Join the AWS St. Louis Section for a Tour of the Ameren Development and Resource Center!

Dear Members,

We invite you to join us for a tour of the Ameren Development and Resource Center in South County. Employing more than 8,500 personnel in both Missouri and Illinois, Ameren powers the quality of life for 2.4 million electric customers and more than 900,000 natural gas customers across a 64,000 square-mile area. This training facility instructs their in-house craftspeople on pipefitting, insulating, welding, machining, and electrical crafts. The tour will showcase Ameren's updated training facility highlighting some of the newest equipment in the welding industry. Our tour guides for the event will include John Baima & Doug VanBuren. Drinks and sandwiches will be provided.

The tour is open to everyone over 16 years of age. No shorts or open-toed shoes. No photos unless authorized. **Please RSVP so we have an idea of attendance.**

RSVP: *Luke Beavers*
