Vaccination Policy: As part of our commitment to our staff's health and safety, as of Summer 2022, all staff (and eligible campers) will be required to be fully vaccinated (as per Health Canada) for Covid-19 by June 15, 2022. We also recommend that staff and campers receive their boosters, if eligible, and if/when this becomes a requirement to be considered "fully vaccinated", Green Acres will adhere to this policy as well.

Thank you for considering Camp Green Acres for your summer employment. You should hear back from us within a week by email! (If you don't, check your junk mail)
