

2025 LEXUS CHAMPIONS FOR CHARITY NATIONAL CHAMPIONSHIP

Those with a passion for golf can appreciate the qualities of balance, grace, and precision – words that aptly describe Lexus automobiles. Those who play the game also appreciate the virtues of competition, generosity and charity – all of which can be found in the Lexus Champions for Charity Program. Beginning with 63 events in 1989, Lexus Champions for Charity has helped raise over \$580 million for worthy causes throughout the country. This year, the program hopes to support charitable organizations at 100 events nationwide. Lexus Champions for Charity pairs great golf with philanthropy, as amateur golfers participate in events held at the finest golf and country clubs throughout the United States. Lexus supports the local charity events by offering competitors the opportunity to win a Lexus and represent their charity in the annual Lexus Champions for Charity National Championship at Pebble Beach Resorts in December. The charities represented by the Top 5 Net Division and Top 5 Gross Division teams will be awarded a portion of the charity purse.
