Erie PA 16510

To whom it may concern,

Our local section is looking to raise money to help students seeking training in the welding field.

Each year we hold a golf outing to help raise funds for student advancement in the welding field, field trips, incentives, etc. We are always looking for donations to raffle off as prizes to help raise necessary funds. Anything helps from t-shirts and koozies to gift cards and electronics.

This year we are offering Silver, Gold, and Platinum level Donor opportunities.

- To earn Silver status, the company must provide a minimum of \$300 in donations. Silver donors will receive 2-hole sponsor signs as well as their company logo printed on either a koozie or t-shirt and their name printed on cards as a donor that will be placed in each golf cart
- To earn Gold status, the company must provide a minimum of \$500 in donations. Gold donors will be able to display a large banner of their company at the outing, have their logo printed on a koozie or t-shirt, a custom plaque to be recognized as a Gold Donor and they will have a printed advertisement /information sheet of their business posted in each golf cart at the outing.
- To earn Platinum status, the company must provide a minimum of \$1000 in donations. Platinum level donors will receive everything detailed in both the silver and gold level sponsors, as well as a 4-man team fee cover, and a AWS gold polo for each player. Your donation could impact any local person seeking education in the welding industry and we greatly appreciate your support!

Thank you in advance for your contribution.

If I can answer any question, or may be of further assistance, please do not hesitate to contact me at (814) 964-8854 or rkostreba@kitllc.net

Sincerely,

Roger Kostreba
