.**
 - Please make sure that any garment bag, backpack or duffel/dance bag that you are dropping off is labeled very clearly with the following:
 - Dancer's Name
 - Dancer's Role
 - Performance Details (Sat Matinee etc.,)
- Please note, dancers may bring their dance shoes on the day of the event in a clear bag. (Only at the dancer check-in)
- Diaper bags are permitted if accompanied by a child and medically necessary bags will also be permitted; both are subject to a search. If the medically necessary items can fit within our standard 8.5" x 11" bag size requirement, they must do so.
- **If you arrive with a non-permitted bag, there will not be a place to store your bag onsite; you will be asked to take it back to your vehicle.**
- Be sure to remind your guests, family and friends of the strict bag policy.

MASKS AND FACE COVERINGS:

All dancers, teachers, staff and guests are required to wear face coverings/masks including while backstage. Masks must cover the wearer's nose and mouth. Masks may be removed when consuming food or drink.

BOX OFFICE & TICKETS:

The Box Office will not be open for onsite purchases. All ticket purchases must be made online.

CONCESSIONS AND WATER:

Concessions will be open, but will only accept credit card payments. Additionally, public water fountains will be turned off, with only bottle fillers available. While empty personal water bottles are permitted, direct contact with the water filling stations will be restricted. We encourage you to take advantage of pre-filled water cups provided by staff at our water filling stations.

GIFTS, BALLOONS, FLOWERS, ETC.,:

- Gift bags and balloons will not be permitted through the gates of the venue.
- For this event, flowers are permitted to be brought in, however, to expedite the time it takes to get through security we recommend pre-ordering your flowers for pick-up onsite through Boni's Dance or purchase while inside the venue.
- Our info booths will be closed for this event, so there will not be a location to store your belongings onsite while attending the event.

SOCIAL DISTANCE AND RESPIRATORY ETIQUETTE:

The Pavilion has made every effort to enact procedures to practice social distance for our dancers, parents, guests and staff.

We ask that:

- You stay home if you have respiratory illness consistent with COVID-19, have tested positive for COVID-19, are awaiting results from a COVID-19 test or have been in close contact with someone who has tested positive or is presumptive positive for COVID-19.
- You maintain 6 feet social distance from those outside your immediate household including while in line to enter The Pavilion, at concessions or the restroom, in the seating area, when exiting, etc.,
- Utilize handwashing stations and hand sanitizer within each plaza as necessary.

COURTESY:

Please remember to treat all dancers, staff and fellow guests with courtesy and respect. Be supportive, be kind and be safe!

DANCER DROP-OFF

WAIVER OF LIABILITY RELATING TO COVID-19:

- Prior to arriving to The Pavilion, parents must complete the waiver of liability for their dancer to be permitted backstage. This waiver can be found and signed by [clicking here](#). Please have this waiver submitted by Wednesday, November 18th.

PARKING:

- Free parking is available in The Pavilion Gold Lot / Town Center Parking Garage.
- In an effort to maintain social distancing, once you have parked, you are encouraged to await the guests exiting the vehicle next to you to clear the immediate area, prior to exiting your own vehicle.

DROP-OFF / HEALTH SCREENING:

- Please utilize the schedule on the following page to determine what time your dancer should be dropped off.
- After parking, dancers under 12 years old must be dropped-off by a parent at their assigned time at the back gate – parents will not be permitted backstage. You will find the back gate entrance immediately upon exiting the garage as noted on the map on page 5.
- Parents with a child under the age of 12 must accompany and fill out an onsite health screening survey for their dancer. Dancers 12 years of age and older can fill the survey out for themselves. **Please note, this is separate from the waiver of liability signed in advance.**
- Once you arrive you will be provided a QR code that you will scan with your phone and link you to our COVID-19 symptomatic health survey.
 - Once submitted, the approval screen must be shown to a representative from Main Event EMS Services, who will then conduct respiratory symptom screening and a temperature check.
 - To ensure your privacy, all completed health screening forms will be submitted to and securely maintained with Main Event EMS Services.
- Dancers who are unable to answer no to all questions on the COVID-19 symptomatic health survey, show respiratory illness (such as a cough, shortness of breath or difficulty breathing) when arriving will be evaluated by medical staff and could be asked to go home.
- If your thermal scan, which will be taken with a no-touch thermometer, displays a temperature greater than or equal to 100.4 you will be asked to have your temperature taken a second time with an oral thermometer. If both checks confirm a temperature greater than or equal to 100.4 degrees, you will not be able to enter the venue.
- Act 2 dancers that are attending the 1st part of the show with their family must enter through the backstage entrance 30 minutes prior to the show. They will go through the medical and security checks and receive their wristband at this time. A Boni's staff member will then escort them to the North Plaza by the Saint Arnold's booth for you to pick up after you have entered through the North or East gate.

SECURITY:

- All costumes and necessary dance bags must be turned into Ms. Boni to load on the truck by Thursday, November 19th. Due to The Pavilion's no bag policy, all day-of dance shoes should come in a clear bag 12" x 12" or smaller.
- All dancers will pass through a magnetometer (metal detector) and all dance shoe bags will be subject to search.
- Once through security, dancers will arrive at the Boni's check-in table and be escorted to their dressing room.
